Please refer section titled “Capital Structure and Shareholding Pattern” on page 27 of this Letter of Offer for further details regarding shareholding (pre and post buyback) of the Promoter and members of the promoter group in the Company</p>																																																																				
<p>Statement that post Buy-back non-promoter shareholding shall not fall below the minimum level required as specified under the LODR Regulations.</p>	<p>The Company hereby confirms that public shareholding post Buy-back will not fall below the minimum level required as per Regulation 38 of the LODR Regulations.</p>																																																																				

AUTHORITY FOR THE BUY-BACK

The Buy-back is being undertaken by the Company in accordance with the Articles of Association of the Company, the provisions of Sections 68, 69 and 70 and other applicable provisions of the Companies Act, the rules made thereunder, the LODR Regulations to the extent applicable, and the Buy-back Regulations.

The Buyback is subject to receipt of such other approvals, permissions, consents, exemptions and sanctions as may be necessary and subject to such conditions and modifications, if any, as may be prescribed or imposed by the statutory, regulatory, governmental authorities or other appropriate authorities while granting such approvals, permissions, consents, exemptions and sanctions, as may be required from time to time under the applicable laws. The Buy-back has been duly authorised by a resolution passed by the Board of Directors dated August 29, 2024.

NECESSITY OF THE BUY-BACK

The Buy-back is being undertaken for the following reasons:

- i. The Buy-back will help the Company to return surplus cash to its shareholders, holding equity shares and tendering under the Buy-back, broadly in proportion to their shareholding, thereby enhancing the overall return to the shareholders;
- ii. The Buy-back, which is being implemented through the Tender Offer route as prescribed under the Buy-Back Regulations, would involve allocation of higher of number of shares as per their entitlement or 15% of the number of shares to be bought back, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder”;
- iii. The Buy-back may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders’ value. The Buy-back will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations and for continued capital investment, as and when required;
- iv. The Buy-back gives an option to the shareholders holding equity shares of the Company, who can choose to participate and get cash in lieu of equity shares to be accepted under the Buy-back offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buy-back, without any additional investment.

MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF THE BUY-BACK ON THE COMPANY

The Buy-back is not likely to cause any impact on the profitability or earnings of the Company, except to the extent of reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. In the event that there is 100% acceptance of the Equity Shares tendered in the Buy-back from Shareholders on a proportionate basis, the funds deployed by the Company towards the Buy-back would be ₹ 1,17,77,66,000 (Rupees One Hundred Seventeen Crores Seventy Seven Lakhs Sixty Six Thousand Only) excluding the Transaction Costs.

The Buy-back is not expected to impact growth opportunities for the Company.

The Buy-back will not result in a change in control or otherwise affect the existing management structure of the Company.

In terms of the Buy-back Regulations, under the tender offer route, the Promoters and Promoter Group of the Company have the option to participate in the Buy-back. In this regard, the Promoters and the Members of Promoter Group have expressed their intention to participate in the Buyback by way of their letters dated August 24, 2024 & August 26, 2024 (“**Intention Letter(s)**”) to participate in the Buy-back and offer up to an aggregate maximum of 21,69,452 Equity Shares as detailed below:

Record Date and Ratio of Buy-back as per the Buy-back Entitlement in each Category:

The Company has approved Tuesday, September 10, 2024 as the Record Date for the purpose of determining the Buy-back Entitlement and the names of the Shareholders, who are eligible to participate in the Buy-back.

The Equity Shares to be bought back as a part of this Buy-back is divided into two categories:

- (i) Reserved category for Small Shareholders ("**Reserved Category**"); and
- (ii) General Category for other Eligible Shareholders ("**General Category**").

As defined in the Buy-back Regulations, Small Shareholder includes a shareholder, who holds shares whose market value, on the basis of closing price on the recognized stock exchange registering the highest trading volume, as on Record Date, is not more than ₹ 2,00,000/-. For the purposes of classification of a shareholder, as a "small shareholder", multiple demat accounts having the same permanent account number, in case of securities held in the demat form, or joint holders with identical sequence of names, in case of securities held in the physical form, are to be clubbed together. As on Record Date, the closing price on NSE, having the highest trading volume, was ₹352.90/- per Equity Share. Accordingly, all Eligible Shareholders holding not more than 566 Equity Shares as on the Record Date are classified as 'Small Shareholders' for the purpose of the Buy-back.

Based on the above definition, there are 80,542 Small Shareholders in the Company with aggregate shareholding of 79,25,276 Equity Shares as on Record Date, which constitutes 4.44 % of the total Equity Shares in the total issued and paid-up Equity Share capital of the Company and 269.16% of the maximum number of Equity Shares which the Company proposes to buy back as a part of this Buy-back.

In compliance with Regulation 6 of the Buy-back Regulations, the reservation for the Small Shareholders, will be higher of:

- (i) 15% of the number of Equity Shares which the Company proposes to Buy-back, being 4,41,663 Equity Shares; or
- (ii) The number of Equity Shares entitled as per their shareholding as on Record Date i.e. (Tuesday, September 10, 2024, being 1,30,915 Equity Shares.

All the outstanding Equity Shares have been used for computing the Buy-back Entitlement of Small Shareholders since one of the members of the Promoter Group also intends to participate in the Buyback.

Based on the above and in accordance with Regulation 6 of the Buy-back Regulations, 4,41,663 Equity Shares have been reserved for Small Shareholders. Accordingly, General Category for all other Equity Shareholders shall consist of 25,02,752 Equity Shares.

Based on the above Buy-back Entitlements, the Ratio of Buy-back for both categories is decided as below:

Category of Shareholders	Ratio of Buy-back*
Reserved category for Small Shareholders	1 Equity Shares for every 18 Equity Shares held on the Record Date
General category for all other Eligible Shareholders	18 Equity Shares for every 1225 Equity Shares held on the Record Date

* The ratio of Buy-back indicated above is approximate and provides an indication of the Buy-back Entitlement. Any computation of entitled Equity Shares using the above ratio of Buy-back may provide a slightly different number due to rounding-off. The actual Buy-back Entitlement for reserved category for Small Shareholders is 5.57284061779047% and general category for all other Eligible Shareholders is 1.4694088376426%. The exact Entitlement as per the holding as on Record Date shall be communicated electronically to the Eligible Shareholders alongwith the Letter of Offer.

Clubbing of Entitlement

In accordance with Regulation 9(ix) of the Buy-back Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number (“PAN”) shall be clubbed together for determining the category (Small Shareholder or General) and entitlement under the Buy-back. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical, the Company will club together the Equity Shares held in such cases. Similarly, in case of Eligible Shareholders holding physical shares, where the PANs of all joint shareholders are not available, the Registrar will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent (the “Registrar”) as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body – broker” as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

Fractional Entitlements

If the Buy-back Entitlement under the Buy-back, after applying the abovementioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of Buy-back Entitlement to tender Equity Shares in the Buy-back for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 17 or less Equity Shares as on Record Date will be sent a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buy-back and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares. The Company shall make best efforts subject to SEBI Buyback Regulations in accepting Equity Shares tendered by such Eligible Shareholders to the extent possible and permissible.

Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buy-back by the Small Shareholders in the Reserved Category in the following order of priority:

- a) Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buy-back Entitlement or the number of Equity Shares tendered by them, whichever is less.
- b) Post the acceptance as described above, in case there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of ignoring the fractional entitlement), and have tendered Additional Equity Shares as part of the Buy-back, shall be given preference and one share each from the Additional Equity Shares applied by these Small Shareholders shall be bought back in the Reserved Category.
- c) Post the acceptance as described above, in case there are any Equity Shares left to be bought back in the Reserved Category, the Additional Equity Shares tendered by the Small Shareholders over and above their Buy-back Entitlement, shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptance per Small Shareholder shall be made in accordance with the Buy-back Regulations, that is, valid Acceptances per Small Shareholder shall be equal to the Additional Equity Shares validly tendered by the Small Shareholder divided by the total Additional Equity Shares validly tendered and multiplied by the total pending number of Equity Shares to be accepted in Reserved Category. For the purpose of this calculation, the Additional Equity Shares taken into account for such Small Shareholders, from whom one Equity Share has been Accepted in accordance with the above, shall be reduced by one.
- d) Adjustment for fractional results in case of proportionate Acceptance, as described above:
 - i. For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - ii. For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buy-back Committee or any person(s) authorized by the Buy-back Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in section entitled “*Process and Methodology of Buy-back*” of this Letter of Offer.

Basis of Acceptance of Shares validly tendered in the General Category

Subject to the provisions contained in this Letter of Offer, the Company will accept the Equity Shares tendered in the Buy-back by all other Eligible Shareholders in the General Category in the following order of priority:

- a) Acceptance of 100% Equity Shares from other Eligible Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buy-back Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- b) Post the Acceptance as described above, in case there are any validly tendered unaccepted Equity Shares left to be bought back in the General Category, the Additional Equity Shares tendered by the other Eligible Shareholders over and above their Buy-back Entitlement shall be Accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per shareholder shall be made in accordance with the Buy-back Regulations, i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by the Eligible Shareholders divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares to be Accepted in General Category.
- c) Adjustment for fractional results in case of proportionate acceptance as described above:
 - i. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.

- ii. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buy-back Committee or any person(s) authorized by the Buy-back Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in section entitled “*Process and Methodology of Buy-back*”.

Basis of Acceptance of Equity Shares between categories

- a. In case there are any Equity Shares left to be bought back in one category (“**Partially Filled Category**”) after Acceptance in accordance with the above described methodology for both the categories, and there are additional unaccepted validly tendered Equity Shares in the second category, then the Additional Equity Shares in the second category shall be Accepted proportionately (valid Acceptances per Eligible Shareholder shall be equal to the additional outstanding Equity Shares validly tendered by a Eligible Shareholder in the second category divided by the total additional outstanding Equity Shares validly tendered in the second category and multiplied by the total pending number of Equity Shares to be bought back in the Partially Filled Category).
- b. If the Partially Filled Category is the General Category, and the second category is the Reserved Category, then for the purpose of this calculation, the Additional Equity Shares tendered by such Small Shareholders, from whom one Equity Share has been accepted in accordance with “*Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders*” will be reduced by one Equity Share.
- c. Adjustment for fractional results in case of proportionate Acceptance, as described above:
 - i. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not a multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - ii. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.
 - iii. In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Board or any person(s) authorized by the Board will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in Paragraph Process and Methodology for the Buy-back.

For avoidance of doubt, it is clarified that, in accordance with the clauses above:

- Equity Shares accepted under the Buy-back from each Eligible Shareholder, shall be lower of the following:
 - *the number of Equity Shares tendered by the respective Shareholder; or*
 - *the number of Equity Shares held by the respective Shareholder, as on the Record Date*
- Equity Shares tendered by any Eligible Shareholder over and above the number of Equity Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of acceptance.

In case of any practical issues, resulting out of rounding-off of Equity Shares or otherwise, the Buy-back Committee or any person(s) authorized by the Buy-back Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in section entitled “*Process and Methodology of Buy-back*” of this Letter of Offer.

APPLICABLE PROVISIONS UNDER INCOME TAX ACT 1961 IN RELATION OF BUY BACK OF LISTED EQUITY SHARES

GENERAL

Indian Income tax follows tax year period from 1st April to 31st March. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act 1961 ("ITA").

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his/her India sourced income or income received by such person in India. *Vide* Finance Act, 2020, certain non-resident individuals are deemed to be resident in India upon triggering of certain conditions. Deemed residents would be liable to pay tax in India only on their Indian sourced income or income from business or professional controlled in India.

In case of shares of a company, the source of income from shares would depend on the 'situs' of the shares. As per judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the relevant Double Tax Avoidance Agreement ("DTAA") subject to satisfaction of the relevant conditions including non-applicability of General Anti-Avoidance Rule ("GAAR") and providing and maintaining necessary information and documents as prescribed under the ITA as well as satisfying the relevant conditions under the respective DTAA including anti-abuse measures under the MLI, if applicable.

CLASSIFICATION OF SHAREHOLDERS

Section 6 of the ITA, determines the residential status of an assessee. Accordingly, shareholders can be classified broadly in two categories as below:

a) Resident Shareholders being:

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI), Firm, LLP
- Others (corporate bodies): Company, Other than Company

b) Deemed Resident Shareholder:

- A non-resident individual being a citizen of India who is not liable to tax in any other country or territory by reason of domicile, residence or any other criteria of similar nature and has total income other than foreign sourced income exceeding Rs 15 lakh during the tax year.

c) Non-Resident Shareholders being:

- Non-Resident Indians (NRIs)
- Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)
- Others:
 - Company
 - Other than Company

BUY-BACK OF SHARES

Section 115QA of the ITA introduced w.e.f. June 1, 2013 contains provisions for taxation of a domestic company in respect of buy-back of shares (within the meaning of Sec. 68 of the Companies Act). In effect, the incidence of tax stands shifted completely to the Company and not the recipient of the buyback proceeds.

Before the enactment of Finance Act (No 2), 2019, this section was not applicable to shares listed on a recognized stock exchange. The Finance Act (No 2), 2019 has amended section 115QA of the ITA with effect from 5th July, 2019 extending its provisions to cover distributed income on buy-back of equity shares of a company listed on a recognized stock exchange as well.

As per Section 115QA, listed companies making a public announcement of Buyback of shares on or after 5th July 2019 are required to pay an additional Tax @ 20%, plus Surcharge @ 12%, plus Health & Education Cess @ 4% on the Distributed Income.

Distributed Income is defined under section 115QA to include Consideration paid by the company on Buyback of Shares as reduced by the amount which was received by the company on issue of such shares, determined in the manner specified in Rule 40BB.

The tax on the distributed income by the company shall be treated as the final payment of tax in respect of the said income and no further credit therefor shall be claimed by the company or by any other person in respect of the amount of tax so paid.

Section 10(34A) of the ITA provided for exemption to a shareholder in respect of income arising from buyback of shares w.e.f. April 1, 2014 (i.e., Assessment year 2014-15). The Finance Act (No. 2), 2019 has also made consequential changes to section 10(34A) of the ITA extending the benefit of exemption of income from buy-back to shareholders in respect of shares listed on recognized stock exchange as well.

Thus, the tax implications on the following categories of shareholders are as under:

A. Resident Shareholders or Deemed Resident Shareholders

Income arising to the shareholder on account of buy-back of shares as referred to in section 115QA of the ITA is exempt from tax under the provisions of the amended section 10(34A) of the ITA in the hands of the shareholders with effect from July 5, 2019.

B. Non-Resident Shareholders:

While the income arising to the shareholder on account of buy back of shares as referred to in section 115QA of the ITA is exempt from tax under the provisions of the amended section 10(34A) with effect from July 5, 2019 in the hands of a Non-resident as well, the same may be subject to tax in the country of residence of the shareholder as per the provisions of the tax laws of that country. The credit of tax may or may not be allowed to such non-resident shareholder to be claimed in the country of residence in respect of the buy-back tax paid by the company in view of Sec 115QA (4) and (5) of the ITA. Non-resident shareholders need to consult their tax advisors with regard to availability of such a tax credit.

TAX DEDUCTION AT SOURCE

Currently, there are no provisions for tax deduction at source in respect of income earned from transfer/ buyback of shares in case of resident shareholders/ deemed resident shareholders.

Given that income arising on account of the buy-back of the shares is exempt from tax under Section 10(34A) of ITA, the same would not be subject to tax deduction at source for non-resident shareholders.

SECURITIES TRANSACTION TAX

Since the Buyback of shares shall take place through the settlement mechanism of the Stock Exchange, Securities Transaction Tax will be applicable at the applicable rate.

CHANGES PROPOSED IN UNION BUDGET 2024-25

With effect from October 1, 2024, below changes are proposed in the buyback tax provisions, however these changes shall not be applicable to the proposed Buyback:

- (a) Buy-back tax will be abolished and consideration received by the shareholders on account of buyback of equity shares shall be taxed in the hands of the shareholders as dividend income and shall be charged to income-tax at applicable rates.
- (b) Consideration paid for the buyback of equity shares is to be taxed without allowing any deduction.
- (c) TDS provisions to apply on payments to shareholders. Domestic company will withhold tax at 10% from payment to resident shareholders.
- (d) Cost of acquisition of equity shares to be considered as capital loss for the shareholders, which shall be eligible for setoff against any other capital gain.

Caveat:

The summary of the tax considerations as above is based on our understanding of the current provisions of the tax laws of India, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

Shareholders, who are non-residents in India, in respect of tax consequence (including capital gain tax, if any) in their state of residence, are required to consult their tax advisors for the applicable tax and the appropriate course of action that they should take considering the provisions of the relevant country or state tax law and provisions of DTAA where applicable.

The above note on taxation sets out the provisions of law in a summary manner only and does not purport to be a complete analysis or listing of all potential tax consequences of the disposal of equity shares. This note is neither binding on any regulators nor can there be any assurance that they will not take a position contrary to the comments mentioned herein. There can be no liability on the company or signing firm if any action is taken by the shareholder solely based on this tax summary. Therefore, shareholders cannot rely on this advice and the summary tax implications relating to the treatment of income tax in the case of buyback of equity shares listed on the stock exchange as set out above.
