Akhilesh, uncle Shivpal form alliance ahead of UP elections

Pankaj Jaiswal
letters@hindustantimes.com

LUCKNOW: A five-year-old feud within Uttar Pradesh's influential Yadav family finally ended on Thursday with Samajwadi Party chief Akhilesh Yadav announcing an alliance with his estranged uncle Shivpal Yadav for the upcoming state polls.

Shivpal Yadav and Akhilesh Yadav

ing the meeting, I had a long discussion with him over the strategy of contesting the forthcoming assembly elections 2022 together," he said.

This is the sixth alliance forged by the SP, which is aiming to dislodge the Bharatiya Janata Party from power in Uttar Pradesh in elections scheduled early next year. On November 3, Akhilesh had hinted about an alliance with PSP-L at his ancestral village Saifai in Etawah district of UP. Shivpal, the younger brother of Akhilesh's father and SP founder Mulayam Singh Yadav, was considered a top

leader of the SP and served as a senior minister when Akhilesh was chief minister between 2012 and 2017.

But the two leaders had a bitter fallout over control of the party before the 2017 assembly elections. Beginning August 2016, both leaders hurled verbal barbs at each other for months, eventually leading to more disension in the party and its poor performance in the 2017 assembly elections, when it was routed from everywhere except its pocket boroughs in central UP.

Shivpal floated the PSP-L before the 2019 Lok Sabha elections. He contested against SP candidate and then sitting MP Akshay Yadav from Firozabad. However, both lost as the BJP wrested the seat from the SP. Shivpal has had limited electoral success but continues to wield influence in districts like Etawah, Mainpuri, Ferozabad, Agra and Mathura.

On Thursday, as the two leaders came together, hundreds of supporters of both parties gathered outside Shivpal's residence, raising the slogan "chacha bhatija zindabad (long live the uncle and nephew)".

"This is a happy and positive political development. This will strengthen the anti-BJP forces and consolidate the Lohiawadi and socialist movement in the country. Shivpalji had always been trying for this alliance for removal of the BJP," said Deepak Mishra, a PSP-L leader.

Samajwadi Party state spokesperson Rajendra Chaudhary said "Akhilesh Yadav ji is allying with small, regional parties. And SP will form the next government".

INDIAN CULTURE WON'T SURVIVE IF CONVERSIONS NOT STOPPED: K'TAKA MINISTER

Sharan Poovanna
letters@hindustantimes.com

BELAGAVI: Karnataka home minister Araga Jnanendra on Thursday defended the state government's proposed anti-conversion bill, stating that religious conversion was a big social challenge and the Indian culture won't survive if it is not stopped.

Under the bill, which the state government is likely to table during the ongoing assembly session, any person who wishes to convert has to submit an application to the deputy commissioner, who will inquire if the conversion is by force, the minister said. "Conversion is a big social challenge... If we don't stop these conversions, Indian culture and core religions will not survive. We are being asked to bring this bill by members of society since it (the issue) has reached such alarming levels," he told HT.

The proposed bill has triggered a row, with Christian groups stating that it might hurt the religious harmony in Karnataka. CM Basavaraj Bommai earlier in the week maintained that the bill is to prevent religious conversions by inducements.

India's Central Asia meet to focus on Afghan issue

Rezaul H Laskar
letters@hindustantimes.com

NEW DELHI: The situation in Afghanistan and regional connectivity will be in focus when external affairs minister S Jaishankar meets his counterparts from five Central Asian states for the third India-Central Asia Dialogue in New Delhi on December 19. India is hosting the three-day dialogue for which the foreign ministers of Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan and Uzbekistan will be visiting the country. Tajikistan foreign minister Sirojiddin Muhriddin will also be on an official bilateral visit from December 18 to 20 at the invitation of Jaishankar.

New Delhi is looking at the possibility of having the leaders of the Central Asian states as the chief guests at next year's Republic Day celebrations.

The India-Central Asia Dialogue will see the foreign ministers discuss ways to strengthen relations, with the focus on trade, connectivity and developmental cooperation, external affairs ministry spokesperson Arindam Bagchi told a regular media briefing. "India considers

S Jaishankar

The Indian government has focused on bolstering its ties with the Central Asian states by capitalising on the relations of both sides with Russia. In 2015, Prime Minister Narendra Modi became the first Indian premier to have visited all five Central Asian states in a single trip.

The outreach towards Central Asia is seen as a counter to China's creeping influence. The Taliban takeover of Kabul and shared concerns about the spillover of terrorism and instability from Afghanistan have emerged as a shared concern and the national security chiefs of all five Central Asian states attended a regional security conference on Afghanistan hosted by India last month.

Jaishankar visited Kazakhstan, Kyrgyzstan, Tajikistan and Uzbekistan this year, and also held a meeting with his Turkmenistan counterpart.

The dialogue is "symbolic of the interest on the part of all member countries for greater engagement...in a spirit of friendship, trust and mutual understanding", Bagchi said. The five Central Asian foreign ministers will make a joint courtesy call on Modi.

No deaths due to O2 shortage during second wave: UP govt in assembly

HT Correspondent
letters@hindustantimes.com

LUCKNOW: The Uttar Pradesh government on Thursday told the legislative council (Vidhan Parishad) that no deaths due to the lack of oxygen were reported in the state during the second wave of the Covid-19 pandemic between April and May this year.

It added that the death certificates of more than 20,000 people who succumbed to the virus made no mention of "death due to lack of oxygen".

"The state did not report any death due to lack of oxygen," health minister Jai Pratap Singh said in response to a query by

Jai Pratap Singh

Congress Member of Legislative Council (MLC) Deepak Singh, during the Question Hour.

The MLC had sought the government's response on alleged claims by ministers that Covid-19 patients were dying due to lack of oxygen in the state.

"Many ministers wrote letters saying deaths are taking place due to lack of oxygen in the state. Several MPs had also made such complaints. Many incidents of deaths due to lack of oxygen had come to light. Is there any information with the government about these deaths in the entire state? Did the government not see the bodies floating in the Ganga and people suffering due to lack of oxygen?" he asked.

Rejecting the government's claims, Samajwadi Party MLC and state spokesperson Rajendra Chaudhary said: "Barring the government, all know the truth behind Covid deaths. This government is unaware."

ENCROACHMENT ON GOVT LAND

All major cities turning into slums: SC

Abraham Thomas
letters@hindustantimes.com

NEW DELHI: Encroachment on government land is a sad story going on in the country for 75 years, said the Supreme Court on Thursday as it directed the demolition of nearly 1,200 slum units in Gujarat and Haryana and directed the Indian Railways, state governments and concerned municipal authorities to equally bear the cost of compensating the affected residents for a period of six months till those eligible under existing government

schemes are provided with alternative housing.

The slums situated in Surat and Faridabad were located on railways land; in the case of the Surat slum, the demolition was necessitated by the Surat-Udhna-Jalgaon railway line project, sanctioned in 2018.

The cases wound their way

up to the Supreme Court, which clubbed them since both concerned railway land.

Ruing the fact that encroachment of public land is preventing planned development of cities at the expense of taxpayer money, a bench of justices AM Khanwilkar, Dinesh Maheshwari and CT Ravikumar said, "This is a sad story going on in the country for 75 years and it is ultimately the taxpayers' money that goes down the drain."

The court added: "It is time that local authorities get activated...All our major cities are

turning into slums. If you (corporations) do not allow encroachments to happen, there will be planned development everywhere."

While the Court said that the primary responsibility to prevent encroachment and protect government land is that of the local authority, it also apportioned the liability equally upon railways (owner of land in question) and the states. Together, the three will have to pay a solatium of ₹2000 per month to each of the households affected by the demolition for the next six months.

House report on data bill tabled, Oppn flags concern

Deeksha Bhardwaj
letters@hindustantimes.com

NEW DELHI: The report of the joint parliamentary committee studying the proposed data protection law was tabled in both houses of parliament on Thursday, after almost two years of deliberations, but continued to cause concern among civil society members and opposition leaders that the proposals will be inadequate in protecting individual privacy and give the state far-reaching powers.

Rajya Sabha proceedings underway during the winter session of Parliament, in New Delhi on Thursday. PTI

The report carries several suggestions that in effect give the government a wider berth on obligations and private companies a stricter guardrail to follow, as reported by HT on November 23, while also suggesting new mechanisms to regulate social media companies. Among some of the new proposals is a plan to "age-gate" content and access to digital services for children, requiring companies to appoint guardians of data and needing those that deal primarily with services for children to register themselves with the government. The report will likely be slated for a discussion, following which the government will

re-introduce the bill — the recommendations are not binding. The JPC was set up in 2019 after parliamentarians were divided over several provisions of the personal data protection bill, which was meant to put a legal shape to the Right to Privacy that was made a fundamental right by the Supreme Court in 2017. The law will cover the rights people will have over their data and obligations for those that deal with such data, which will impact the industry at large. Seven of the 30 members in

the committee submitted dissent notes, saying the proposals give "unbridled power" to the government while creating a differentiating in the obligations of private and government entities. According to an industry expert who asked not to be named, the recommendation around age-gating will only act as a deterrent. "Children use social media platforms for a lot of different, including to access educational material," the person said. "This has been a concern that has been highlighted

to the committee."

Experts said the committee did not address the significant concerns that arose with the bill that was introduced in 2019.

"The committee has not done enough to tighten restrictions on the government. The committee has added "reasonable and necessary" to Clause 35, but it is no safeguard and can be easily circumvented. The committee should have recommended the deletion of this clause in entirety," said Ramanjit Singh Chima, Asia-Pacific policy director at Access Now, a global tech policy think tank. "The exemptions provided are exemplary as compared to data laws internationally. There seems to also be a degree to which industry lobbying has worked, they have diluted the penalty, which is remarkable since even the Competition Commission of India says a percentage of the global turnover has to be paid. Even the [European Union Law] GDPR has such provisions," he added.

Chima also said the panel's proposal to treat social media companies as publishers and determine their liability "is a first for any data protection law".

SUGGESTIONS ON COVID STRATEGY NOT IMPLEMENTED, SAYS HOUSE PANEL

Malavika Murali
letters@hindustantimes.com

NEW DELHI: The parliamentary committee on home affairs on Thursday expressed concern over the not-implementation of 15 recommendations it had made on Covid strategy in its previous report.

"The Committee expresses its concern over the non-implementation of 15 of its recommendations contained in Chapter-III and desires the ministry should take necessary action and furnish convincing replies... within a time frame of three months after presentation of the report," the panel said in its report.

The committee, headed by Congress leader Anand Sharma, said it had suggested the government should draw up a national plan under National Disaster Management Authority (NDMA) Act, 2005 and Epidemic Diseases Act, 1897 for quick response to such a crisis. "The Committee notes that NDMA had prepared the National Disaster Management Plan (NDMP) in May, 2016 which was revised in November, 2019, i.e. before the onset of Covid-19 pandemic in India. The committee recommends the NDMA may revise NDMP to include the lessons learned and experience gained in the management of Covid-19."

Govt may table bill to raise women's marriage age to 21

HT Correspondent
htreporters@hindustantimes.com

NEW DELHI: The Union government is planning to bring a bill to increase the minimum legal age of marriage for women from 18 to 21, people familiar with developments said, underlining a far-reaching decision that will require modification in faith-based personal laws dealing with marriage and inheritance.

The Union Cabinet cleared the proposal in its meeting on Wednesday and the government plans to bring the bill — which will bring the minimum age of marriage for women at par with that of men — in the ongoing winter session of Parliament, said the people quoted above.

At present, the legal age of women to get married is 18 while that of men is 21. The decision is based on the recommendation of a task force led by former Samata Party chief Jaya Jaitley. "If we talk about gender equity and gender empowerment in every field, we cannot leave marriage out because this is a very odd message that a girl can be fit to be married at 18 that cuts away her opportunity to go to college, and

THE CABINET HAS CLEARED THE PROPOSAL TO INCREASE THE LEGAL AGE OF MARRIAGE FOR WOMEN TO 21 YRS

the man has the opportunity to prepare himself for life and earning up to 21 years," said Jaitley.

Jaitley said the task force submitted its recommendations to the Prime Minister's Office, the Union ministry of women and child development and NITI Aayog last December. The other members in the panel were V K Paul, member (health) NITI Aayog; the secretaries of the higher education, school education, health, women and child development, legislative departments apart from academicians Najma Akhtar, Vasudha Kamat and Dipti Shah.

The government may amend the 2006 Prohibition of Child Marriage Act to enact the watershed reform, said the people quoted in the first instance. The decision comes a year after Prime Minister Narendra Modi said the Centre

was deliberating on what the minimum age for marriage of women should be.

If passed by Parliament, the amended minimum age for women will require amendments in a raft of laws, including the 1954 Special Marriage Act, the 1955 Hindu Marriage Act, the 1872 Indian Christian Marriage Act, the 1936 Parsi Marriage and Divorce Act, among others. Also laws on inheritance, maintenance and divorce might need to be amended too. Jaitley said the panel conducted assessment calls with young people and found almost everyone agreed. "We should give the girl an opportunity to earn and be equal to a man and she cannot become equal at 18 years when man has 21 years to do that."

Some experts, however, cautioned that the move might backfire as it didn't address the underlying causes of early marriages and ignored existing socio-economic differences.

"No one is in disagreement that women should not be married early... We need to make investments in educating both girls and boys so that they themselves don't get married early," said Bharti Ali, director of HAQ, Centre for Child Rights, a child rights NGO.

Govt drops 4 clauses from draft power bill

Sweta Goswami
letters@hindustantimes.com

NEW DELHI: The Union government has dropped at least four major clauses from the draft Electricity (amendment) Bill, 2021 after receiving objections from various stakeholders, including the farmers, state-owned distribution companies and power utility staff associations, according to senior officials in the power ministry.

The Centre has dropped the clause of direct benefit transfer (DBT) on power subsidies from the proposed bill besides dropping the provision of creating a new "Electricity Contract Enforce-

ment Authority" that was supposed to adjudicate on contracts, senior ministry officials told HT, on condition of anonymity.

These changes will soon be tabled before the Union Cabinet for approval, they said. The bill, senior officials told HT, is unlikely to be tabled in the ongoing session of Parliament. This is because according to the agreement between Samyukt Kisan Morcha (SKM), one of the key farmer unions that protested against the now repealed farm laws for over a year, and the Centre, the government will now discuss the Electricity (Amendment) Bill 2021 with farmers before it is tabled in Parliament.

NAIDU URGES MPs, MLAs TO HELP IN FIGHT AGAINST TB

NEW DELHI: Vice President Venkaiah Naidu on Thursday called on members of parliament and legislative assemblies and gram pradhans to conduct regular review meetings at district and sub-district levels to ensure a gender-sensitive approach to tuberculosis eradication.

"As elected representatives, you too are responsible for fulfilling this mission of 'TB Mukta Bharat' by 2025. I encourage MPs, MLAs and gram pradhans to take regular district and sub-district level reviews to ensure a gender-sensitive approach to TB eradication," he said. HT

Biological diversity bill tabled amid Oppn protest

Neeraj Chauhan
letters@hindustantimes.com

NEW DELHI: The Central Bureau of Investigation (CBI) has filed a charge sheet against retired judge of the Allahabad high court justice Narayan Shukla and others in its judicial corruption probe involving Lucknow-based Prasad Institute of Medical Sciences, people familiar with the development said on Thursday.

The charge sheet was filed earlier this week in the court of special judge Anil Kumar Sisodia at Rouse Avenue Court in Delhi under Prevention of Corruption Act and criminal conspiracy charges. The court listed the matter for December 20. As first reported by HT on November 12, the central agency sought prosecution sanction

medicine practitioners, seed sector, and industry and research sector over compliance burden in the Biological Diversity Act 2002, which was enacted for conservation of biological diversity and ensure fair and equitable sharing of the benefits arising out of the use of biological resources with indigenous and local communities. As per the bill, these sectors urged the Centre to "reduce compliance burden to encourage collaborative research and investments, simplify patent application process, widen the scope of levying access and benefit sharing with local communities and for conservation of biological resources".

CBI files charge sheet on retired Allahabad HC judge in graft case

Justice Shukla is accused of taking a bribe for passing an order that favoured a Lucknow-based medical college

ing a bribe for passing an order that favoured the Lucknow-based medical college, which was disbarred in May 2017 from admitting students by the Medical Council of India (MCI), the country's medical education regulator. He was under investigation for criminal conspiracy, sections of the Prevention of Corruption Act which deal with accepting bribes, and criminal misconduct along with retired Orissa high court judge IM Qudusli, Bhagwan Prasad Yadav, and Palash Yadav of Prasad Education Trust, an intermediary. Bhawana Pandey and another alleged middleman Sudhir Giri. In all, two first information reports (FIRs) were filed in the Prasad Education Trust matter — first in September 2017 naming Qudusli and the middleman and another in December 2019.

against Shukla upon completing its investigation. The government accorded the sanction in November last week, enabling the CBI to submit the charge sheet in court. Officials who didn't want to be named said they presented "sufficient evidence" against Shukla and others in the final report (charge sheet). डॉलर के मुकाबले रुपया टूटने से आयात महंगा हो जाएगा • विदेशी निवेशक बाजार से निकाल सकते हैं अपना निवेश

फेड के फैसले से टूटेगा रुपया, बिगड़ेगा बजट

अनुमान

नई दिल्ली | हिन्दुस्तान ब्यूरो

अमेरिकी फेडरल रिजर्व के 2022 में तीन बार ब्याज दरों में बढ़ोतरी के ऐलान के बाद रुपये पर और दबाव बढ़ सकता है। भारतीय रुपया गुरुवार को एक अमेरिकी डॉलर के मुकाबले 76 के पार निकल गया। यह रुपये का 20 महीने का निचला स्तर है। करंसी के जानकारों का कहना है कि आने वाले दिनों में फेड के फैसले से रुपया और टूटेगा जो सरकार से लेकर आम आदमी के बजट को बिगाड़ने का काम कर सकता है।

इंडिया इफोलाइन सिक्वोरिटीज के वाइस प्रेसिडेंट (कमोडिटी एंड करंसी) अनुज गुप्ता ने हिन्दुस्तान को बताया कि अमेरिकी अर्थव्यवस्था और उसके निवेशक दुनियाभर में बाजारों में पैसा लगाते हैं। इसलिए वहां ब्याज दरें बढ़ी तो दुनियाभर में फैले अमेरिकी निवेशक अपना पैसा निकालकर अमेरिका में मिलने वाले नए अवसरों में निवेश कर सकते हैं। इससे भारत समेत दुनिया भर के बाजारों में गिरावट देखने को मिल सकती है।

लेकर अभी दिसंबर तक देखने को मिला है। ये रुपये पर दबाव बढ़ाने का काम करेगा। ऐसे में रुपया जनवरी तक डॉलर 77 के पार जा सकता है। हालांकि, उसके बाद इसमें सुधार देखने को मिल सकता है। आरबीआई के पास विदेशी मुद्रा का अच्छा भंडार है। रुपया टूटने से आयात महंगा हो जाएगा जो चालू खाते के घाटे को बढ़ाने का काम करेगा। इसे रोकने के लिए आरबीआई कदम उठा सकता है।

भारत समेत पूरी दुनिया पर होगा असर : फेड के ब्याज दरें बढ़ाने का मतलब है कि निवेशक अपना निवेश शेयर बाजार या दूसरे जोखिम वाले विकल्पों से निकालकर सुरक्षित समझे जाने वाले विकल्प यानी बैंकों में डालना शुरू कर सकते हैं। अमेरिका दुनिया की सबसे बड़ी अर्थव्यवस्था है और उसके निवेशक दुनियाभर में पैसा लगाते हैं। इसलिए वहां ब्याज दरें बढ़ी तो दुनियाभर में फैले अमेरिकी निवेशक अपना पैसा निकालकर अमेरिका में मिलने वाले नए अवसरों में निवेश कर सकते हैं। इससे भारत समेत दुनिया भर के बाजारों में गिरावट देखने को मिल सकती है।

77 के स्तर को छू सकता है रुपया अमेरिकी डॉलर के मुकाबले आने वाले दिनों में

2022 में फेड ने 25 बेसिस प्वाइंट की तीन बढ़ोतरी का ऐलान

76.09 पर 23 पैसे की बढ़त के साथ बढ़ हुआ आज रुपया

रुपये में क्यों गिरावट बढ़ी

- डॉलर की मजबूती और मांग बढ़ी विदेशी निवेशक पैसा निकाल रहे हैं।
- इससे डॉलर की मांग बढ़ रही है।
- कोरोना के बाद अमेरिकी बाजार में बढ़त रिटर्न
- कच्चे तेल का महंगा होने का असर भी रुपया पर
- ओमीक्रोन के बढ़ते मामलों भी रुपये की कमजोरी के लिए जिम्मेदार
- चालू खाते के बढ़ते घाटे ने भी रुपये में कमजोरी लाने का काम किया है

रुपया कमजोर होने का क्या असर

- कच्चे तेल का आयात करना महंगा होगा जो पेट्रोल और डीजल के दाम बढ़ाएगा
- भारतीय नागरिकों को पहले के मुकाबले विदेश यात्रा पर ज्यादा खर्च करना होगा
- विदेश में बच्चों को पढ़ाना महंगा होगा, साथ ही वहां रहने का खर्च भी बढ़ेगा
- भारत में बड़े पैमाने पर सोने का आयात होता है, घरेलू बाजार में सोने के दाम बढ़ेंगे
- कम्यूटर, मोबाइल और दूसरे आयात किए हुए सामान महंगे होंगे

रुपये की कमजोरी के हैं फायदे भी

रुपये के कमजोर होने से सिर्फ नुकसान ही नहीं, बल्कि कुछ फायदे भी हैं। कमजोर रुपया देश से सामान या सेवाओं का निर्यात करने का अनुमान है। फायदेमंद होता है। भारत से कल पुर्ज, चाय, कॉफी, चावल, मसाले, समुद्री उत्पाद, मीट जैसे उत्पादों का निर्यात होता है और रुपया कमजोर होने से इन सभी के निर्यातकों को फायदा होगा।

सोना आयात छह साल के शिखर पर

भारत में सोने का आयात छह साल के उच्चतम स्तर पर पहुंचा गया है। नवंबर के मध्य से लगभग 25 लाख शार्डियों का समारोह होने का अनुमान है। इसने सोने की मांग बढ़ाने का काम किया है। इस साल सोने का आयात 900 टन तक जा सकता है, जो छह साल में सबसे ज्यादा है। यह पिछले साल से लगभग 350 टन अधिक है।

डॉलर के मुकाबले रुपया 23 पैसे बढ़ा

अंतरबैंक विदेशी मुद्रा विनिमय बाजार में अमेरिकी मुद्रा के मुकाबले रुपया गुरुवार को 23 पैसे की तेजी के साथ 76.09 (अस्थायी) प्रति डॉलर पर बढ़ हुआ। अमेरिकी फेडरल रिजर्व के बांड खरीद कार्यक्रम को तेजी से समाप्त करने की घोषणा के बाद रुपये में तेजी आई है। अंतरबैंक विदेशी मुद्रा विनिमय बाजार में रुपया 76.31 पर खुला।

वैश्विक बाजारों के रुख से आई तेजी

मुंबई | एजेंसी

बीएसई सेंसेक्स बृहस्पतिवार को 113 अंक की बढ़त के साथ बंद हुआ। वैश्विक बाजारों में सकारात्मक रुख के बीच सूचकांक में मजबूत हिस्सेदारी रखने वाली इन्फोसिस, रिलायंस इंडस्ट्रीज और बजाज फाइनेंस में तेजी के साथ बाजार में मजबूती आयी। सेंसेक्स 113.11 अंक यानी 0.20 प्रतिशत की तेजी के साथ 57,901.14 अंक पर बंद हुआ। इसी प्रकार, नेशनल स्टॉक एक्सचेंज का निपटी 27 अंक चढ़कर 17,248.40 अंक पर बंद हुआ।

सेंसेक्स के शेयरों में करीब तीन प्रतिशत की बढ़त के साथ सर्वाधिक लाभ में बजाज फाइनेंस रही। इसके अलावा, इन्फोसिस, टाइटन, रिलायंस

रुझान

- इन्फोसिस, रिलायंस इंडस्ट्रीज और बजाज फाइनेंस में तेजी
- मारुति, बजाज ऑटो और सन फार्मा में गिरावट रही

इंडस्ट्रीज और एचसीएल टेक में भी तेजी रही। दूसरी तरफ, मारुति, बजाज ऑटो और सन फार्मा में गिरावट रही। आनंद राठी कंपनी के इक्विटी शोध प्रमुख (बुनियादी) नरेंद्र सोलंकी ने कहा, एशिया के अन्य बाजारों में सकारात्मक रुख के साथ घरेलू बाजार तेजी के साथ खुला। वैश्विक निवेशक पहले से ही अमेरिकी फेडरल रिजर्व के निर्णय की अपेक्षा कर रहे थे। अमेरिकी फेडरल रिजर्व ने बुधवार को कहा कि वह तेजी से बांड खरीद

कार्यक्रम को समेटेगा और 2022 में नीतिगत दर में तीन वृद्धि तथा उसके अगले दो साल में दो-दो बढ़ोतरी की जाएगी।

हालांकि विदेशी संस्थागत निवेशकों की बिकवाली जारी रहने से कारोबारी धारणा प्रभावित हुई। इससे तेजी पर अंकुश लगा। एशिया के अन्य बाजारों में चीन में शेअरों की कंपोजिट सूचकांक, हांगकांग का हैंगसेंग, जापान का निक्की और दक्षिण कोरिया का स्पी लाभ में रहे।

सोने में 209 रुपये की बढ़त, चांदी भी मजबूत

नई दिल्ली | एजेंसी

वैश्विक बाजारों में बहुमूल्य धातुओं की कीमतों में तेजी के रुख के बीच राष्ट्रीय राजधानी के सराफा बाजार में गुरुवार को सोना 209 रुपये के लाभ के साथ 47,405 रुपये प्रति 10 ग्राम पर बंद हुआ।

चांदी की कीमत भी 617 रुपये की तेजी के साथ 60,179 रुपये प्रति किलो पर बंद हुई। पिछले कारोबारी सत्र में यह 59,562 रुपये प्रति किलोग्राम पर बंद हुई थी। एचडीएफसी सिक्वोरिटीज के मुताबिक अंतरराष्ट्रीय बाजार में सोना लाभ के साथ 1,785 डॉलर

सराफा

- सोना 47,405 रुपये प्रति 10 ग्राम पर बंद हुआ
- चांदी 60,179 रुपये प्रति किलो पर पहुंची

प्रति औंस हो गया, जबकि चांदी 22.16 डॉलर प्रति औंस पर लगभग अपरिवर्तित रही।

एचडीएफसी सिक्वोरिटीज के वरिष्ठ विश्लेषक (जिस) तपन पटेल ने कहा, कमिक्स में हाजिर सोने की कीमत आधा प्रतिशत की तेजी के साथ 1,785 डॉलर प्रति औंस हो गई।

भारतीय कंपनियों में दोगुना निवेश

नई दिल्ली। निजी इक्विटी और उद्यम पूंजी कोष ने नवंबर में 102 सौदों में 6.8 अरब डॉलर का निवेश किया जो महामारी से प्रभावित एक साल पहले की समान अवधि की तुलना में दोगुना है। हालांकि इससे पिछले महीने अक्टूबर का तुलना में आधा है।

क्रिप्टोकॉरसी का निमयन जरूरी

नई दिल्ली। अंतरराष्ट्रीय मुद्रा कोष (आईएमएफ) की मुख्य अर्थशास्त्री गीता गोपीनाथ ने क्रिप्टोकॉरसी को विनियमित करने पर जोर देते हुए कहा कि उन पर प्रतिबंध लगाना हमेशा चुनौतीपूर्ण होगा, क्योंकि वे विदेशी बाजारों से संचालित होते हैं। गोपीनाथ ने क्रिप्टोकॉरसी को विनियमित करने के लिए एक वैश्विक नीति और समन्वित कार्रवाई का भी सुझाव दिया। उन्होंने बुधवार को आर्थिक शोध संस्थान नेशनल काउंसिल ऑफ एक्साइट इकोनॉमिक रिसर्च (एनसीईआर) द्वारा आयोजित एक कार्यक्रम को संबोधित करते हुए कहा, मुझे लगता है कि उभरते बाजारों के लिए क्रिप्टोकॉरसी खासतौर से एक चुनौती है।

कर्ज के नाम पर धोखाधड़ी से बचें

नई दिल्ली | विशेष संवाददाता

केंद्र सरकार ने लोगों को आगाह किया है कि कर्ज के नाम पर फर्जीवाड़ा करने वाले प्लेटफॉर्म से सावधान रहें। गृह मंत्रालय की तरफ से चलाए जा रहे जागरूकता टिवटर्न हैडल साइबर दोस्त की तरफ से इस बारे में ट्वीट कर जानकारी दी गई है। ट्वीट में साफ कहा गया है कि बाजार में मौजूद कर्ज देने वाले फर्जी एप्लीकेशंस से बच कर रहने की जरूरत है। ऐसे कोई भी एप्लीकेशन बिना पूरी पड़ताल के न तो मोबाइल में इंस्टॉल करने चाहिए और न ही उनसे जुड़े लिंक खोलने चाहिए। सरकार की तरफ से कहा गया है कि ऐसी सभी कर्ज देने वाली कंपनियों के बारे में रिजर्व बैंक की वेबसाइट से पड़ताल कर लेनी चाहिए।

कम सिबिल स्कोर और सस्ते ब्याज का झांसा खतरनाक

विशेषज्ञों के मुताबिक देश में फर्जीवाड़ा करने वाले तमाम संगठन सक्रिय हैं। वे लोगों को कम सिबिल स्कोर और सस्ते ब्याज दरों पर कर्ज देने के लालच वाले लिंक भेजते हैं और उन्हें फर्जी वेबसाइट पर अपने दस्तावेज अपलोड करने को कहते हैं। एक बार दस्तावेज अपलोड हो जाने के बाद उनका गलत इस्तेमाल किए जाने की आशंका है। सरकार ने इसी हफ्ते बताया है कि देश में 600 के करीब अवैध कर्ज देने वाले ऐप चल रहे हैं।

आरबीआई की वेबसाइट पर सभी कंपनियों की जानकारी होती है। ऐसे में जरूरी है कि कर्ज से जुड़े कोई भी दस्तावेज जमा करने से पहले उनकी प्रामाणिकता सत्यापित कर ली जाए। रिजर्व बैंक ने पहले भी कई कर्ज देने

नई दिल्ली | एजेंसी

महंगाई को मात देने वाला बॉन्ड लाएगा आरबीआई

नई दिल्ली | हिन्दुस्तान ब्यूरो

भारतीय रिजर्व बैंक (आरबीआई) महंगाई को मात देने वाला 'इनफ्लेशन इंडेक्स बॉन्ड' ला सकता है, जिसमें निवेशक महंगाई दर की तुलना में ज्यादा रिटर्न प्राप्त कर सकेंगे। बैंकिंग सूत्रों ने यह जानकारी दी है। सूत्रों से मिली जानकारी के मुताबिक, आरबीआई ने बैंकों और वित्तीय संस्थानों से इस तरह की बॉन्ड की स्वीकार्यता और मांग पता लगाने को कहा है। इसके बाद बॉन्ड को लाया जा सकता है।

क्या है इनफ्लेशन बॉन्ड
महंगाई दर के मुकाबले अगर किसी निवेश माध्यम में ज्यादा रिटर्न मिले, तो उस बॉन्ड में हर कोई निवेश करना चाहेगा। इनफ्लेशन इंडेक्स बॉन्ड इसी अवधारणा पर आधारित होगा। यानी, महंगाई दर यदि छह फीसदी पहुंच जाती है तो यह बॉन्ड निवेशकों महंगाई दर की तुलना में ज्यादा रिटर्न देगा। आरबीआई खुदरा और थोक महंगाई आधारित बॉन्ड ला सकता है। इससे महंगाई से मुकाबला करने में मदद मिलेगी।
