PRESS RELEASE

Infosys positioned as a Leader in Gartner's Magic Quadrant for Application Testing Services

Bengaluru – March 26, 2019: Infosys, a global leader in next-generation digital services and consulting, today announced that Gartner, Inc. has positioned Infosys as a Leader in its Magic Quadrant for Application Testing Services, Worldwide. This is the fourth consecutive time Infosys has been positioned as a Leader in the report.

According to the report, "This Magic Quadrant assesses 20 of the leading application service providers based on specified inclusion criteria." The vendors were evaluated on two primary criteria – completeness of vision and ability to execute.

As per the Gartner Magic Quadrant report, "speed to market is becoming critical as organizations are continuing on their transition to becoming digital enterprises. Many changes in testing environments and testing service delivery are driven by the ability to test applications much faster in order to keep up with business demands for a high pace of operations in digital."

Infosys' suite of Digital Assurance offerings help enterprises accelerate their digital transformation by ensuring high quality digital experiences across web and mobile platforms. The offerings ensure that testing is done in shorter and agile release cycles driving business success while ensuring security and compliance.

Narsimha Rao M, Executive Vice President and Head, Global Services – Validation Solutions & Cloud, Infrastructure and Security Solutions, **Infosys**, said, "Organizations today are in various stages of digital transformation, and digital assurance services play a crucial role in shielding their business risks and help reduce time to value. Infosys delivers enterprise digital assurance with its solutions across areas like digital testing, intelligent test automation and analytics, addressing multi-faceted needs of digital transformation. We believe being recognized as a Leader in Gartner's Magic Quadrant for Application Testing Services validates our strengths and the investments we have made."
