PRESS RELEASE

Infosys Foundation Invites Applications for Aarohan Social Innovation Awards 2019

Commits INR 1.5 crores towards scaling social innovation in India

Bengaluru – July 15, 2019: Infosys Foundation, the philanthropic and CSR arm of Infosys, today announced the launch of the second edition of the Aarohan Social Innovation Awards. Following the successful response to the awards in 2018, Infosys Foundation has renewed its commitment towards accelerating innovation in the social sector. The Aarohan Social Innovation Awards 2019 seek to recognize and reward individuals, teams or NGOs developing unique solutions that have the potential to positively impact the underprivileged in India, at scale.

Speaking at the launch of the second edition of the awards, **Infosys Foundation Chairperson, Mrs. Sudha Murty** said, "The Aarohan Social Innovation Awards 2018 was a huge success. Infosys Foundation witnessed a very good response from social innovators across the country and eventually, 12 leading innovators were recognised and awarded. The overwhelming response we got last year, has reaffirmed my belief that there are innumerable innovators across India who are looking up to this platform to give wings to their passion by scaling their innovation and impacting millions of lives. With the second edition of the awards, we hope to discover these hidden social innovators across the country and help them scale the power of their social innovations"

The awards will accept submissions across six categories:

1. Healthcare
2. Rural Development
3. Destitute Care
4. Women's Safety & Empowerment
5. Education & Sports
6. Sustainability

Key Highlights:

- The submission process for the second edition of these awards commences on July 15, 2019 and will continue till September 30, 2019
- Entries are open for adults (above 18 years) residing in India

- Participants can submit entries describing their work in the form of videos that can be uploaded on the Aarohan Social Innovation Awards website
- The entries must be of a fully functioning prototype, not just a concept, idea or mock up; Additionally, the project must not be an established commercial venture

Aarohan Social Innovation Awards will also offer winners an opportunity for residential technical mentorship at the IIT Hyderabad campus for up to 12 weeks to help them further develop and scale their solutions.

A panel of distinguished judges will evaluate and select the winners whose submissions will be assessed on five broad criteria – application to a social problem or need, innovative use of technology, originality of ideas, ease of use and the quality of presentation. The jury will comprise **Prof. Trilochan Sastry**, former Dean, IIM Bangalore; Padma Shree **Mr. Arvind Gupta**, an Indian toy inventor and science expert; **Prof. Anil Gupta**, visiting faculty member, IIM Ahmedabad, a globally renowned scholar of grassroots innovations and founder of the Honey Bee Network; **Prof. GVV Sharma**, Faculty member of the Department of Electrical Engineering and Coordinator, Teaching Learning Centre, IIT Hyderabad; **Mr. Sumit Virmani**, Senior Vice President and Global Head - Marketing, Infosys, and Infosys Foundation Chairperson and renowned author **Mrs. Sudha Murty**.

Safe Harbor
Certain statements in this release concerning our future growth prospects are forward-looking statements regarding our future business expectations intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause

actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, fluctuations in foreign exchange rates, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which Infosys has made strategic investments, withdrawal or expiration of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. Additional risks that could affect our future operating results are more fully described in our United States Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2019. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. In addition, please note that the date of this press release is mentioned at the beginning of the release, and any forward-looking statements contained herein are based on assumptions that we believe to be reasonable as of this date. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company unless it is required by law.
