SUB.: **Reason for Delay in Submission of Financial Results**

Sir/Madam,

With reference to your email regarding non-submission of prior intimation of the Board Meeting and delay in submission of financial results for the quarter and half year ended September 30, 2026, we wish to submit the following clarification for your kind consideration.

At the outset, we would like to clarify that October 30, 2026, was the date on which the equity shares of the Company were listed on the National Stock Exchange of India Limited (NSE) for the first time. Interestingly, the said date also coincided with the date of the Company's Board Meeting convened for consideration and approval of the financial results for the quarter and half year ended September 30, 2026.

In this regard, we wish to submit that the Company could not have submitted prior intimation of the aforesaid Board Meeting to NSE before its actual listing on the Exchange, as the Company was listed on NSE only on October 30, 2026, i.e., the very same date on which the Board Meeting was scheduled and the financial results were considered and approved. Accordingly, the non-submission of prior intimation to NSE was due to this peculiar timing and circumstances and was neither deliberate nor intentional.

Further, we would like to clarify that the Company duly submitted the outcome of the Board Meeting within the prescribed timeline. The financial results were also submitted to BSE and through the integrated filing portal within the stipulated timeline.

However, while uploading the financial results (UFR) on the NEAPS portal of NSE, the Company encountered a technical and procedural glitch, resulting in a marginal delay of only a few minute approx. 4 minutes in the successful submission of the financial results on the NSE portal.

We respectfully submit that:

1. The Board Meeting Outcome was duly submitted to NSE within the prescribed timeline.
2. The financial results were submitted to BSE and through the integrated filing portal within the prescribed timeline.
3. The marginal delay of a few minutes in uploading the financial results on the NEAPS portal was purely attributable to technical and procedural difficulties encountered during the Company's initial filing process with NSE, particularly considering that October 30, 2026, was the Company's first day of listing on NSE.
4. There was absolutely no intention on the part of the Company to withhold, conceal or delay disclosure of any material information, financial figures or facts from the investors or the general public.

The Company has always endeavoured to maintain the highest standards of transparency and timely compliance with the applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In view of the aforesaid facts and exceptional circumstances, we request your good office to kindly take the above clarification on record and consider the non-submission of prior intimation and the marginal delay approx. 4 minutes in uploading the financial results on the NEAPS portal as inadvertent and arising solely due to the peculiar circumstances of the Company's first-time listing on NSE and the associated technical/procedural difficulties.

We sincerely regret the inconvenience caused and assure the Exchange that the Company shall exercise additional care and diligence to ensure timely and seamless compliance with all applicable filing and disclosure requirements in future.

We request you to kindly take the above submission on record and oblige.

Thanking you,

Yours faithfully,
For **Indian Toners & Developers Limited**
