Sub: To set up 04 MWP Captive Solar Power Plant at Rajnandgaon, Chhattisgarh.

Pursuant to regulation 30 of SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015, we are pleased to inform you that the Board in its meeting held on 04th September, 2023, has considered and the proposal to set up 4 MWP Captive Solar Power plant of the Company and also authorised to Managing Directors and Whole Time Director to make necessary applications for approvals of setting up the project, if approved, will commission the said plant in the land of Company situated at Rajnandgaon, Chhattisgarh.

The power generated at Solar Power Plant will be captively consumed to meet the power requirement of the Plant, which will replace the high-cost power consumption of the company, being purchased from state. The generation of Solar Energy will support the green initiatives of the Company and reduce the carbon foot print.

Further details of the same will be submitted and informed once all necessary approvals will be obtained by the company and project will be set up by the company.

This is for your kind information.

Thanking You,
Yours Faithfully,
FOR, JAINAM FERRO ALLOYS (I) LIMITED
