Dear Sir,

Script Code No: 509496 and NSE: ITD CEM

Re: intimation under Regulation 30 read with Schedule III of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

In terms of the provisions of Regulation 30 read with Schedule III (Part B) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you about an incident that has occurred in the ongoing underground construction of East-West Metro Corridor of Kolkata Metro Rail Corporation Limited which is undertaken by ITD – ITD Cem Joint Venture (JV) of which the Company is a JV partner.

The Tunnel Boring Machine (TBM) which is carrying out underground tunnelling hit a pocket of a sand aquifer (shallow ground water reserve) resulting in ingress of water mixed with soil mix and has entered the tunnel due to which TBM operation has been stopped temporarily. Further the water pressure and the flow pattern resulted in development of some cracks in some buildings in this vicinity.

Along with Kolkata Metro Rail Corporation Limited, the Company is making all out efforts for proper evacuation and safety of the people who have been reportedly affected in this vicinity.

Meanwhile, the Company has initiated necessary action to assess the situation and shall keep the Exchanges informed in the matter as and when the operation is restored.

Thanking you,

Yours faithfully,
For ITD Cementation India Limited

(RAHUL NEOGI)
