Commenting on the Company's performance Mr. Santosh Ladha, Managing Director of the Company said:

"I am pleased to announce that we continue to grow in Q4FY25. Throughout the year, we encountered challenges related to input costs; however, we experienced a revival in Q4FY25, which is evident in our improved operational profitability. The growth was accelerated by our B2B segment where we have added 9 new distributors during the quarter. Recently, we have also successfully raised capital through a rights issue totaling Rs. 47.5 crores, which will be strategically allocated to support our growth initiatives.

Looking ahead to FY26, we plan to expand our production capacity to reach 38,000 pieces per day. We are excited to introduce our new inner wear line and enhance our sportswear offerings, underscoring our commitment to innovation and quality. We anticipate strong growth driven by organic demand and new capacity additions, while also focusing on enhancing our retail D2C segment to accelerate our growth trajectory and deliver greater value to our stakeholders. Iris Clothings remains dedicated to elevating the DOREME brand and advancing the company to the next level of growth."
