Infotech Enterprises signs an MoU with IIT-Hyderabad

Hyderabad, August 10th 2011 – Infotech Enterprises Ltd, a leading Global Engineering Services company, signed an MoU with Indian Institute of Technology, Hyderabad (IIT-H) today. The MoU was signed by **Mr. B. Ashok Reddy, President – Global HR and Corporate Affairs**, Infotech Enterprises Limited and **Prof. U. B. Desai, Director**, Indian Institute of Technology-Hyderabad, in a ceremony held at the Manikonda facility of Infotech.

Infotech signed its first ever MoU with Indian Institute of Technology in pursuit of its goal in enabling Technical institutes produce high-quality and ready-to-employ talent. Besides, the unique feature of this MoU is that, it enables Infotech undertake joint R&D and consultancy projects with the involvement of faculty members of IIT-H.

Through this MoU the students of IIT-H would gain industrial exposure, internships, industrial visits and they can get engaged in live projects at Infotech. Infotech will also nominate its experts as adjunct faculty and in organizing special technical lectures at IIT-H campus. In addition, Infotech would extend its support in designing the curriculum for Under Graduate and Post Graduate programs in order to enable the institute align with industry requirements.

Mr. B.V.R. Mohan Reddy, Chairman and Managing Director, Infotech Enterprises Ltd, said, *"Strong R&D capabilities and quality technical talent would be the key differentiators for success of the Indian Engineering services Industry in the competitive global arena. We need to create a strong eco-system for the industry and the academia to cooperate for the benefit of all stake holders – students, faculty, industry and society. This association with IIT-H is a step in the right direction".*

Mr. B. Ashok Reddy, President – Global HR and Corporate Affairs, Infotech Enterprises Limited said, *"This MoU reinforces our commitment to share our engineering domain expertise with the institute to nurture quality talent. Besides, it lays emphasis on undertaking joint R&D and consultancy projects with IIT-H".*

Prof. U. B. Desai, Director, IIT, Hyderabad said, "We are a very young institute and it is an honor to have an MoU with Infotech, which is one of the leading companies in Engineering Services which has a global presence. IIT-Hyderabad believes that this MoU with Infotech will provide a window of opportunity for our students to widen their horizon and stay connected to the requirement of the industry thereby enhancing their career prospects".

Infotech's campus connect initiative paves way for a two way association with the institutions – to enrich the quality of technical education imparted to the students and creating a talent pool for Infotech and the industry to absorb. Infotech has been actively promoting partnership between the Industry and Institution by signing MoUs with JNTU Kakinada, SNIST Hyderabad, CIPET Hyderabad, MLRIT Hyderabad and Andhra Polytechnic College from Kakinada.
