Press Statement **Immediate Release**

11 November 2024; Vadodara: Today, a fire was reported at around 3:30 PM in a Benzene Storage Tank (1000 KL capacity) at Gujarat Refinery. The refinery's emergency response team is actively tackling the situation, with firefighting operations currently underway. The adjacent water sprinkler system has been activated to contain the fire, and dousing efforts are ongoing. The cause of the fire is yet to be ascertained.

Safety of our employees and surrounding communities remains our utmost priority. The refinery operations are normal. Further updates will be provided as the situation develops.
