Sir,

Please take note of the press release of the Company given below. This is for your kind information and notice.

Chennai, July 11, 2014: Info-Drive Software Limited (Infodrive) has informed that it has completed prime pilot society implementation of web based solution for Employees Cooperative Thrift and Credit Societies in Chennai Region after having achieved milestones required for its completion.

The initial requirements on pre-pilot audit systems on the revised pilot societies offered and validation of other specs of SRS (software requirement specification), data creation, implementation, supply of web based solution and other parameterization have all been successfully completed.

Infodrive expects to keenly expand its markets and network, capturing both domestic and international orders and go full stream successfully completing all such avenues with its' expertise and reach. Towards this the company will soon be embarking on strengthening its sales network and delivery to meet market demands.

Infodrive is also focusing on data-analytics practice in Middle East and African markets on the banking domain thereby paving way for embarking upon global expansion for its chosen areas of big data analytics' practice and specialization.
