Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sirs,

This is further to our letters dated 2nd and 3rd December 2015 intimating the disruption of production operations of the Company's plant located at Oragadam, Tamil Nadu due to heavy rains and floods in Chennai.

We hereby wish to inform as under:

The Company has started its production operations. We have made sure that the excess water gets drained into rainwater harvesting system. Storm water drains are clog free. Our employees are safe and secure.

Prima facie, there is no damage to equipments etc. We only had production loss/consequential loss of profit which is not significant. So far we have lost 10 shifts production (1500 MT approximately)

We would be able to assess the insurance loss in due course, once the full normalcy is restored.

Hope you will find the same in order.

This is for your information & records.

Thanking you,

Yours Faithfully,
For Apollo Tyres Ltd.
