Our DNA

Focus on Construction Technologies...

Our Business model and capabilities is built around leveraging our understanding of varied types of Construction Technologies and managing construction complexities

...for speedier execution

Ownership of Modern System Formwork & Core Assets along with access to high quality skilled workmen coupled with our Technology prowess allows speedier and timely completion of Projects : a faster turnaround and better Asset Turnover

...to become a 'Preferred Construction Partner'

Deliver high quality work thus enhancing relationships with existing clients ensuring high client recall enabling us to win repeat orders as well as secure projects from new customers

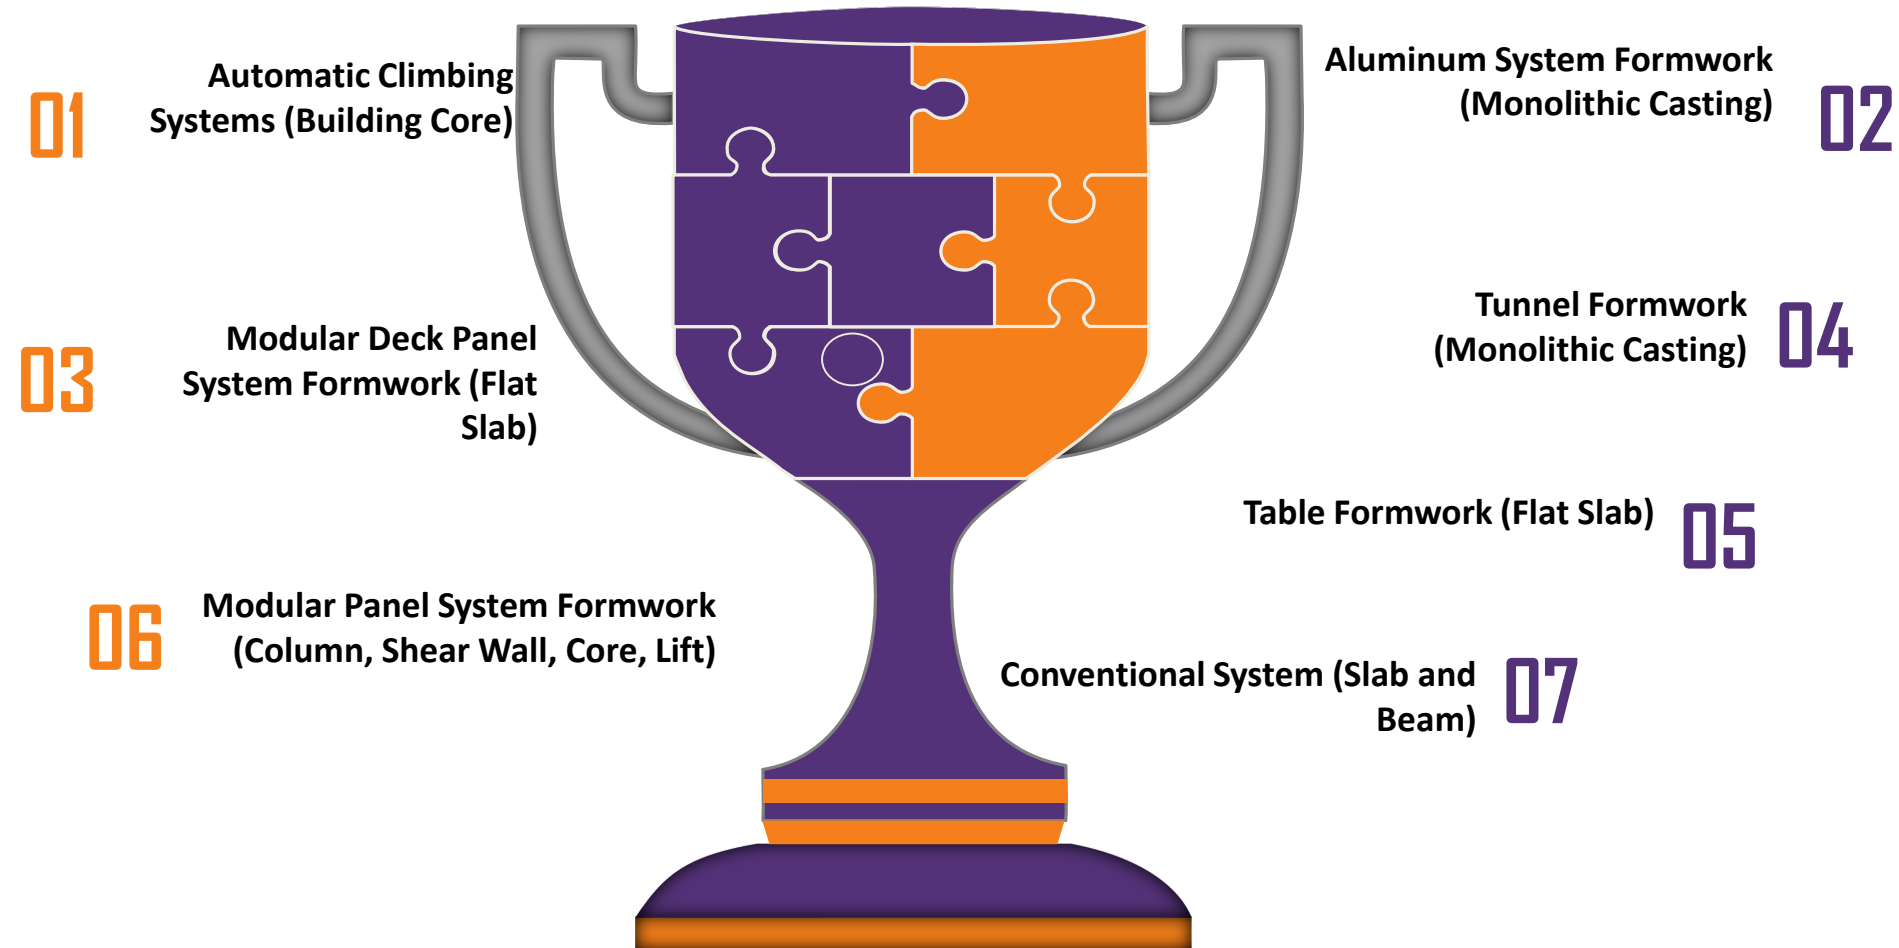

We are a 'Technology Focused' Construction Company

...all this in a short span of 5 years

Technology is key to our success...

...and a happy customer + repeat orders

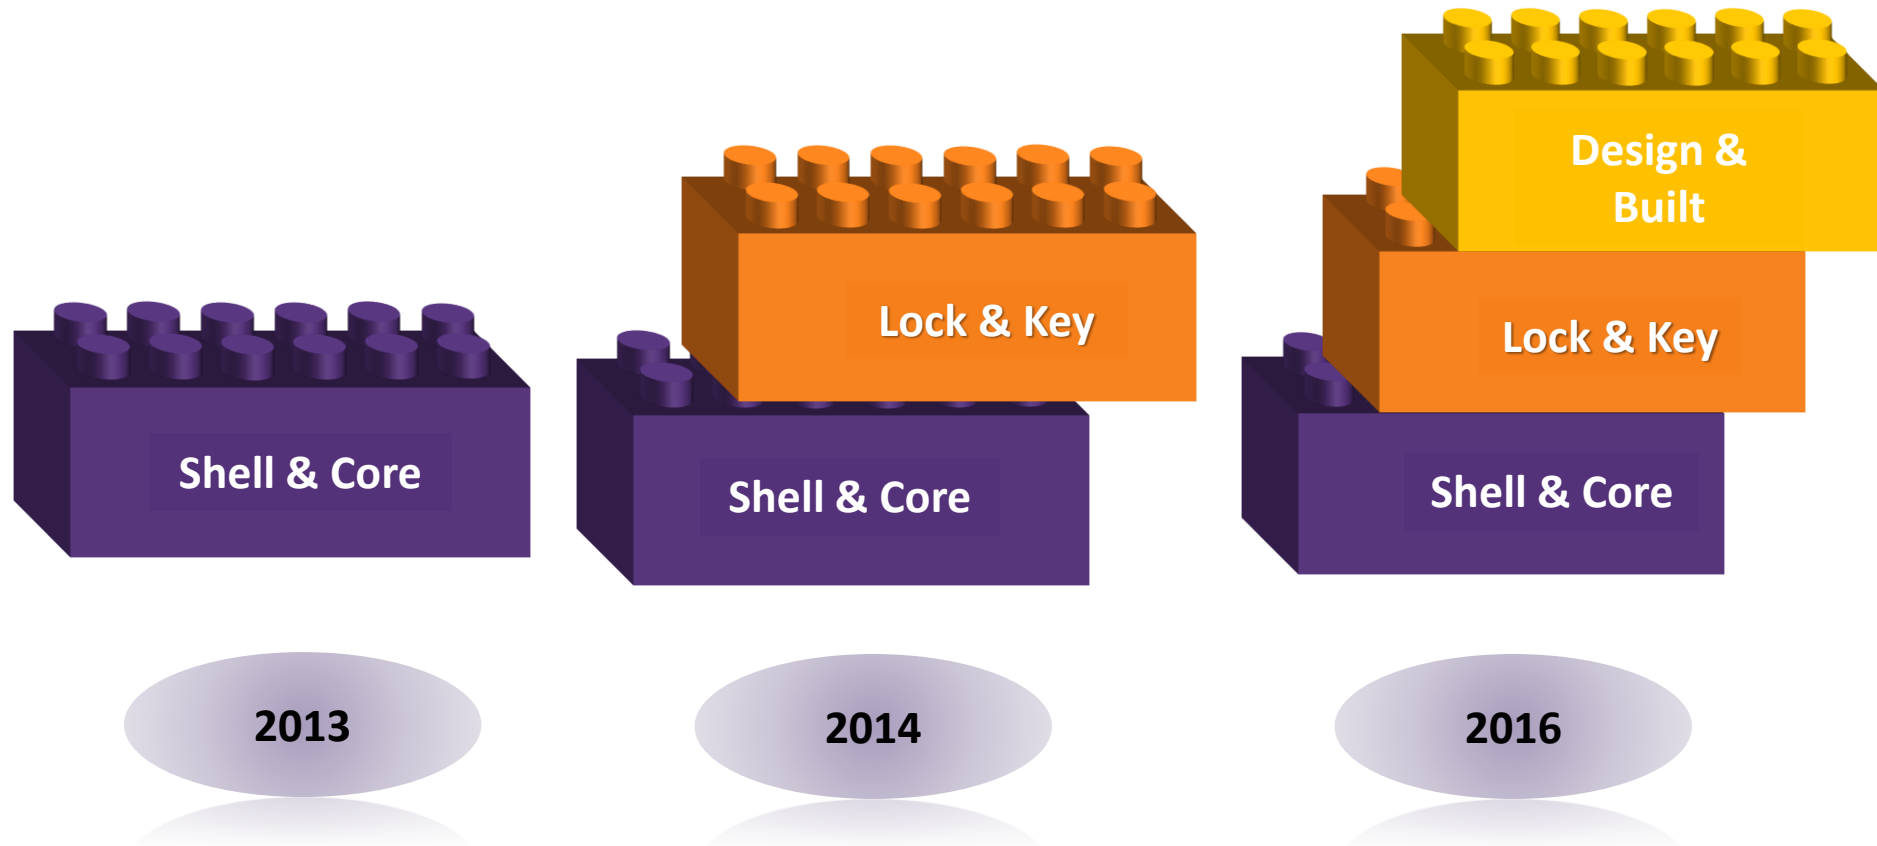

Track Record...

New Clients + Repeat Wins from existing Clients

- ...strengthens Customers confidence in our Capabilities & Delivery
- ...enhances project execution capabilities building a high degree of specialization
- ...build pre-qualification levels allowing us to bid for larger projects
- ...leads to consistent growth in Orderbook

Focus : BUILDING...to remain ahead

...and create an unmatched Competitive Edge

Quality in Everything we do

Integrated Management System

Quality Management System

Environmental Management System
ISO 14001:2004

Occupational Health and Safety
Management System
OHSAS 18001:2007

Resources give us a Advantage in our Performance

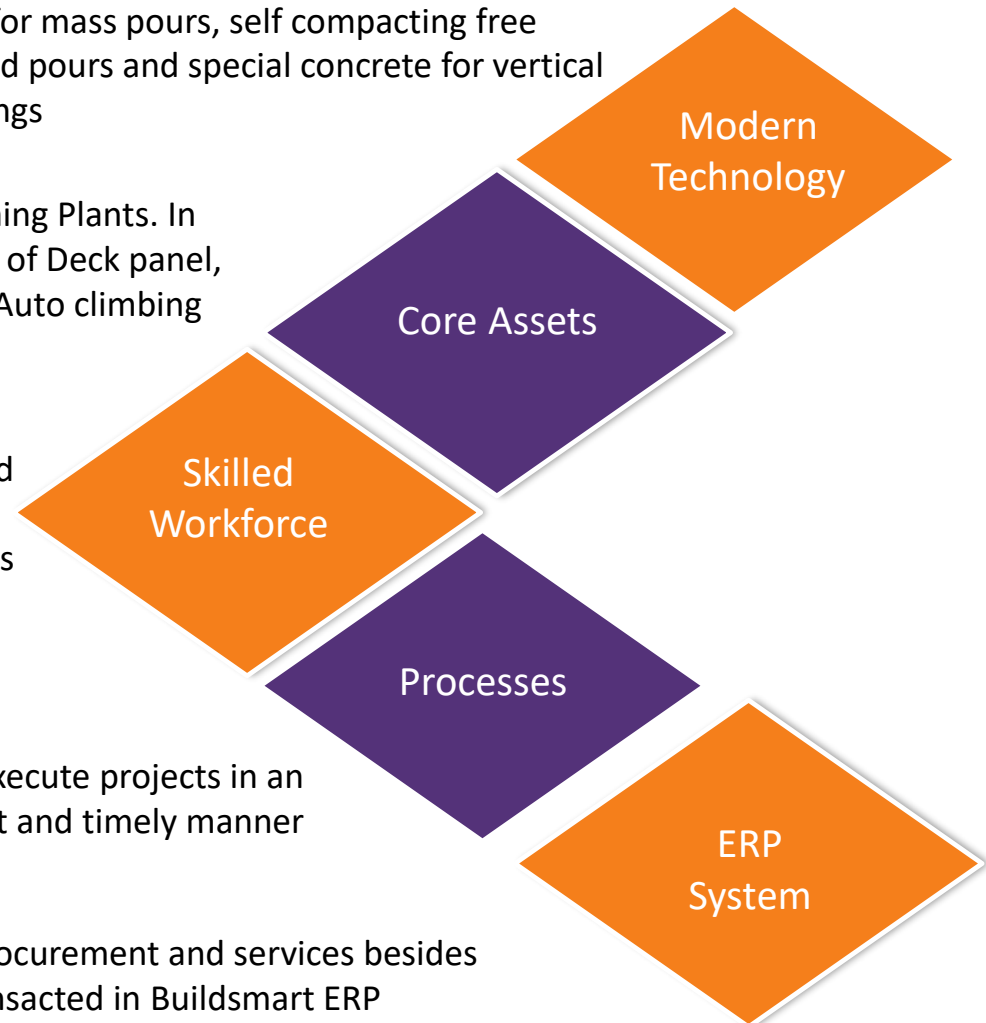

Temperature controlled concrete for mass pours, self compacting free flow concrete for heavily reinforced pours and special concrete for vertical pumping in Super High Rise Buildings

We own 65 tower cranes, 5 Boom Placer, 4 Batching Plants. In addition to 12,800 sqm of Wall panel, 4,600 sqm of Deck panel, 47,000 sqm of Aluminium monolithic, 3 units of Auto climbing formwork & 2 units of Auto climbing screen

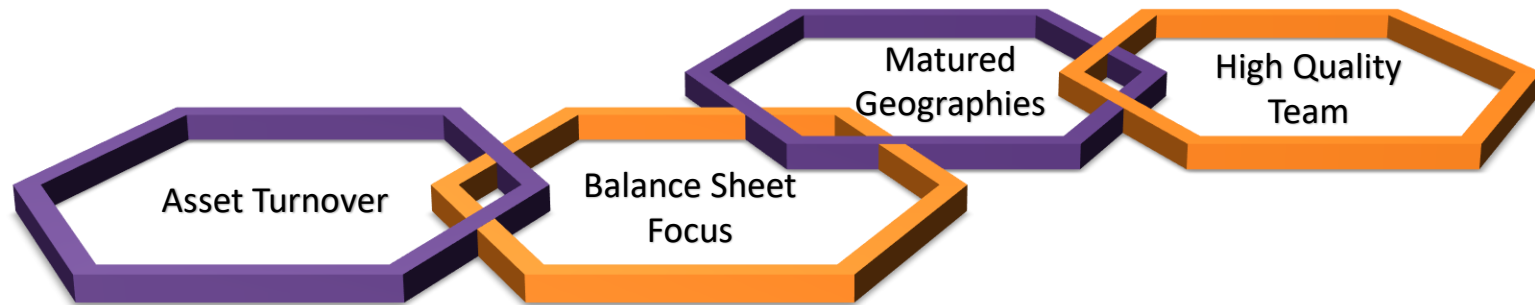

We have over 1,000 employees comprising of specialized technicians and engineers and ~900 contract workers to deliver world class projects on time. Our current projects are also employing ~10,400 sub contract workers

We follow well established processes to execute projects in an efficient and timely manner

Entire business process of procurement and services besides accounting functions are transacted in Buildsmart ERP

Sustainable Future

Focus on improving Asset Turnovers by efficient deployment of resources and growing orderbooks

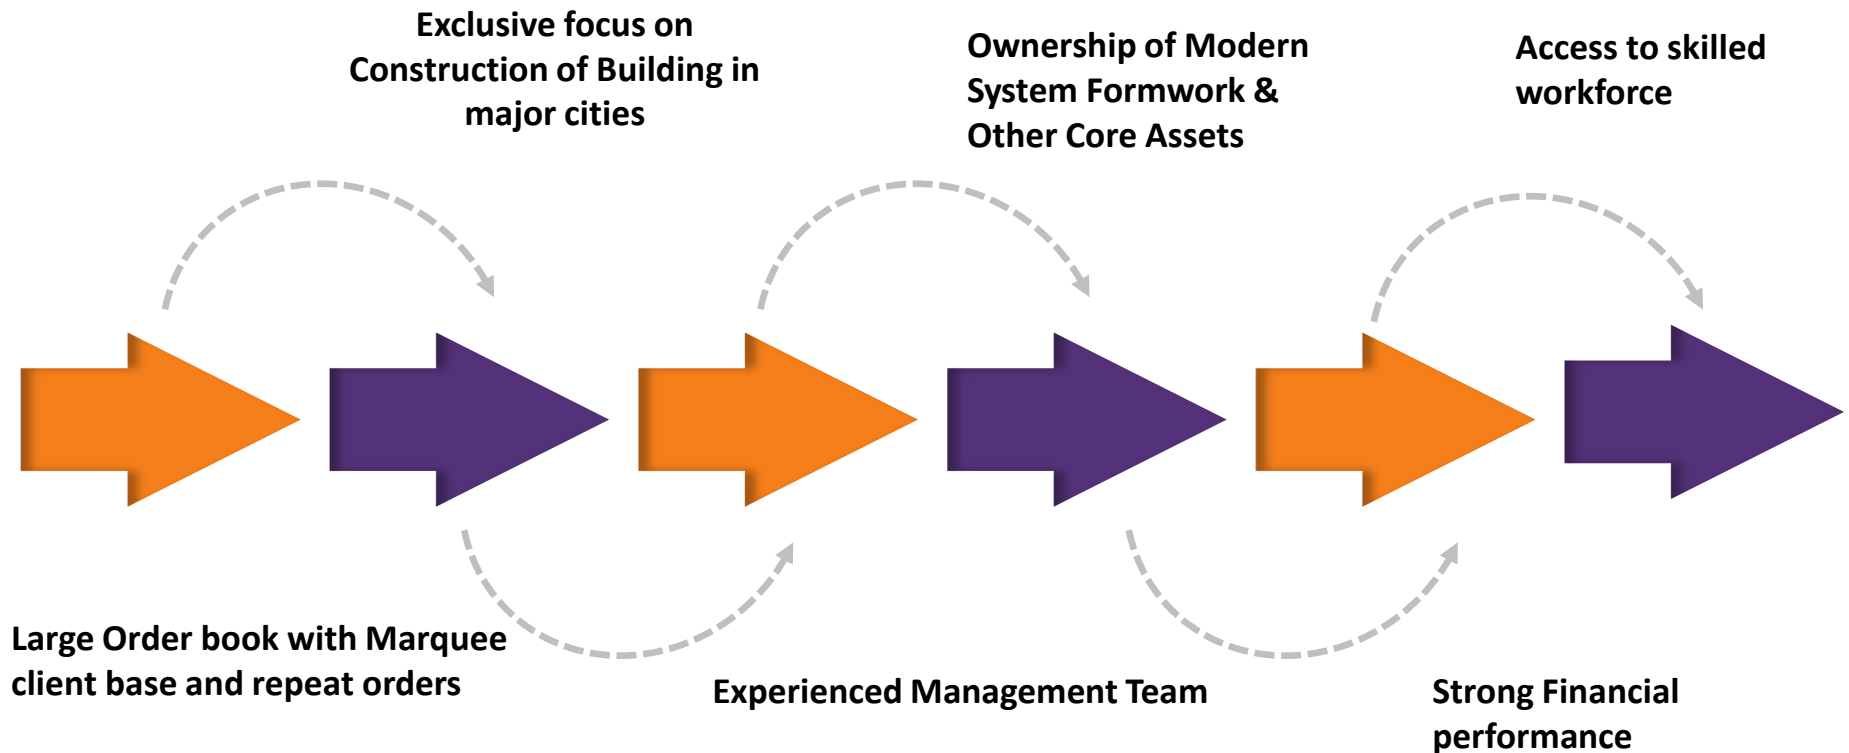

Manageable Debt/Equity levels which stems from our ethos of building relationships with credible organized players thereby ensuring cash flow security and timely completion along with closure of projects

Focus on Matured Geographies will ensure efficient utilization of our resources and thereby improving stakeholder value

High quality team of engineers and technicians to execute challenging and complex projects in timely manner

Our Strengths...

...leading to outperformance in Building Construction Industry

Poised to Capitalize on Growing Market Opportunities

01

Focus on Building Construction

Focus on Maximizing Utilization of Technologies; to grow Orderbook & improve Asset Turnover Ratio

02

Expand in Affordable Housing Segment

Benefit from 'Housing for All by 2022' which envisages to build 20mn houses in India

03

Grow Order book on Lock-and-key basis

Build Orderbook of Lock-and-key Projects including MEP, finishing and interior services

04

Bid for Design-Build & Public Projects

Focus on relatively limited competitive space of Design-Build Projects which are margin accretive. To increase focus on Government Projects in the Educational & Healthcare Infrastructure Development space

05

Capitalize on RERA implementation

Organized Players with a credible track record of timely execution are likely to gain & grow exponentially

06

Expand presence in Matured Cities

Enhance presence in high growth & mature geographies

- Vertical height of the building is ~50 m
- Scope of work included construction of Office building having a basement, ground and 15 typical floors

Our Industry

Housing Opportunity in India

India's largest urban agglomeration by 2030

In units

Source: KPMG Urban Indian real estate

Shortfall of Housing units in India

In million units

Source: KPMG Decoding housing for all by 2022

Pro-development programmes and policies to transform urban India

Government Programmes

- Pradhan Mantri Awas Yojna (Affordable housing)
- Smart Cities
- AMRUT (urban renewal)
- Making In India (Manufacturing)
- Digital India
- Skill India, Start-up India
- HRIDAY (Heritage City Preservation)
- Industry status accorded to 'Affordable Housing'

Policy Reforms

- Real Estate Act
- GST
- REIT
- Ease of doing business
- Relaxation of FDI and ECB norms

RERA: Advantage Organized Construction Players

Housing for all 2022: Huge Opportunity

Housing for All by 2022, also known as the Pradhan Mantri Awas Yojana (“PMAY”) launched in 2015 envisages the construction of about two crore houses in the country from 2015 to 2022, for the homeless and for people belonging to the economically weaker section (“EWS”) and low-income group (“LIG”) categories.

Annual Investment

Entails an investment of USD 250bn-260bn each year till 2022 to achieve the objective

Distribution

Key Beneficiaries of this scheme would be states such as Tamil Nadu, Andhra Pradesh, Karnataka, Telangana among others

Investment Growth

Investments will need CAGR growth of 12-13% (unadjusted for inflation)

Shortage of Units

~110mn units including current shortage of ~60mn units

Financing & Incentives: Fueling Housing in India

Favourable Interest rates

- Interest subvention scheme: For economically weaker lower income groups
- Since January 2016, RBI has cut its policy rate by ~75bps
- This will increase the absorption of residential units

Tax Incentives

- For constructed buildings tax on notional rental income will only apply after one year of the end of the year in which completion certificate is received
- Interest deduction limit increased for first time home buyers of affordable housing to boost demand for units of up to ₹ 50 lakh

Organized Real Estate: Outperforming

FDI in Real Estate

- 100% FDI for townships & settlements development projects
- Provision for reduction in minimum capitalisation for FDI investment US\$ 10mn to US\$ 5 mn

Investment Trend

- Private debt and bank lending have emerged as the most important source of real estate finance in India, accounting for 60% of the total money being spent on new construction activities

RERA & REIT

- The sector has been witnessing enhanced interest from institutional capital owing to greater transparency in the organised sector
- This is expected to boost orderbook of organized players in the industry

Our Historical Performance

Order book of ₹ 4,289cr as at 31st March 2017
