ITD Cementation wins INR 2,168 crore order for Dredging & Reclamation works for Container Terminal 4 at JNP, Mumbai

Mumbai, February 18, 2015: ITD Cementation India Limited (ITD Cementation), a leading civil engineering, contracting and construction organization providing integrated design, engineering, procurement and construction services, for over eight decades, for infrastructure development projects in India has announced that it has won an order of a value of **INR 2168 crores from the Concessionaire, M/s. Bharat Mumbai Container Terminals Private Limited, for Dredging & Reclamation Works on part of the Phase-1 Development of Fourth Container Terminal at JN Port.**

Bharat Mumbai Container Terminals Private Limited (BMCT), a wholly-owned subsidiary of PSA Bharat Investments Pte Ltd (which is a subsidiary of PSA International), signed the concession with Jawaharlal Nehru Port Trust (JNPT) to develop the JN Port's fourth container terminal on a design, build, operate, finance and transfer basis in Mumbai for a period of 30 years.

PSA will work along with JNPT to develop this very important terminal in India to cater to the increasing demand for container handling capacity and facilitate maritime trade in India.

Phase 1 of BMCT is expected to commence operations in early 2018.

Commitment, Reliability & Quality

ITD Cementation has been associated with JN Port since 1994. The first private participation project in port sector, NSICT Terminal (P&O) in the same location was constructed by ITD Cementation. Currently, the company is working with DP World for the Development of Nhava Sheva (India) Gateway Terminal under JNPT.

Commenting on the Order win, **Mr. Adun Saraban, Managing Director ITD Cementation** said, "This is a very prestigious order win for us and represents the single largest order win by the Company. It speaks volumes about the faith our customers have in our ability and competency in the area of niche civil engineering services. Our track record of eight decades showcases our involvement in all key infrastructure projects in the country's history. We pride ourselves for our involvement in executing projects of National importance and this Order further enhances our strong presence in Indian infrastructure growth.

In recent quarters, we have seen a significant buildup in the order backlog position and this recent order win takes us to an order backlog of over Rs. 6,800 crores as of February 18, 2015. Our efforts to rationalize our order book in order to focus on remunerative and value accretive projects are bearing fruit. We are confident of delivering an improved operating performance going forward on the back of the sustained growth momentum being delivered by our core businesses."
