# Maharajganj, Kushinagar districts on high alert in UP

Express News Service  
Lucknow, August 27

MAHARAJGANJ AND Kushinagar districts in Uttar Pradesh remained on high alert on Thursday with officials monitoring the water level of rivers emanating from Himalayas, especially Gandak following Wednesday's devastating flash flood in neighbouring Nepal.

Three bodies, believed to have been swept downstream from Nepal, were recovered from Gandak in Maharajganj district on Thursday.

Officials have been directed to ensure that residents of vulnerable villages can be evacuated immediately if the situation deteriorates. Police stations and revenue department personnel have been deployed in riverine areas and equipped to begin rescue operations when required.

In Kushinagar, District Magistrate Mahendra Singh Tanwar and Superintendent of Police Keshav Kumar inspected vulnerable riverside villages and the Valmikinagar barrage.

The water discharge from the Valmikinagar Barrage on the Gandak River, which originates from the Kali and Trisuli rivers and is known as Narayani in Nepal until it enters India, peaked at around 1.5 lakh cusecs (cubic feet per second) on the intervening night of August 26 and 27, according to sources at the

*The UP government says its priority is to safely evacuate stranded Indian citizens from Nepal*

Central Water Commission (CWC). Since then, the discharge has receded steadily, falling to around 1.02 lakh cusecs by noon on Thursday and the current discharge remains well below the barrage's designed discharge capacity of 8.50 lakh cusecs, the sources said. Residents were advised to stay away from the river and low-lying areas and remain alert to official advisories.

Similarly, in Maharajganj, senior officials, including Additional DM Prashant Kumar, have been deployed in vulnerable riverine areas to monitor the water level and flow of the Gandak, Darjaniya, Tail Fall and other rivers and water channels receiving water from Nepal. The administration has also directed officials to use loudspeakers to alert residents in vulnerable villages. Drinking water, mobile toilets and other essentials are being arranged as a precaution.

The government said its priority was to safely evacuate stranded Indian citizens from Nepal and ensure that residents of vulnerable border villages have timely access to relief and

rescue assistance. Three bodies, including two women, were spotted by a rescue team of the Sashastra Seema Bal being carried by the strong current of the Gandak river in Maharajganj. The team used a motorboat to retrieve the bodies and sent them to the district headquarters mortuary, officials said. Their identities have not yet been established, and the administration is coordinating with Nepal authorities to trace their relatives.

SSB Inspector Arun Pandey said three bodies are believed to have been swept into the Gandak from Nepal. With the river flowing rapidly following heavy flooding in Nepal, officials said more bodies could potentially be carried downstream.

Meanwhile, administration and police officials are monitoring the Gandak, known as the Narayani in Nepal, as well as other rivers and water channels emanating from Nepal.

The UP government has deployed one SDRF platoon comprising 32 personnel, along with 22 personnel of the 26th Battalion of the Provincial Armed Constabulary (PAC) to Nepal to assist in relief and evacuation operations.

A dedicated helpline, 1070, has been activated for relatives seeking information or assistance regarding UP residents stranded in Nepal.

## Bihar CM conducts aerial survey along Gandak river

Patna: Bihar Chief Minister Samrat Choudhary on Thursday conducted an aerial survey of Bihar's northern border districts along the Gandak River basin, including Valmiki Nagar, Bagaha, Bettiah, and Motihari. The CM said ensuring the safety of communities in low-lying riparian zones and providing prompt relief remain the state's highest priority.

Choudhary held review meetings with local officials, instructing disaster management personnel and Water Resources Department (WRD) engineers to remain on high alert.

Local authorities in Bagaha reported that standard operating procedures (SOPs) were triggered early, with residents from vulnerable riverbanks safely relocated to higher ground and temporary shelters stocked with food and essential supplies. ENS

# 'We cannot just sit at home': Ranchi family wants to visit Nepal to find missing son

Shubham Tigga  
Ranchi, August 27

THE LAST 24 hours have been some of the worst the Ghosh family has been through. There's been no word on Ramprasad Ghosh since last evening, and with each passing hour, the Ghosh family's anxiety grows.

"It's been more than 24 hours. We have neither been able to speak to him nor received any information about him," Ramprasad's sister-in-law says anxiously.

The 41-year-old Ranchi man is one of 288 people missing after flash floods swept through parts of Nepal. The flash floods, triggered by an earthquake and an avalanche, have killed 359 people and left 1,500 people missing.

Of the 288 missing Indians, 73 — including Ramprasad — were working on the Trishuli One hydroelectric site when the

floods struck.

For the family, passing time brings more dread. "We spoke to him last on Tuesday," Ditya says. "There's been no contact

since."

Ramprasad had been working on the project since last year. Back home, the family — his 75-year-old father, Ranjit

Kumar Ghosh, his older brother and his brother's family — have been in touch with the Jharkhand migrant workers' cell and have also contacted the Indian Embassy.

Shikha Lakra, head of the migrant workers' control room, said there was no information yet on Ramprasad's whereabouts. "We have written to them [the Indian consular authorities in Nepal] seeking an update," she said. "He is the only one who's untraceable in Jharkhand. The department had spoken to his family."

The family, meanwhile, is now making plans to travel to Nepal.

"We cannot just sit at home. We will leave tomorrow and see what we can do there. We will go and find him," Ditya says, while his father, Ranjit Kumar Ghosh, adds: "Our only appeal is that he should be found as soon as possible and brought back home safely."

# S&P affirms India rating; outlook stable

SHUBHAM RANA  
New Delhi, August 27

**S&P GLOBAL** Ratings on Thursday affirmed its 'BBB' long-term sovereign credit rating on India, with the fast-growing economy and strong external balance sheet counter-balanced by the government's weak fiscal metrics, high debt stock and low per capita GDP.

High energy prices and challenging agricultural conditions will slow India's GDP growth this financial year, while the central government fiscal deficit is also likely to exceed the Budget target, the rating agency said.

Despite a potential fiscal slip-slide in FY27, S&P expects India to remain committed to fiscal consolidation while maintaining infrastructure investments.

Any erosion of commitment to reducing the fiscal deficit and public debt, or materially slower economic growth, could push India's ratings lower, S&P said. S&P may raise the ratings if fiscal deficits narrow meaningfully such that the net change in general government debt falls below 6% of GDP on a structural basis.

Another global ratings agency, Fitch, earlier this month kept India's sovereign rating at 'BBB-', citing robust growth amid weak fiscal metrics. S&P had upgraded India to 'BBB' from 'BBB-' last year, while Moody's Ratings has kept a 'Baa3' rating on the country since June 2020.

S&P also affirmed the 'A-2' short-term sovereign credit rating on India and kept the outlook on the long-term ratings stable.

"The stable outlook reflects our view that continued policy stability and high infrastructure investment will support India's long-term growth prospects," S&P said. "That, along with stable fiscal and monetary policies that moderate the government's elevated debt and interest burden, will underpin the rating over the next 24 months," the rating agency said.

S&P projects India's GDP growth to slow to 6.6% in the current financial year from 7.7% in FY26, S&P said.

However, solid consumer and public investment dynamics will propel GDP growth to average 7.0% over the next three financial years, S&P said. "These growth rates place India substantially above sovereign peers at similar income levels and should continue to underpin fiscal revenue increases," the rating agency said. S&P's growth

## RATING WATCH

■ FY27 GDP growth seen slowing to **6.6%**

■ High energy prices, weak agriculture to weigh on growth

■ Fiscal deficit may exceed Budget target

■ FY27 general government deficit seen at **7.3%** of GDP

■ Strong services, manufacturing to cushion farm weakness

■ CAD seen rising to **1.6%** of GDP in FY27

■ FY27 inflation forecast raised to **5.1%**

forecast for FY27 is a tad lower than the Reserve Bank of India's 6.7% projection. The Indian economy grew 7.8% in the January-March quarter, and April-June is seen at a four-quarter low of 7.2%, according to an FE poll.

Lower rainfall from El Niño and volatile input costs driven by the West Asia war will hurt India's rural economy, S&P said. But services, infrastructure investment and manufacturing will cushion the impact of weak monsoons, the agency said.

India will maintain its strong external position with modest current account deficits (CAD) over the next three years, S&P said.

The CAD is seen rising to 1.6% of GDP in FY27 but then slowly moderating to below 1% over the next three years.

## Weak fiscal metrics

India's fiscal settings have been the weakest part of its sovereign ratings profile, S&P said. The government has been lowering its fiscal deficit over the last few years, bringing it to 4.4% in FY26 from a high of 9.2% in the pandemic-hit year of FY21.

# Water storage rises as monsoon rains revive

SANDIP DAS  
New Delhi, August 27

## RESERVOIR STORAGE

**ACROSS** the country rose to about 68% of capacity on Thursday from over 64% a week ago, helped by a revival in monsoon rains.

However, the levels in all 166 major dams was 18% below year-ago levels and 3.74% below the 10-year average, according to the Central Water Commission's weekly bulletin.

Water levels in 47 major dams in southern India stood at 57.34% of combined capacity, marginally up from 56.22% a week ago. However, levels were over 28% below last year and

about 13% below the 10-year average.

Storage in 11 major dams in northern India was 30% below

last year and 14% below the 10-year average.

Lower storage in the northern and southern regions has

been attributed to deficient monsoon rainfall.

Overall monsoon rainfall was 13% below normal as of

Thursday. Central India, the rainfed monsoon core zone, was the only region with near-normal rainfall, at 2.1% below the benchmark.

Other regions recorded significant deficits: northwest India (-10.3%), east and north-east India (-2.7%) and south peninsular India (-22.4%).

Only 45, or 27%, of the 166 dams had more water than a year ago, while 82, or 50%, held more water than the 10-year average.

Storage in 53 major dams in the western region, covering Goa, Gujarat and Maharashtra, was above 80% of combined capacity, supported by adequate rainfall in central India.

# ACME Solar raises funds from IIFCL

**ACME SOLAR HOLDINGS** on Thursday said it has raised ₹1,571 crore project funding from India Infrastructure Finance Company (IIFCL) for setting up ACME Renewtech Sixth 300 MW assured peak power project in Rajasthan.

This project financing, secured at a competitive rate of interest, marks IIFCL's first sole greenfield finance to ACME, with IIFCL acting as the sole lender for the project with a repayment tenor of 19 years, a company statement said.

## PUBLIC ANNOUNCEMENT

## SEMBCORP GREEN INFRA LIMITED

Our Company was initially incorporated as a private limited company named "BP Energy India Private Limited" under the Companies Act, 1956, pursuant to a certificate of incorporation dated June 6, 2005, issued by the Assistant Registrar of Companies, Maharashtra at Mumbai. Considering the change in entire shareholding of our Company, the name of our Company was subsequently changed to "Green Infra Wind Energy Private Limited" pursuant to a resolution passed by our Board dated August 20, 2009 and our Shareholders dated August 24, 2009, further to which a fresh certificate of incorporation dated September 24, 2009, was issued by the Deputy Registrar of Companies, Maharashtra at Mumbai. Thereafter, considering that the Company was a subsidiary of a public limited company and therefore had to be treated as a deemed public limited company, our Company was converted into a public limited company in the interest of simplifying the corporate structure of our Company. Therefore, pursuant to a resolution passed by our Board dated January 20, 2010, and our Shareholders dated March 20, 2010, and a fresh certificate of incorporation dated June 18, 2010, issued by Registrar of Companies, Maharashtra at Mumbai, our name was changed to "Green Infra Wind Energy Limited". Our Company subsequently undertook the Reverse Merger (defined below). For details, see "History and Certain Corporate Matters- Details regarding material acquisitions or divestments of business/ undertakings, mergers, amalgamation, any revaluation of assets, etc. in the last 10 years- Scheme of amalgamation amongst our Company (erstwhile Green Infra Wind Energy Limited), Sembcorp Green Infra Limited ("Transferor Company") and their respective shareholders and creditors approved by National Company Law Tribunal, Chandigarh bench, Chandigarh, vide its order dated June 9, 2023, read with the final certified order dated June 15, 2023 ("Reverse Merger")" on page 294. Thereafter, considering, there was no public shareholding or public involvement in the management of the Company, the Board, after due deliberation, considered it appropriate to convert the Company into a private limited company to enable more efficient administrative and operational control. Subsequently, our Company converted into a private limited company pursuant to a resolution passed by our Board dated July 12, 2023, and our Shareholders dated July 28, 2023, further to which a fresh certificate of incorporation dated April 2, 2024, was issued by Registrar of Companies, Central Processing Centre, the name was changed to "Green Infra Wind Energy Private Limited". Our Company further changed its name to "Sembcorp Green Infra Private Limited" pursuant to the Reverse Merger, and a fresh certificate of incorporation dated May 31, 2024, was issued by Registrar of Companies, Central Processing Centre. Subsequently, upon conversion of our Company into a public limited company, the name of our Company was changed to "Sembcorp Green Infra Limited" pursuant to a resolution passed by our Board dated February 10, 2026 and by our Shareholders dated February 12, 2026, and a fresh certificate of incorporation dated February 20, 2026 was issued by Registrar of Companies, Central Processing Centre. For further details see "History and Certain Corporate Matters" and "History and Certain Corporate Matters - Changes in our Registered Office" on page 290 of the draft red herring prospectus dated August 26, 2026 ("DRHP").

Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis only to Mutual Funds and the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIB Bidders (other than Anchor Investors) including Mutual Funds, subject to valid Bids being received at or above the Issue Price. However, if the aggregate demand from Mutual Funds is less than 5% of the QIB Portion, the balance Equity Shares available for allocation in the Mutual Fund Portion will be added to the remaining QIB Portion for proportionate allocation to QIBs. Further, not less than 15% of the Issue shall be available for allocation to Non-Institutional Bidders out of which (a) one-third of such portion shall be reserved for applicants with application size of more than ₹0.20 million and up to ₹1.00 million; and (b) two-third of such portion shall be reserved for applicants with application size of more than ₹1.00 million, provided that the unsubscribed portion in either of such sub-categories may be allocated to applicants in the other sub-category of Non-Institutional Bidders and not less than 35% of the Issue shall be available for allocation to Retail Individual Bidders ("RIBs") in accordance with the SEBI ICDR Regulations ("Retail Portion"), subject to valid Bids being received from them at or above the Issue Price. Further, all potential Bidders (except Anchor Investors) are required to mandatorily utilize the Application Supported by Blocked Amount ("ASBA") process by providing details of their respective bank accounts (including UPI ID for UPI Bidders) (as defined hereinafter) in which the Bid amount will be blocked by the SCSBs or the Sponsor Banks, as applicable, to participate in the Issue. Anchor Investors are not permitted to participate in the Anchor Investor Portion of the Issue through the ASBA process. For details, see "Issue Procedure" beginning on page 597 of the DRHP.

This public announcement is being made in compliance with the provisions of Regulation 26(2) of the SEBI ICDR Regulations to inform the public that our Company is proposing, subject to applicable statutory and regulatory requirements, receipt of requisite approvals, market conditions and other considerations, to undertake an initial public offering of its Equity Shares pursuant to the Issue and has filed the DRHP and the Draft Abridged Prospectus with the SEBI and the Stock Exchanges on August 27, 2026. Pursuant to Regulation 26(1) of the SEBI ICDR Regulations, the DRHP filed with SEBI and the Stock Exchanges has been made available to the public for comments, if any, for a period of at least 21 days from the date of publication of public announcement by hosting it along with the Draft Abridged Prospectus on the website of the Company at <https://www.sembcorpindia.com>, website of the SEBI at [www.sebi.gov.in](http://www.sebi.gov.in), websites of the Stock Exchanges i.e., BSE and NSE at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com), respectively and the website of the BRLMs, i.e., Axis Capital Limited, Citigroup Global Markets India Private Limited, CLSA India Private Limited, HSBC Securities and Capital Markets (India) Private Limited, IIFCL Capital Services Limited (formerly known as IIFL Securities Limited) and Kotak Mahindra Capital Company Limited at [www.axiscapital.co.in](http://www.axiscapital.co.in), <https://www.citigroup.com/global/about-us/global-presence/india/disclaimer>, [www.clsa.com](http://www.clsa.com), [www.hsbc.co.in](http://www.hsbc.co.in), [www.icicisecurities.com](http://www.icicisecurities.com) and <https://investmentbank.kotak.com>, respectively. Our Company hereby invites the public to give their comments on the DRHP filed with SEBI and the Stock Exchanges with respect to disclosures made therein. The public is hereby requested to send a copy of their comments to SEBI, to the Company Secretary and Compliance Officer of our Company and/or the BRLM at their respective addresses mentioned herein in relation to the Issue. All comments must be received by SEBI, and/or our Company and/or the Company Secretary and Compliance Officer of our Company and/or the BRLM in relation to the Issue at their respective addresses mentioned herein on or before 5.00 p.m. on the 21<sup>st</sup> day from the date of publication of this public announcement.

Investments in equity and equity-related securities involve a degree of risk and Bidders should not invest any funds in the Issue unless they can afford to take the risk of losing their investment. Bidders are advised to read the risk factors carefully before taking an investment decision in the Issue. For taking an investment decision, Bidders must rely on their own examination of our Company and the Issue, including the risks involved. The Equity Shares in the Issue have neither been recommended, nor approved by the SEBI, nor does SEBI guarantee the accuracy or adequacy of the contents of the DRHP. Specific attention of the Bidders is invited to the "Risk Factors" beginning on page 24 of the DRHP.

Any decision to invest in the Equity Shares described in the DRHP may only be made after the RHP has been filed with the RoC and "Risk Factors" must be made solely on the basis of such RHP as there may be material changes in the RHP from the DRHP. The Equity Shares, when offered through the RHP, are proposed to be listed on the mainboard of Stock Exchanges.

‘SERIOUS CONCERN’

Rajasthan lawyers’ groups break silence on allegations against Acting Chief Justice

Hamza Khan  
Jaipur, August 27

“STRONGLY CONDEMNING any alleged misuse of position” and expressing “deep concern” at the recent allegations against the acting Chief Justice (CJ) of Rajasthan High Court Sanjeev Prakash Sharma, three lawyer associations in the state have demanded that the matter be addressed with “utmost seriousness”.

The Rajasthan High Court Bar Association, Jaipur; the Rajasthan High Court Lawyers’ Association, Jodhpur; and the Rajasthan High Court Advocates’ Association, Jodhpur, convened an emergency on-line meeting of their office bearers on Thursday, where they expressed “serious concern over the recent developments that have come to light through the media”.

Earlier this month, Justice Sandeep Mehta of the Supreme Court wrote three letters to Chief Justice of India (CJI)

Surya Kant, seeking the transfer of the acting CJ of Rajasthan and the appointment of a new CJ there.

Justice Mehta accused Justice Sharma of “misuse of powers” and said he had received “several complaints” which “raise doubts” on the Acting CJ’s “integrity”.

“The Chief Justice of the Supreme Court has requested an institutional investigation. Since this matter is extremely serious and concerns the institutional dignity and independence of the judiciary, the legal community views this entire development with deep concern,” the associations said in a joint statement.

“We strongly and unequivocally condemn any alleged misuse of any position or office within the judiciary... any incident or conduct that calls into question the impartiality, dignity, or credibility of the judiciary must be addressed with the utmost seriousness,” they said.

Earlier, in December 2025

and in April, the Rajasthan High Court Advocates’ Association, Jodhpur, had written to the CJI seeking a permanent Chief Justice for the HC.

In December, it had said that the relationship between the Bench and the Bar was deteriorating and that, “the absence of a permanent Chief Justice often leads to an administrative vacuum or, as witnessed currently, an overreach of acting powers.”

In April, they had requested the CJI to shift the acting CJ out of Rajasthan “so that harmony can be maintained between the Bar and the Bench.”

Meanwhile, both Jodhpur-based lawyers’ associations have requested the acting CJ to ensure that the judges’ strength at the principal seat in the city be suitably increased.

In their letter to the acting CJ, they said that it has been the consistent tradition, practice and institutional history that the strength in Jodhpur “has ordinarily remained higher than

that at the Jaipur Bench...”

They said that on several occasions, both associations have requested that the permanent sitting at Jodhpur be suitably increased, “keeping in view the enormous volume of litigation, mounting pendency and the continuing institutional responsibilities of the Principal Seat...”

Objecting to the nomination of two judges to Jaipur Bench despite their letters, they said, “It is, therefore, a matter of serious concern for the members of the Bar that, notwithstanding the repeated representations for strengthening the permanent sitting at Jodhpur, Hon’ble Mr. Justice Farzand Ali as well as Hon’ble Mr. Justice Arun Monga have recently been nominated to sit permanently at the Jaipur Bench until further orders.”

They said that such an arrangement “has caused considerable concern amongst the members of the Bar.

Delhi High Court quashes defamation case against former MP Pinaki Misra

Sohini Ghosh  
New Delhi, August 27

THE DELHI High Court Tuesday quashed criminal defamation proceedings against former Biju Janata Dal Lok Sabha MP and senior advocate Pinaki Misra, ruling that there was insufficient material to sustain the case.

The order, made public on Wednesday, was passed by Justice Swarana Kanta Sharma, who noted that continuing the criminal proceedings “would not advance the cause of justice

and would instead subject (Misra) to the rigours of a criminal trial in the absence of sufficient foundational material”.

The case arose from a complaint filed by advocate Siddhartha Singh, who had accused Misra of professional misconduct before the Bar Council of Delhi in August 2018, alleging that Misra took contradictory positions on e-waste rules—first before a parliamentary committee, and later, while representing power distribution companies at the National Green Tribunal. Misra denied the allegations

and, in response, called Singh a “crook” and “blackmailer”.

Singh subsequently filed two criminal complaints in 2019 before a magistrate court in Patiala House, seeking defamation proceedings against Misra over the remarks. The magistrate court summoned Misra to stand trial in both cases on April 20, 2019.

Justice Sharma noted that there is “no material on record, in the form of statement of any other person or otherwise, to prima facie demonstrate that the alleged imputation had the effect of lowering” Singh’s rep-

utation. The court further stated that during the pre-summoning evidentiary stage, Singh had examined only himself as a witness, and that a bare assertion of reputational harm did not meet the legal threshold required to initiate criminal defamation proceedings.

Singh’s case relied on an online report by Dailyhunt in which Misra was quoted calling him a “crook”. Misra denied giving any such interview and pointed to a letter he had written in March 2019 to the editor of *Odisha Post*, seeking a published clarification on the same grounds. The court also observed that the magistrate had not examined the publication or the reporter concerned—a step that could have established, at least prima facie, that Misra had actually made the statement. In its absence, the court found “no independent material” linking the remarks to Misra.

Modi to begin four-day visit to Uzbekistan and Kyrgyzstan tomorrow

Express News Service  
New Delhi, August 27

PRIME MINISTER Narendra Modi will go on a bilateral visit to Uzbekistan from August 29 to 30 and the Kyrgyz Republic for the 26th Shanghai Cooperation Organisation (SCO) Summit, to be held from August 31 to September 1.

Announcing the visit, the Ministry of External Affairs (MEA) said, “At the invitation of the President of Uzbekistan, Shavkat Mirziyoyev, Prime Minister will undertake a state visit to Tashkent on 29–30 August 2026. This will be the Prime Minister’s fourth visit to Uzbekistan.”

During the visit, the Prime Minister will hold delegation-level talks with President Mirziyoyev to further strengthen the strategic partnership between the two countries.

“The two leaders would review cooperation in trade and investment, defence, digital connectivity, energy, education and people-to-people domains and set the agenda for the road ahead. They will also share perspectives on advancing the shared developmental visions of Viksit Bharat 2047 and Uzbekistan-2030,” the MEA said.

Prime Minister Modi is also expected to visit the Shastri Memorial in Tashkent and the

Mahatma Gandhi Centre at Tashkent State University of Oriental Studies.

From Tashkent, MEA said, at the invitation of the President of Kyrgyz Republic, Sadyr Zhaparov, the Prime Minister will travel to Bishkek to participate in the 26th SCO Summit on August 31 – September 1.

The summit marks the 25th anniversary of the Shanghai Cooperation Organisation, of which India has been a full member since 2017. “The Prime Minister will address the summit where he will highlight India’s priorities of security, connectivity and opportunity at the forum,” it said.

Modi will also hold bilateral meetings with SCO leaders on the sidelines of the summit. In addition, he is also expected to attend the opening ceremony of the sixth World Nomad Games, a celebration of the cultural heritage of Central Asia.

G RAM G funds for JJM 2.0: Secys back ‘integrated planning’

Express News Service  
New Delhi, August 27

THE CENTRE has asked states to tap VB-G RAM G funds for drinking water source sustainability works under the Jal Jeevan Mission 2.0 by converging both schemes.

This was emphasised by two Central Secretaries — Ashok K K Meena, Secretary, Department of Drinking Water and Sanitation, Ministry of Jal Shakti, and Rohit Kansal, Secretary, Department of Rural Development — in a joint letter sent to Principal Secretaries and Commissioners in-charge

of VB-G RAM G in states.

In their letter, the secretaries stressed on integrated planning. “Drinking water source sustainability works under JJM 2.0, grey water management interventions and sanitation and Solid & Liquid Waste Management (SLWM) works under SBM(G) 2.0 shall be integrated into the Viksit Gram Panchayat Plans (VGPPs) under the appropriate thematic categories of the VB-G RAM G Act, ensuring that the implementations are guided by water budgeting, local resource assessment and water security plans,” read the joint letter.
