Dear Sir/Madam,

Sub: Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'Listing Regulations') - Commencement of Commercial Production by Subsidiary

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Para B of Part A of Schedule III thereto, we wish to inform you that Jain Green Technologies Private Limited, a wholly owned subsidiary of Jain Resource Recycling Limited, has fully implemented the Copper Anode production line at its Unit III manufacturing facility situated at Gummidipoondi, Tamil Nadu with effect from July 06, 2026.

The Copper Anode production line consists of two furnaces. The first one was commissioned in March, 2026 and the second furnace has been commissioned on July 06, 2026.

Completion of Anode production line marks a significant milestone in the Company's expansion strategy and will enhance the Group's recycling capabilities, operational efficiency and ability to cater to the growing demand for sustainable recycled metal products.

The above information is being submitted in compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We request you to kindly take the same on your record.

Thanking you,

Yours Faithfully,

For **JAIN RESOURCE RECYCLING LIMITED**
(formerly known as Jain Resource Recycling Private Limited)
