Business Update

January 07, 2026: Nandani Creation Limited (NCL), a leading women's Indian wear company operating under its flagship brand *Jaipur Kurti*, is pleased to announce a significant milestone marked by strong sales performance and strategic expansion across retail and omnichannel platforms.

Strong Sales Momentum

Company recorded robust year-on-year sales growth, supported by sustained consumer demand across its ethnic and contemporary apparel portfolio. Growth was driven by improved sell-through across both offline and online channels, higher customer traction, and strong performance across key categories including festive wear, daily wear, office wear, and occasion wear.

This consistent momentum resulted in the Company achieving **₹100+ crore** in sales during calendar year 2025, a growth of ~ 46% in comparison to CY 2024 positioning *Jaipur Kurti* among a select group of Indian fashion brands to reach this scale while maintaining a profitable operating track record.

Key Recent Developments

Company has built an online and offline sales channel:

- E-commerce Platforms:
Available on all major platforms – Myntra, AJIO, Flipkart, Amazon, Nykaa Fashion and its own website www.jaipurkurti.com & Mobile Application- App store and Play store both.

- Quick Commerce:
Among the first ethnic wear brands to enter Swiggy InstaMart, ensuring rapid delivery and increasing accessibility.

Commenting on the development, Mr. Anuj Mundhra, Chairman & Managing Director of Nandani Creation Limited commented: " From 2014 to 2022, the company built a strong first-mover advantage in digital-first model, achieving nationwide reach and a 52% sales CAGR. However, challenges [rising competition and customer acquisition costs] as a pure online player pushed the company to transform into a well-rounded brand from an online supplier. As such, in FY 2023 and FY 2024, strategic shift in strategy lead to a temporary moderation in sales as channel parity was established. In the current phase (2025–2028), the company has strengthened its omni-channel presence transforming into a prominent national brand from an online supplier."
