Thane: Five occupants of a car had a narrow escape after the vehicle caught fire in Thane city in the wee hours of Thursday. The incident took place at around 1.40 am at Gaimukh on Ghodunder Road when the three men and two women were returning home in Mira Road from Karad.

After noticing the fire, the occupants immediately came out of the vehicle, and local firemen and a team of the Regional Disaster Management Cell rushed to the spot after being alerted. The blaze was doused after about two hours, while the car was completely damaged.

SHRADDHA WALKAR MURDER: MOTIVE, PLAN, GORY DETAILS

Charge sheet in FPJ's possession reveals blood-curdling details on her final moments and motive; during Aaftab Poonawala's interrogation by Delhi police, he revealed how and when he bought material to chop body

ABHISHEK SHARAN | MUMBAI

Aaftab Amin Poonawala, who allegedly killed his live-in partner Shraddha Walkar at their rented Delhi flat on May 18 last year and subsequently cut her body into pieces, gave blood-curdling details on her final moments and the motive during interrogation by the Delhi police.

Poonawala claimed he decided to kill her, and get rid of her, after a fight over issues arising out of their lack of money and resources to fulfil daily needs. Alleging constant fights and verbal abuses by Walkar, he said he strangled her with both hands and continued to press her neck till she died. This is part of the Delhi police's recent case charge sheet submitted to a court, which the Free Press Journal accessed.

Poonawala told the police that he and Walkar had been friends during the trip. Over a week later, however, the friend had asked the couple to leave his house as he was fed up with their constant fights, during which they had also "broken up".

A month later, on May 5,

2022, they had concluded their trip and returned to the Chhattarpur Pahari S800th (Delhi) flat of a common male friend, who they had befriended during the trip. Over a week later, however, the friend had asked the couple to leave his house as he was fed up with their constant fights, during which they had also "broken up".

Poonawala told the police that since both were jobless

and had spent most of their savings during the trip, they allegedly fought regularly over mundane issues. At around 6.30pm on the fateful day (May 18), Walkar allegedly asked him to return to their rented Vasai flat to bring back their household articles, according to the charge sheet.

Walkar even booked tickets for his journey to Vasai, Poonawala claimed. But he refused to leave, excusing himself over ill-health, which enraged her, he claimed. She pointed out that all they had at the flat were two bags with no clothes. She allegedly said that they had to survive on food brought from outside, which

was not good for their health, and insisted that he must go to Vasai.

Poonawala claimed that he countered her fury by asking her to foot half of their common expenses, which angered her further and she began abusing him. This was the moment, he said, he decided to kill her.

He flung her on the room's floor, pinned her down to sit across her chest. He then proceeded to strangle her with both his hands and kept her neck pressed till he was sure that she was dead, he told the police. Later, he took her body to the bathroom to hide.

He revealed that he left the flat at around 7.45pm after shutting the main door. He bought a saw, three blades, a hammer and plastic clips from a local hardware shop to cut it into pieces. The next day, he bought a new fridge, stored the pieces in the freezer and disposed of the body parts in the forested tracts of Chhattarpur, Mehrauli, one by one.

The police, while carrying out further probe into the missing person's complaint related to Walkar that was lodged by her father with the Maharashtra police, also seized her silver ring that he had allegedly 'gifted' to one of her female friends with whom he had interacted after the murder. The girl later approached the Delhi police to return the valuable.

'Govt earnestly trying to resolve issues with France'

NEW DELHI: The government informed Parliament on Thursday that it was earnestly trying to sort out with France the issues pertaining to the construction of 1650 MW nuclear power reactors in Jaitapur in Maharashtra. "Much of the conflict of views on the two sides happened because of geopolitical reasons. We are, very earnestly,

trying to sort it out and we are moving forward," Minister of State for Atomic Energy Jitendra Singh said in the Rajya Sabha during the Question Hour. He was responding to a supplementary question asked by Congress leader Jairam Ramesh on the status of construction of nuclear power reactors in Jaitapur.

Fadnavis says plan on anvil to divert water of western rivers to Marathwada

The water of rivers of the Krishna Valley flowing west into the sea will be diverted to parched Marathwada after diversion through the Godavari valley. Deputy Chief Minister Devendra Fadnavis said on Thursday.

Fadnavis said technical aspects of this work are be-

ing studied with the aim to start some work on it by this year.

He was speaking at the unveiling of a statue of former CM late Shivajirao Patil Nalangekar at Maharashtra College in Nilanga. Hailing Nilangekar's contribution in setting up irri-

gation projects in the state, including the Lower Terna. Fadnavis said his government wanted to fulfil the former's dream of a developed Marathwada.

"To fulfil his dream, it is necessary to provide irrigation facilities in the region. Therefore, water of the west-

ern rivers will be diverted to Marathwada through Godavari valley," Fadnavis said. Among those who were present at the function were former Union home minister Shriyati Patil Chakurkar, NCP leader Jayant Patil and former CM Sushilkumar Shinde.

Bullet train: Tech bids for undersea tunnel opened

Mumbai: The technical bids for the construction of a 21km tunnel, 7km of which will be under the sea, as

part of the Mumbai-Ahmedabad High Speed Rail Corridor, popularly called the Bullet train project, was opened on Thursday.

Two bids have been received from Afcons Infrastructure Limited and Larsen & Toubro Limited for the C-2 package between Bandra-Kurla Complex in Mumbai and Shilphata in Thane, a National High Speed Rail Corporation Limited (NHSRCL) spokesperson said. After technical evaluation, financial bids will be opened.

As per NHSRCL, the tunnel will be a single-tube twin-track structure with a diameter of 13.1mt at depths ranging from 25-40 metres below the ground. Of its 20.37km length, three tunnel boring machines (TBMs) will build 15.42km of the structure, while the remaining 4.95km stretch will see the work being done as per the New Austrian Tunneling Method (NATM). "The tunnel will cross Thane creek and the survey work under the creek was done using underwater static refraction technique and was successfully completed. PTI

FY24 GOAL IS TO HAVE 20 PROJECTS; MAY INCLUDE SPILLOVER TOO

Port Asset Monetisation Target Set at ₹6,700 cr

Key projects include ₹2k cr berth at Deendayal Port, ₹980 cr container terminal at Haldia, ₹360 cr dry dock in Vadinar

Twesh Mishra
@timesgroup.com

New Delhi: The Centre has set a target of ₹6,700 crore for asset monetisation in the port and shipping sector for FY24. Key projects on the block include ₹2,000 crore berth at the Deendayal Port (Kandla, Gujarat), ₹980 crore container terminal at Haldia Dock Complex of Shyama Prasad Mookerjee Port (Kolkata, West Bengal), and a ₹360 crore dry dock in Vadinar (Gujarat).

"Next financial year's monetisation plan would include around 20 assets," a senior government official told ET. He said the list could also include some spill over projects from FY23. The government has managed to raise around ₹600 crore so far from asset monetisation in the current fiscal.

India has prepared a national monetisation pipeline with assets worth ₹6 lakh crore to be monetised between FY22 and FY25. As per the National Monetisation Pipeline (NMP), there are 31 projects in nine major ports that would be offered for private sector participation.

LAND POLICY OVERHAUL

New port and policy being formulated

Focus is on supplementing port operations

"Operations of berths and terminals will be extended to private sector so that ports have an assured revenue stream while minimising the burden of managing day-to-day functions," the official said.

LAND POLICY REVAMP

The government is also looking to iron out issues in the land leasing policy of ports to better utilise vacant land with Indian ports.

The present land policy of the ports (formulated in 2014-15 and updated in 2019-20) is perceived as being complicated and a hindrance to monetisation. The government is

overhauling the policy to bring about transparency and ease for investors. "The land with ports should not be viewed as a source of income, but as an avenue for improving operations while maximising revenue," the official said, adding that the new policy would ease the transfer of such assets and minimise discretionary elements in the process including pricing.

The focus is to aid ports to use land to supplement their role as goods transit hubs. "This will include developing cargo holding facilities to better port operations with public private partnership," the official said.

Interest Rate on PF Deposits may be Near 8% for FY23

Strong return on investments, lower withdrawals this year

Voglia Sharma
@timesgroup.com

New Delhi: The government may peg the interest rate on provident fund deposits at nearly 8% for 2022-23, almost at the same level as in the previous fiscal, people familiar with the matter told ET. They said the earnings of the Employees' Provident Fund Organisation were better worked out but 8% was doable considering higher returns on investments this year.

"Return on EPFO investments this year have been strong with reduced withdrawals on account of Covid-19 pandemic. Even investments in equity are expected to fetch better returns than last year, making a clear case of either retaining the interest rate at 8.1% or bringing it a tad lower to 8%," a senior government official said on the condition of anonymity. Another official said raising the interest rate beyond 8.1% will widen the difference between PF rates and rates on

public provident fund (PPF) and general provident fund (GPF) which stands at 7.1%.

"The government will stick to around 8% to avoid any political backlash as it heads into key state assembly elections this year, followed by general elections next year," the se-

cond official added. The central board of trustees of EPFO is expected to meet later this month or in early March to decide on the interest rate that will be recommended by its Finance Investment and Audit committee based on the earnings for 2022-23.

The retirement fund body had announced the interest rate of 8.1% for 2022-23, which was the lowest in four decades and was significantly lower than 8.5% credited in the preceding year. This was on account of ₹76,788 crore with ₹450 crore as surplus.

EXCHANGE TRADED FUND

The CFT is also expected to take a call on the threshold on redemption of exchange traded funds as its upcoming meeting. It had in its last meeting in October 2022, proposed fixing a threshold on ETF redemption to ensure minimum returns and better payout to its subscribers. EPFO started investing in equities in 2015-16, starting with 5% in the first year, 10% in the second year and 15% in the subsequent years.

Parliament Watch

Low Pension Payout Due to Withdrawals

Low pension payout under the Employees' Pension Scheme of EPFO is because of frequent withdrawals from the scheme and low monthly pension contribution by a large number of members on the back of their very low monthly salary which results in low pensionable salary and therefore calculation of pension towards the lower side, minister of state for labour and employment Rameswar Telu said in response to a question in Rajya Sabha. As per the response, the budgetary allocation to the scheme has dropped from ₹750 crore in 2019-20 to ₹50 crore in 2022-23.

The National Pension Scheme for Traders and Self-employed has registered 52,211 traders till December 30, 2022.

minister of state for labour and employment Rameswar Telu said in response to a question in Rajya Sabha. As per the response, the budgetary allocation to the scheme has dropped from ₹750 crore in 2019-20 to ₹50 crore in 2022-23.

FM Urges IMF to Form Global Strategy to Regulate Cryptos

Our Bureau

New Delhi: Finance minister Nirmala Sitharaman Thursday impressed on the International Monetary Fund (IMF) to firm up a globally-coordinated approach for the regulation of crypto assets.

India has been pitching for a global strategy given the cross-border nature of crypto transactions and potential risks they pose to the world's financial system. In a virtual conversation with IMF managing director Kristalina Georgieva, Sitharaman also "stressed the need to ensure food and energy security for all", the finance ministry tweeted.

Both discussed the upcoming G20 finance ministers and central bank governors meeting, scheduled to be held in Bengaluru later this month. India assumed the G20 presidency in December.

The debt crisis in many countries will be among the key issues of the G20 Finance Track discussions, the ministry said.

About 60% of low-income countries were at high risk or already in debt distress, up sharply from 30% in 2015, according to an earlier IMF assessment.

The finance minister and the IMF chief also discussed the timely completion of the 16th General Review of Quotas (GRQ) to strengthen the global financial safety net.

The latest GRQ, expected to provide greater say to developing economies in the IMF, should be concluded by December 15, 2023, according to a resolution of the multilateral body.

All to Onboard National Single Window by Dec

States, UTs, 32 govt depts set for integration

PTI

New Delhi: All the states, union territories and 32 central government departments will integrate with the National Single Window System (NSWS) by December this year, through which companies can seek all approvals and clearances for their businesses, a top official said on Thursday.

So far 19 states/UTs and 27 central government departments are already onboarded, including Andhra Pradesh, Bihar, Goa, Gujarat, Himachal Pradesh, Jammu & Kashmir, and Karnataka, the Secretary in the department for promotion of industry and internal trade (DPIIT) Anurag Ja-

in said here. He was speaking at a joint meeting of the India-Japan business cooperation committee meeting.

The system is aimed at reducing duplicity of information submission to different ministries, reduce compliance burden, cut gestation period of projects, and promote ease of starting and doing business.

NSWS enables the identification, applying and subsequent tracking of approvals for all integrated states and central departments.

In his first reshuffle, CP transfers several DCPs

New Delhi: Several district DCPs in Delhi were reshuffled on Thursday as police commissioner Sanjay Arora ordered the first major transfers since taking over. As per the orders, DCP Sanjay Sain, who was heading the northeast district, has been transferred to the central district as DCP. He ensured there was no communal violence during his tenure in northeast Delhi. Sain has replaced 2002 batch IPS officer Shweta Chauhan, who has been appointed as DCP general administration.

Jitendra Kumar Meena, a 2002 batch IPS who was posted in the economic offence wing (EOW), has been appointed as DCP north-west. Meanwhile, DCP Usha Ranganani, who was heading the northwest district will now take charge as DCP special branch. DCP outer-north Divesh Kumar Mahla has been transferred to the IGI airport unit, and Ravi Kumar Singh, who was looking after the IGI airport, has been appointed as the new DCP of outer-north district. Additional DCP of northeast district Anil Kumar Singh has been transferred as DCP crime branch. DCP Joy Tirkey will head the northeast district, whereas DCP Rajesh Dey has become DCP for the southeast district. Meanwhile, DCP southeast Esha Pandey has been transferred to the traffic unit. The

'Bus driver suddenly took left, missed workers'

Continued from P1

Three injured workers — Anuj, Sandeep and Dhanraj — were referred to Safdarjung Hospital in Delhi. "They are undergoing treatment," Pandey said. ACP Arvind Kumar said the bus driver could not spot the group of workers because he took a sudden left to overtake the truck. "By the time he slammed the emergency brakes, it was too late. There were around 15 passengers in the bus, none of whom were injured. The bodies of the victims were sent for an autopsy and their families were informed. We are coordinating with roadways for more information on the driver," Kumar said.

A case under sections 279 (rash driv-

ing), 338 (causing grievous hurt by an act which endangers human life, etc.) and 304A (death due to negligence) of the IPC was registered against the driver on a complaint from Sankeshwar's brother. NP Singh, assistant regional manager of the UP Roadways in Noida, said the families of the deceased would be given Rs 32 lakh each and those of the injured Rs 50,000. "A team of four officials inspected the accident site and found that the factory's boundary wall had encroached on the footpath. There is no pavement for anyone to walk there. The driver was at fault because he tried to overtake from the left. We have suspended him," Singh said. Vikas Das, who lodged the complaint, said his brother, Sankeshwar, was scheduled to get married next month.

"I work in the same factory. I came to know about the accident after my shift was over. I ran to the accident spot and found my brother lying there, bleeding. A police team took all the injured workers to hospital. My brother and two others were declared dead on arrival," he added. Mohri, Das said, was also from the same village in Bihar. "Three of us shared a room. Sankeshwar and Mohri worked the night shift and I went to the factory during the day. Sankeshwar was the eldest of four siblings and had been working here for the past 4-5 years. He was supposed to get married next month. His family in Bihar was very excited about it," he added. Officials at Hero Motors could not be reached for a comment.
