PRESS RELEASE

IDEGO and EdgeVerve Join Hands to Drive RPA Adoption Across Latin America

Lima (Peru) – December 12, 2019 –EdgeVerve Systems, a subsidiary of Infosys (NYSE: INFY), today announced its partnership with IDEGO, a leading consulting firm for digital transformation, to develop and deliver innovative tech products to their customers across Latin America. Together, they will assist enterprises across telecom and financial services to help improve enterprise-wide productivity and efficiency.

EdgeVerve's AssistEdge is a leading automation platform with advanced AI capabilities, offering a comprehensive suite of products across Process Discovery and Robotic Process Automation (RPA). Recognized for scalability, security, reliability and native intelligence, AssistEdge has enabled several global enterprises reap the benefit of automation. Through this partnership, EdgeVerve and IDEGO will deliver these solutions to enterprises across Latin America.

Lizardo Vargas, Director, IDEGO, said, "As a Peruvian company that provides tools and methodologies for digital transformation, it´s an honor for us to announce the alliance between IDEGO and a world-class company like EdgeVerve. We are sure that our local and regional background, combined with the vast expertise of EdgeVerve, will facilitate the adoption of advanced technologies by public and private institutions across Latin America."

Atul Soneja, SVP & Global Head – Edge Products and Infosys Nia, said, "EdgeVerve's Partner Program, **Synergy** is a collaborative endeavor to build and nurture relationships with industry leaders, who are keen on uncovering opportunities and solving problems for customers worldwide. We strongly believe that Synergy will promote a vibrant community of organizations, passionate about elevating customer value and exponentially driving profitable growth. Our partnership with IDEGO is a step towards this goal."

About IDEGO:
IDEGO is a Peruvian company allied to large global technology providers specialized in tools and methodologies for Digital Transformation, Process Automation and Optimization, Artificial Intelligence and Machine Learning. With a solid network of local and regional partners and the support of Valinvest, it is one of the most important investment funds and finance consulting firms in the country, guaranteeing trust across the Latin American corporate market.

Safe Harbor
Certain statements mentioned in this release concerning our future growth prospects are forward-looking statements regarding our future business expectations intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, data privacy breaches or cyber security incidents, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2018. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company unless it is required by law.
