## Infosys Announces Strategic Collaboration with Zoetis to Enhance Digital Capabilities

*Zoetis to benefit from greater agility and efficiency to support business growth*

**Bengaluru, India – June 24, 2025:** [Infosys](#) (NSE, BSE, NYSE: INFY), a global leader in next-generation digital services and consulting, today announced a strategic collaboration with [Zoetis](#), the world's leading animal health company. This long-term engagement aims to enhance Zoetis' IT operations and digital capabilities by integrating advanced AI solutions and automation services, providing greater agility to respond to evolving business landscape and customer needs.

"We look forward to this collaboration with Infosys which will help us improve operational efficiency as we deliver value to veterinarians, livestock producers, and pet owners globally. This represents our commitment to use digital innovation to continue to lead the animal health industry," said **Keith Sarbaugh, Executive Vice President and Chief Data and Technology Officer at Zoetis.**

**Subhro Mallik, EVP and Global Head of Life Sciences, Infosys,** said, "We are excited to collaborate with Zoetis on this transformative journey that will reduce operational complexity and support long-term business objectives. This collaboration also underscores our commitment to delivering practical AI innovations and tailored digital solutions to the Life Sciences sector."

### About Zoetis

As the world's leading animal health company, Zoetis is driven by a singular purpose: to nurture our world and humankind by advancing care for animals. After innovating ways to predict, prevent, detect, and treat animal illness for more than 70 years, Zoetis continues to stand by those raising and caring for animals worldwide – from veterinarians and pet owners to livestock producers. The company's leading portfolio and pipeline of medicines, vaccines, diagnostics and technologies make a difference in over 100 countries. A Fortune 500 company, Zoetis, generated revenue of \$9.3 billion in 2024 with approximately 13,800 employees. For more information, visit [www.zoetis.com](http://www.zoetis.com)

### About Infosys

Infosys is a global leader in next-generation digital services and consulting. ### **Safe Harbor**

Certain statements in this release concerning our future growth prospects, or our future financial or operating performance, are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results or outcomes to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding the execution of our business strategy, increased competition for talent, our ability to attract and retain personnel, increase in wages, investments to reskill our employees, our ability to effectively implement a hybrid work model, economic uncertainties and geo-political situations, technological disruptions and innovations such as Generative AI, the complex and evolving regulatory landscape including immigration regulation changes, our ESG vision, our capital allocation policy and expectations concerning our market position, future operations, margins, profitability, liquidity, capital resources, our corporate actions including acquisitions, and cybersecurity matters. Important factors that may cause actual results or outcomes to differ from those implied by the forward-looking statements are discussed in more detail in our US Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2024. These filings are available at [www.sec.gov](http://www.sec.gov). Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
