Suman Kumar Verma
Company Secretary & Compliance Officer

Dt. 7 February 2017

Information Release to Stock Exchanges

Technofab Engineering is pleased to announce the receipt of two new orders from Power Grid Corporation of India Limited amounting to Rs. 220 Crores in the State of Tripura. Both orders are in the Industrial and Rural Electrification Sector and works related to 33/11 KV Sub Stations & associated lines.

The order have a timeline of 33 month for completion.

Mr. Arjun Gupta, Whole-time Director's comment:

"The Company is already undertaking various projects in sub stations of 220/132/33/11 KV and with these new orders of 33/11 KV including associated lines/ optical ground wire (OPGW) installation the Company's business in the Electrical Sub Stations sector is substantially enhanced.

We have enough order book position and L1 pipeline which gives us good visibility and confidence going ahead."

About Technofab Engineering Limited

Technofab Engineering is 45+ year young and one of India's premier engineering and construction Company specialized in providing complete engineering, procurement and construction (EPC) services by executing comprehensive balance of plant (BOP) and auxiliary systems on a complete Turnkey EPC basis across a number of industrial and infrastructure sectors which include power, oil and gas, water and waste water and other industrial and infrastructure sectors.
