Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 we are pleased to announce that we have expanded our tele-radiology services beyond India. We have now begun reporting for clients in the United States, marking a significant step in our global growth. This development aligns with our commitment to delivering high-quality diagnostic reporting services across borders. With this addition of U.S. tele-radiology, we aim to enhance patient care by offering timely and accurate reporting to a broader healthcare network.
