Dear Sir/ Madam,

In view of the evolving airspace restrictions over Iran and the Middle East, more than 500 flights to the Middle East and select international destinations have been cancelled between February 28, 2026 and March 3, 2026. We continue to closely monitor the revenue environment arising from this situation.

Our operational teams are continuously assessing the evolving regional developments, recalibrating flight schedules, and planning repatriation operations in coordination with relevant authorities in India and the respective international jurisdictions, with the objective of minimizing disruption to passengers.

This disclosure is also being made available on the Company's website at www.goindigo.in.

This is for your information and record.

Thanking you,

For **InterGlobe Aviation Limited**
