NEW LIFELINE. Central bank also widens timelines for realisation and repatriation of full export value

Our Bureau
Mumbai

In a huge succour for exporters, the Reserve Bank of India has announced a host of trade relief measures to mitigate the impact of trade disruptions on exports due to global headwinds.

The measures include easing the burden of debt repayments on specific impacted sectors, enhancing the maximum credit period, and extending the time period for realisation and repatriation of full export value.

The central bank, in its Directions on Trade Related Measures, said lenders' will provide borrowers, engaged in exports relating to 20 specific impacted sectors, moratorium on/ deferment

of payment on all term loans and recovery of interest on working capital loans, as applicable, falling due between September 1 and December 31, 2025.

The aforementioned move is with view to mitigating the burden of debt servicing brought about by trade disruptions caused by global headwinds and to ensure the continuity of viable businesses.

RBI's directions are applicable to commercial banks, co-operative banks - urban, State and district central, non-banking finance companies and All India Financial Institutions.

IMPACTED SECTORS

The 20 impacted sectors hit by US' steep tariffs include fisheries, organic chemicals,

The central bank has permitted lenders to recalculate 'drawing power' in working capital facilities either by reducing the margins or basis reassessment, during the September 1, 2025, and

December 31, 2025 period.

The maximum credit period for exporter-borrowers has been enhanced from 270 days to 450 days for pre-shipment and post-shipment export credit disbursed till March 31, 2026.

CREDIT FACILITIES

The RBI has allowed lenders

to liquidate packing credit facilities availed by exporters on or before August 31, 2025, where dispatch of goods could not take place, from any legitimate alternate sources, including domestic sale proceeds of such goods or substitution of contract with proceeds of another export order.

The time period for realisation and repatriation of full export value of goods/software/services exported from India has been extended from nine months to 15 months from the date of export from India.
