## Press Release for ISO Certification

### **IZMO Ltd. Receives ISO 27001:2022 Certification, Proves Its Commitment to Data Security**

Bengaluru, India – March 11<sup>th</sup>, 2025: izmo Ltd. ([www.izmoltd.com](http://www.izmoltd.com), [www.izmocars.com](http://www.izmocars.com)) a global leader in Automotive Digital Solutions, announced that it has received ISO 27001:2022 Certification, an internationally recognized standard for Information Security Management Systems (ISMS) for all its products, platforms and consulting services. The certification covers the parent izmo Ltd., in Bangalore and its subsidiaries izmo France and izmo UK which serve the EU and South American markets.

This certification validates izmo's commitment to data security and protecting customer and organizational data and is critical for meeting GDPR compliance for businesses in Europe.

The ISO 27001 Certification is awarded to companies that meet the global standards for establishing, implementing, and maintaining information security management systems. The certification helps organizations become risk-aware and address any weaknesses proactively.

*"Achieving ISO 27001:2022 certification is a major milestone for izmo Ltd. and reaffirms our commitment to data security, risk management, and regulatory compliance. In today's digital landscape, data protection is critical, and this certification assures our clients and partners that we uphold the highest standards across all our platforms and services. As we expand into new markets and drive digital transformation in the automotive industry, security will remain at the core of our innovation and growth,"* said **Sanjay Soni, Managing Director, izmo Ltd.**

izmo Ltd. has consistently demonstrated its commitment to safeguarding sensitive company and client information and implementing best practices in risk management, data protection, and regulatory compliance.

#### **Driving Innovation and Strengthening Global Presence**

The certification comes at a time when the company is continuing to grow, venturing into new marketing initiatives and consolidating its position as the market leader in the digital transformation of the automotive industry.

With over 20 years of experience, izmo Ltd. and more than 400 employees worldwide, izmo Ltd., serves hundreds of dealers and automotive OEMs, delivering customer success and profitability through better technology and process improvement. The company's website platforms are designed to meet the diverse needs of customers in different markets and languages. izmo Ltd. continues to lead innovation by incorporating AI technologies into its platforms, developing advanced tools that aid customer engagement and enhance online shopping experience.

**About izmo Ltd.**

izmo Ltd. provides automotive retail solutions for dealerships and OEMs worldwide and is the largest global producer of interactive media content for the automotive industry. The company's products include Digital Retail and Marketing Platform, Data Analytics and Reporting Solution and CRM for Automotive After-Sales. izmo is headquartered in Bangalore, India, with offices in USA, France, United Kingdom and Germany.
