Independent Auditor's review report on Quarterly and Year to Date Unaudited Standalone Financial Results of Prabha Energy Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
Prabha Energy Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Prabha Energy Limited** ("the company") for the Quarter and Nine Months ended on December 31, 2024 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of interim Financial information Performed by the independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India ("ICAI"). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the Ind As 34, prescribed under section 133 of the Act and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other Matter

5. During the current year, the National Company Law Tribunal (NCLT) approved the reverse merger of Deep Energy Resource Limited (Transferor Company "1") and Savla Oil and Gas Private Limited (Transferor Company "2") with Prabha Energy Limited (Transferee Company). As a result, the merged financials have been prepared with effect from 01-04-2022. The financial results for the prior quarter/period have been restated to reflect the impact of the reverse merger. Consequently, all figures have been adjusted to present the consolidated performance of the combined entity.
6. The merged financial figures for the previous year include figures of Savla Oil and Gas Private Limited (Transferor Company), which have been audited by another auditor. With regards to the comparable financials for the previous year, the management has converted the previous year financials to comply with the Ind AS requirements and have furnished us the unaudited management certified financials. We have evaluated this conversion and also verified and tested the re-grouping of the accounts of Savla Oil and Gas Private Limited to align them with the books of Prabha Energy Limited.

Our conclusion is not modified in respect of this matter.
