About JKE™

Jaykay Enterprises Limited ("JKE"), a part of the J K Organisation and part of the 140 years old diversified JK Conglomerate, traces its legacy to the vision and entrepreneurial spirit of Late Lala Juggilal Singhanian and his son Late Lala Kamalpat Singhanian. Inspired by Mahatma Gandhi's Swadeshi movement and driven by the zeal to set up an Indian enterprise, Lala Kamalpat Singhanian founded J.K. Organisation in the 19th century ushering in a new industrial era in India. The process of industrialization was worthily and successfully carried by Sir Padampat Singhanian in fulfilling the vision and dream of his father and grandfather and made J.K. Organisation as one of the largest private sector groups in India.

Incorporated originally as J.K. Investment Trust Limited, the Company transitioned into J.K. Synthetics Limited in 1960 and adopted its present identity, Jaykay Enterprises Limited, in 2010. Over the decades, JKE has continually evolved, beginning with nylon and acrylic fibre, later diversifying into Registrar and Share Transfer Agent services, and in 2020 reviving its business operations with a renewed focus on Digitisation and Technology.

The Company's present business operations are structured around three core segments: Defence & Aerospace, Digital Manufacturing & Advanced Systems and Digital Services.

Through this strategic repositioning, JKE is steadily transforming into a future-ready Digital & Technology enterprise, with a diversified business model aligned to emerging industry opportunities.

Building on its rich legacy and future-focused vision, Jaykay Enterprises Limited continues to embody the pioneering spirit of its founders while fostering innovation, advancing technology, and promoting self-reliance in support of India's growth.

Mr. Abhishek Singhanian

Chairman and Managing Director

Dear Shareholders,

It is with great pride that I address you through this Annual Report, as we reflect on the journey and continued progress of Jaykay Enterprises Limited.

In the backdrop of Global wars and conflicts, Global defence expenditure continued its increasing trend since 2015; impetus after start of the Ukraine war. Similarly, Indian defence spend has also reached USD ~86Bn in FY 2025. Indian defence budget is among top 5 countries in the world. At the same time, India is world's second largest importer of defence related equipment and stores.

Focus of GoI in Defence manufacturing & procurement is towards indigenization i.e. 'Atmanirbhar Bharat'. The Integrated Capability Development Plan (ICDP) envisages defence procurement of ~ ₹ 11 Lakh Cr over the next 5-6 years, i.e. ~ ₹ 1.84 Lakh Cr per year. Projected procurement in TPCR (Technology Perspective & Capability Roadmap) area is estimated to be about 10% of total defence procurement. JKE's manufacturing capability and credentials indicate fitment with some of these platforms / munitions.

During FY 2025-26, your Company's Total Income stood at ₹282.30 crores, registering a growth of 185% YoY compared to ₹ 98.94 crore in FY2024-25 while EBIDTA [before exceptional items*] rose to ₹ 66.89 crore, registering a growth of 274% YoY compared to ₹17.84 crore in the previous year.

FY 2025-26 has been a landmark year of strategic progress for Jaykay Enterprises as we continue to evolve from a component supplier into a high-value, technology-driven manufacturing and solutions company catering to Defence, Aerospace, Orthopaedic Implants and Additive Manufacturing sectors. This transition is enabling us to deliver increasingly complex and differentiated products with higher value addition and deeper customer engagement. Key Developments during the Year are as follows:

Defence & Aerospace:

- During FY 2025-26, the business secured orders from key strategic defence organizations including BrahMos Aerospace Pvt. Ltd. (BAPL), Bharat Dynamics Ltd. (BDL), Hindustan Aeronautics Ltd. (HAL), BARC, Bharat Electronics Ltd. (BEL), NSTL and ADA. The Company continues to actively participate in multiple development and qualification programs, positioning itself for future opportunities across missile systems, aerospace structures, defence electronics and underwater platforms.
- The expansion of the Cherlapally facility in Hyderabad was successfully completed during the year. The upgraded facility significantly enhances the Company's capabilities in manufacturing large composite structures and advanced underwater systems for strategic defence applications.
- JK Defence is presently carrying out development of a manufacturing facility for machining and production of precision-turned components, systems & sub-systems and other engineering goods catering to the defence, aerospace and allied industries, including repayment of loans availed by JK Defence as interim financing for the said facility. This would be an Ultra Modern 400,000 SQ. FT. advanced manufacturing complex in Devanahalli (North Bengaluru) designed to position JKE as a

leading player in aerospace-grade precision engineering and additive manufacturing. This complex is planned for a 200,000 SQ. FT. – Precision Manufacturing Operations, 100,000 SQ. FT. – Additive Manufacturing Center with Capacity to house 80–100 industrial 3D metal printers. 50,000 SQ. FT. is likely to be dedicated to Research & Development and the balance for Corporate & Engineering Offices. We expect the Civil Construction completion likely by December 2026 and Project Completion – Q4, 2027. Upon completion, the project will substantially augment large-scale precision engineering and additive manufacturing capabilities, strengthening the Company's ability to serve the rapidly growing defence and high-technology engineering sectors. A Rights Issue is currently underway to primarily fund this development.

- During April 2026, the Company acquired Business Undertaking of Patange Industries Pvt. Ltd., engaged in the business of defence precision manufacturing, fabrication and engineering design services, on a slump sale basis. The acquisition expands the Company's product portfolio and capabilities in critical defence applications including warheads, bulkheads, shells and other specialized engineered systems, while also opening new opportunities with strategic customers across the defence ecosystem.

Digital Manufacturing & Advanced Systems:

- During FY 2025–26, the Company successfully completed the Peenya orthopaedic implant manufacturing project, marking a significant milestone in its medical technology and advanced manufacturing journey. The facility has received CDSCO MD13 certification and commenced trial production during the year.
- The unit has also been awarded "ISO 13485:2016, Medical Device – Quality Management System" and "ISO 9001:2015" Certifications by BSCIC Certifications Private Limited for "Manufacture and Sale of Additive Manufactured Sterile Revision Surgery Hip Implants, Augments, Spinal Implants and Patient Specific Implants". The receipt of these ISO certifications marks an important milestone for JK Digital's Medical Implants business. The above certifications pave the way for end-to-end manufacturing solutions leveraging JK Digital's Additive Manufacturing capabilities.
- Commercial production and deliveries of Patient Specific Implants (PSI) commenced during the year, enabling the Company to enter the high-value customized medical implant segment and strengthen its presence in precision healthcare manufacturing.
- The Company also made significant progress in the development of defence-related products utilizing advanced additive manufacturing technologies under the Government of India's Atmanirbhar Bharat initiative. These products are currently undergoing final stages of qualification and approval for strategic applications.

Digital Services:

- During FY 2025–26, the Company successfully deployed JIVA, its AI orchestration platform, for large enterprise customers across the United States and Europe, delivering strong business outcomes and gaining encouraging customer traction across multiple use cases.
- The platform continues to witness growing interest across Retail, Manufacturing, Consumer Products, Financial Services and Insurance sectors. The Company is also actively exploring applications of the platform within the Defence and Aerospace ecosystem.
- The Company further strengthened its digital transformation offerings through GenAI and Agentic AI-led solutions, enabling customers to accelerate automation, operational efficiency and intelligent decision-making. These initiatives have contributed to robust growth in the digital services business.
- Nebula3D Services Pvt. Ltd., an associate company, commenced engagements in the Digital Twin space for large manufacturing organizations, supporting next-generation smart manufacturing and industrial transformation initiatives.

Looking ahead, we look to complete Precision Manufacturing project at Devanahalli and deepen our business in Defence & Aerospace. Medical Implants continues to further spread its distribution and market reach. Digital Services likely to see deepen customer focus around our AI orchestration platform JIVA.

On behalf of the Board, I extend my sincere appreciation to our shareholders, investors, employees, bankers, customers, vendors, and business associates for their continued trust and support. Together, we are not only strengthening Jaykay Enterprises but also contributing meaningfully to India's journey of innovation, security, and industrial leadership.

May the upcoming festive season bring joy, prosperity, and new opportunities for us all.

Thank you,
Abhishek Singhania

NOTES:

1. The Explanatory Statement pursuant to the provisions of Section 102 of the Companies Act, 2013 (the "Act") setting out all material facts concerning Special Businesses to be transacted at the Annual General Meeting ("AGM" / "Meeting") is annexed hereto and forms part of this Notice.
2. In accordance with the provisions of the Act read with Rules made thereunder and General Circular No. 03/2025 dated September 22, 2025, other Circulars issued by the Ministry of Corporate Affairs ("MCA") from time to time, companies are allowed to hold AGM through Video Conferencing ("VC") / Other Audio Visual Means ("OAVM"), without the physical presence of members at a common venue. Accordingly, in accordance with the MCA Circulars and applicable provisions of the Act read with Rules made thereunder and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the 80th AGM of the Company is being conducted through VC / OAVM. The detailed procedure for participating in the Meeting through VC / OAVM Facility is mentioned hereunder in this Notice. The deemed venue for the AGM shall be the Registered Office of the Company i.e., Kamla Tower, Kanpur, Uttar Pradesh - 208001.
3. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members under Section 105 of the Act will not be available for the AGM. However, in pursuance of Section 112 and 113 of the Act, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC / OAVM on their behalf and participate thereat and cast their votes through remote e-voting.
4. Since the AGM will be held through VC / OAVM facility, the Proxy Form, Attendance Slip and Route Map are not annexed hereto.
5. Institutional / Corporate Members (i.e., other than individuals / HUF / NRI, etc.) intending to authorize their representatives to attend the AGM through VC / OAVM on its behalf and to vote through e-voting, are requested to send a certified scanned copy (PDF / JPG Format) of its Board or governing body resolution / authorisation letter to the Scrutinizer by e-mail through its registered e-mail address at vmcorporatelifilings@gmail.com with copies marked to the Company at cs@jaykayenterprises.com and to the Company's Registrar to an Issue and Share Transfer Agent ("RTA") at rta@alankit.com.
6. The details of directors seeking re-appointment in the ensuing AGM as required pursuant to the provisions of SEBI Listing Regulations and Secretarial Standard on General Meetings ("Secretarial Standard - 2") issued by the ICSI, as applicable, are provided in the **Annexure - I** annexed to the Notice.
7. **Dispatch of Notice of AGM and Annual Report through Electronic Mode:**
 - i) Pursuant to the aforesaid MCA Circulars and SEBI Circulars, the Notice of AGM and the Annual Report for the financial year 2025-26 are being sent only through electronic mode to those Members whose email addresses are registered with the Company / Depositories. Therefore, Members, whose email address is not registered with the Company or with their respective Depository Participant(s), and who wish to receive the soft copy of Notice of the AGM and the Annual Report for the financial year 2025-26 and all other communications sent by the Company, from time to time, can get their email address registered by following the steps as given below:-

 - b) For the Members holding shares in demat form, please update your email address with your respective Depository Participant(s) ("DPs").
 - ii) Further, in compliance with Regulation 36(1)(b) of the Listing Regulations, a letter providing the web-link, including the exact path, where Annual Report for the financial year 2025-26 is available, is being sent to those members whose e-mail address is not registered with the Company / RTA / Depository Participants / Depositories. Members may also note that the Notice of the 80th AGM and the Annual Report for the financial year 2025-26 will also be available on the Company's website viz. www.jaykayenterprises.com and on the website of the Stock Exchanges where the equity shares of the Company are listed viz. BSE Limited ("BSE") at <https://www.bseindia.com> and National Stock Exchange of India Limited ("NSE") at <https://www.nseindia.com>.
 - iii) The Notice of AGM will be sent to those Members / Beneficial Owners electronically, whose name will appear in the Register of Members / List of Beneficiaries received from the depositories as on Friday, August 28, 2026.
 - iv) Any person who has acquired shares and become member of the Company after the dispatch of this Notice and holding shares as on the cut-off date i.e. Tuesday, September 22, 2026, may obtain electronic copy of Notice of AGM and the Annual Report by sending a request to the Company or Company's RTA i.e. Alankit Assignments Limited.
8. Members attending the meeting through VC / OAVM including authorized representative(s)/attorney holder(s) of corporate members, institutional investors etc. shall be counted for the purposes of reckoning the quorum under the provisions of Section 103 of the Act.

9. In compliance with the provisions of Section 108 of the Act and Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of SEBI Listing Regulations and Circulars, the Company is providing the facility of e-Voting (including remote e-Voting) to its members in respect of the businesses to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited ("CDSL") to avail its services for facilitating voting through electronic means. The facility of casting votes by a member using remote e-Voting system during the remote e-Voting period as well as e-voting during the AGM will be provided by CDSL.
10. The remote e-voting facility will be available during the following period:
 - a. Commencement of remote e-voting: From 09:00 a.m. (IST) on Saturday, September 26, 2026 and end of remote e-voting: Up to 05:00 p.m. (IST) on Monday, September 28, 2026;
 - b. The remote e-voting will not be allowed beyond the aforesaid date and time and the e-voting module shall be disabled by CDSL upon expiry of aforesaid period.
11. The Register of Members and the Share Transfer Books of the Company will remain closed from Wednesday, September 23, 2026 to Tuesday, September 29, 2026 (both days inclusive) for the purpose of AGM. The cut-off date to determine the eligibility for the purpose of voting through electronic means in the AGM is Tuesday, September 22, 2026.

INSTRUCTIONS FOR E-VOTING:

Pursuant to Section 108 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 and as amended, the Company is pleased to provide remote e-voting facility to enable the Members to cast their votes electronically on the resolutions mentioned in the Notice of the AGM of the Company to be held on Tuesday, September 29, 2026. The Company has appointed CS Varuna Mittal, Practicing Company Secretary (C.P No. 23575), Proprietor of M/s. Varuna Mittal & Associates, as the Scrutinizer to scrutinize the remote e-voting and e-voting during the AGM in a fair and transparent manner. The list of shareholders/ beneficial owners shall be reckoned on the equity shares as on August 28, 2026. The remote e-voting period will commence on September 26, 2026 at 09:00 a.m. (IST) and will end on September 28, 2026 at 05:00 p.m. (IST). During this period, shareholder of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. September 22, 2026, may cast their vote electronically. The remote e-voting module shall be disabled by Central Depository Services (India) Limited ("CDSL") for voting thereafter. Once the vote on a resolution is cast by a Member, whether partially or otherwise, it shall not be allowed to change subsequently. Voting has to be done for each item of the Notice separately. EXPLANATORY STATEMENT

(Pursuant to Section 102 of the Companies Act, 2013 and Secretarial Standard - 2 issued by The Institute of Company Secretaries of India)

The following Statement sets out all material facts relating to the businesses mentioned under Item Nos. 3 to 13 of the accompanying Notice dated August 14, 2026 and shall be taken as forming part of the Notice.

Item No. 3

Mr. Abhishek Singhania (DIN: 00087844) was re-appointed as the Chairman & Managing Director ("CMD") of the Company, not liable to retire by rotation, for a period of 3 (three) consecutive years commencing from July 01, 2024 to June 30, 2027 (both days inclusive), without remuneration. His re-appointment was approved by the shareholders of the Company by passing an Ordinary Resolution through Postal Ballot on March 16, 2024.

The present term of office of Mr. Abhishek Singhania as CMD of the Company shall expire on June 30, 2027. In terms of the proviso to Section 196(2) of the Companies Act, 2013 ("Act"), no re-appointment of a Managing Director shall be made earlier than one year before the expiry of his term. Accordingly, the proposed re-appointment of Mr. Abhishek Singhania is within the permissible period prescribed under the Act.

During his tenure as CMD, Mr. Abhishek Singhania has provided strategic guidance and leadership to the Company and has contributed to its growth and development. His experience, business acumen, knowledge of the Company's operations and understanding of the industry are considered valuable for the continued growth and development of the Company.

Considering his experience, leadership, strategic guidance and contribution to the growth and overall performance of the Company during his tenure as CMD, the Board of Directors at its meeting held on August 14, 2026, upon the recommendation of the Nomination and Remuneration Committee ("NRC"), had approved the re-appointment of Mr. Abhishek Singhania as CMD of the Company, under the category of Key Managerial Personnel under Section 203 of the Act, not liable to retire by rotation, for a further period of 3 (three) consecutive years commencing from July 01, 2027 till June 30, 2030 (both days inclusive), without remuneration, subject to the approval from the shareholders of the Company and receipt of requisite approvals, if any.

Mr. Abhishek Singhania satisfies the applicable conditions prescribed under Part I of Schedule V to the Act as also conditions set out under Section 196(3) of the Act for being eligible for his re-appointment as CMD of the Company. He has given his consent to act as CMD of the Company and has confirmed that he is not disqualified from being appointed or continuing as a Director under Section 164 of the Act.

He has also confirmed that he is not debarred from holding the office of a Director by virtue of any order of the Securities and Exchange Board of India ("SEBI") or any other statutory authority.

The resolution read with this Explanatory Statement may be treated as a written memorandum setting out the terms of re-appointment of Mr. Abhishek Singhania as required under Section 190 of the Act.

In terms of Section 160 of the Act, the Company has received a notice in writing from a Member proposing his candidature for the office of Director of the Company.

The requisite details of Mr. Abhishek Singhania, as required under Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard-2 on General Meetings, as applicable, are provided in **Annexure-I** appended to this Statement. This Explanatory Statement may also be regarded as an appropriate disclosure under SEBI Listing Regulations and other applicable laws.

Save and except Mr. Abhishek Singhania to whom the resolution relates, and his relatives, to the extent of their respective shareholding interest, if any, in the Company, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, except to the extent of their shareholding, if any, in the resolution as set out at Item no. 3 of this Notice.

The Board is of the view that the continued association of Mr. Abhishek Singhania, considering his experience, knowledge, leadership and contribution to the Company, would be beneficial to the Company and it would be desirable to continue to avail his services as CMD.

Accordingly, the Board of Directors recommends the resolution as set out at Item no. 3 of the Notice for approval by the Members by way of an Ordinary Resolution.

Item No. 4

Mr. Partho Pratim Kar (DIN: 00508567) was appointed as a Non-Executive Non-Independent Director on the Board of the Company w.e.f. February 12, 2021. Considering his active involvement in managing the operational and other administrative affairs of the Company, the Board of Directors, at its meeting held on April 15, 2024, redesignated Mr. Partho Pratim Kar as the Joint Managing Director ("JMD") of the Company for a period of 3 (three) consecutive years commencing from April 15, 2024 to April 14, 2027 (both days inclusive), without remuneration. His redesignation as JMD was approved by the shareholders of the Company by passing an Ordinary Resolution through Postal Ballot on June 23, 2024.

The present term of office of Mr. Partho Pratim Kar as JMD of the Company shall expire on April 14, 2027. In terms of the proviso to Section 196(2) of the Companies Act, 2013 ("Act"), no re-appointment of a Managing Director shall be made earlier

than one year before the expiry of his term. Accordingly, the proposed re-appointment of Mr. Partho Pratim Kar is within the permissible period prescribed under the Act.

During his tenure as JMD, Mr. Partho Pratim Kar has played a pivotal role in shaping the Company's business strategy and driving key initiatives towards its growth and expansion. His extensive industry experience, strong understanding of the business and effective leadership capabilities continue to contribute significantly to the Company's strategic direction and are expected to support its sustained growth and success.

Considering his experience, leadership, strategic guidance and contribution to the growth and overall performance of the Company during his tenure as JMD, the Board of Directors at its meeting held on August 14, 2026, upon the recommendation of the Nomination and Remuneration Committee ("NRC"), had approved the re-appointment of Mr. Partho Pratim Kar as JMD of the Company, under the category of Key Managerial Personnel under Section 203 of the Act, liable to retire by rotation, for a further period of 3 (three) consecutive years commencing from April 15, 2027 till April 14, 2030 (both days inclusive), without remuneration, subject to the approval from the shareholders of the Company and receipt of requisite approvals, if any.

Mr. Partho Pratim Kar satisfies the applicable conditions prescribed under Part I of Schedule V to the Act as also conditions set out under Section 196(3) of the Act for being eligible for his re-appointment as JMD of the Company. He has given his consent to act as JMD of the Company and has confirmed that he is not disqualified from being appointed or continuing as a Director under Section 164 of the Act.

He has also confirmed that he is not debarred from holding the office of a Director by virtue of any order of the SEBI or any other statutory authority.

The resolution read with this Explanatory Statement may be treated as a written memorandum setting out the terms of re-appointment of Mr. Partho Pratim Kar as required under Section 190 of the Act.

In terms of Section 160 of the Act, the Company has received a notice in writing from a Member proposing his candidature for the office of Director of the Company.

The requisite details of Mr. Partho Pratim Kar, as required under Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard-2 on General Meetings, as applicable, are provided in **Annexure-I** appended to this Statement. This Explanatory Statement may also be regarded as an appropriate disclosure under SEBI Listing Regulations and other applicable laws.

Save and except Mr. Partho Pratim Kar to whom the resolution relates, and his relatives, to the extent of their respective shareholding interest, if any, in the Company, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, except to the extent of their shareholding, if any, in the resolution as set out at Item no. 4 of this Notice.

The Board is of the view that the continued association of Mr. Partho Pratim Kar, considering his experience, knowledge, leadership and contribution to the Company, would be beneficial to the Company and it would be desirable to continue to avail his services as JMD.

Accordingly, the Board of Directors recommends the resolution as set out at Item no. 4 of the Notice for approval by the Members by way of an Ordinary Resolution.

ITEM NO. 5

Mr. Vedang Hari Singhania is the son of Mr. Abhishek Singhania, Chairman & Managing Director of the Company and accordingly, is a related party of the Company within the meaning of Section 2(76) of the Companies Act, 2013 ("Act"). Mr. Vedang Hari Singhania has been appointed as Associate Vice President in J K Technosoft Limited ("JK Tech"), a subsidiary of the Company, with effect from April 02, 2026, at a remuneration of Rs. 65 Lakhs per annum.

Section 188(1)(f) of the Act, read with Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 ("Rules"), provides for the applicable approval requirements in respect of appointment to any office or place of profit in the company, its subsidiary company or associate company where the monthly remuneration exceeds the prescribed threshold of Rs. 2.50 Lakhs. Since the remuneration payable to Mr. Vedang Hari Singhania exceeds the prescribed threshold, the transaction requires the approval of the Members of the Company by way of an Ordinary Resolution.

Accordingly, the approval of the JK Members is being sought for ratification of the appointment of Mr. Vedang Hari Singhania to the office or place of profit in JK Tech and the remuneration payable to him with effect from April 02, 2026.

The Board of Directors of the Company, at its meeting held on August 14, 2026, based on the recommendation of the Audit Committee, considered the appointment and remuneration of Mr. Vedang Hari Singhania, a related party of the Company, as Associate Vice President in JK Tech, a subsidiary of the Company, and recommended the same for approval and ratification by the Members.

The particulars of the appointment and remuneration, as required pursuant to the provisions of Section 188 of the Act and Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014, are set out below:

S.N.	Particulars	Remarks
1.	Name of the Related Party	Mr. Vedang Hari Singhania
2.	Name of the Director or Key Managerial Personnel who is related	Mr. Abhishek Singhania

3.	Nature of Relationship	Mr. Vedang Hari Singhania is the son of Mr. Abhishek Singhania, Chairman & Managing Director of the Company
4.	Nature, material terms, monetary value and particulars of the contract or arrangements	Ratification of appointment to the office or place of profit: Mr. Vedang Hari Singhania has been appointed as Associate Vice President in JK Tech, a subsidiary of the Company, with effect from April 02, 2026, at a remuneration of Rs. 65 Lakhs per annum, comprising Fixed Pay of Rs. 50 Lakhs per annum and Variable Pay of Rs. 15 Lakhs per annum, together with other benefits and perquisites, including insurance, Provident Fund, gratuity, etc., as per the applicable rules and policies of JK Tech, and on such other terms and conditions as may be agreed between JK Tech and Mr. Vedang Hari Singhania. Any change in designation and revision in remuneration shall be finalised by the Board of Directors of JK Tech (including any Committee thereof), from time to time, in accordance with the applicable policies of JK Tech relating to performance measurement, appraisal and remuneration and applicable laws.
5.	Any other information relevant or important for the members to take a decision on the proposed resolution	The remuneration of Mr. Vedang Hari Singhania has been recommended considering his qualifications, expertise and experience. He holds a Bachelor of Science in Business Administration from Boston University and has over five years of corporate experience. The remuneration and other commercial terms have been determined after considering the scope and responsibilities of the role, his experience and expertise, prevailing market benchmarks for comparable positions, internal compensation parity, business requirements and the overall compensation philosophy of JK Tech. Based on the above considerations, the remuneration was considered appropriate and competitive.

Mr. Abhishek Singhania, Chairman & Managing Director of the Company and his relatives may be deemed to be concerned or interested in the resolution as set out at Item No. 5, to the extent of their shareholding interest, if any in the Company and shall not vote on the Ordinary Resolution set out at Item No. 5 of the Notice, in terms of the second proviso to Section 188(1) of the Companies Act, 2013 read with General Circular No. 30 / 2014 dated July 17, 2014 issued by the Ministry of Corporate Affairs.

Except as mentioned above, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, except to the extent of their shareholding interest, if any, in the resolution as set out at Item no. 5 of the Notice.

The Board of Directors recommends the resolution as set out at Item no. 5 of the Notice for approval and ratification by the Members by way of an Ordinary Resolution.

Item Nos. 6 to 13

Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), inter alia, states that all material related party transactions ("RPTs") shall require prior approval of the members by means of an Ordinary Resolution, even if such transaction(s) are in the ordinary course of business and undertaken at an arms' length pricing basis.

For a listed entity having consolidated turnover upto Rs. 20,000 Crore, a transaction with a related party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds 10% of the annual consolidated turnover of a listed entity as per the last audited financial statements of the listed entity.

Further, Regulation 2(1)(zb) of the SEBI Listing Regulations has provided the definition of related party and Regulation 2(1)(zc) of the SEBI Listing Regulations has defined related party transaction to include a transaction involving transfer of resources, services or obligations between (i) a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand; or (ii) a listed entity or any of its subsidiaries on one hand, and any other person or entity on the other hand, the purpose and effect of which is to benefit a related party of the listed entity or any of its subsidiaries, regardless of whether a price is charged.

The Securities and Exchange Board of India ("SEBI") vide its Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated June 26, 2025, ("Circular") has mandated listed companies to follow "Industry Standards on Minimum information to be provided for review of the audit committee and shareholders for approval of a related party transaction ("ISF Note"). The ISF Note prescribes information to be provided for review of the Audit Committee and Shareholders for approval of Material RPTs.

In compliance with the above Circular, the additional information as required under the ISF Note for approval of Material RPTs, inter alia, including rationale, material terms, justification as to why the proposed RPT(s) are in the interest of the Company and the basis of pricing, was placed before the Audit Committee and the Board of Directors of the Company. The same has also been incorporated below as a part of the Explanatory Statement. The Audit Committee has also reviewed and taken note of the certificate placed before it by Mr. Partho Pratim Kar, Joint Managing Director and Mr. Sanjay Jain, Chief Financial Officer of the Company, confirming that the proposed RPT(s) are in the interest of the Company.

The Audit Committee and the Board of Directors, after reviewing all requisite information in accordance with the SEBI Listing Regulations, Companies Act, 2013, and the strategic rationale, have granted their approval for entering into the proposed RPTs, subject to approval of the members. The Company and its subsidiaries & related parties have a well-defined governance process for undertaking related party transactions. The Audit Committee has noted that the proposed transactions shall be carried out in the ordinary course of business and on an arm's length basis.

The members may note that the Company's business operations are integrated and are carried out either directly or through its subsidiaries, joint venture, and associates, operating across diverse sectors such as Defence, Digital & Advanced Systems, and Digital Services. In the ordinary course of business, various transactions are undertaken between the Company and such related parties or between such related parties itself in order to ensure operational efficiency, optimal resource utilisation, timely execution of commitments, value creation, and smooth conduct of business activities.

In view of the scale, nature and interdependent functioning of the Company and its group entities, it is essential to continue entering into transactions such as purchase/sale of goods or services, job work, availing or rendering of services, leasing arrangements, sharing of resources, reimbursement of expenses, intercorporate support arrangements and other operational transactions, which are necessary for efficient business conduct and for strengthening the Company's market position and growth trajectory.

Based on the estimated value of such transactions, during the period commencing from the conclusion of the 80th Annual General Meeting of the Company until the conclusion of the 81st Annual General Meeting of the Company to be held in the year 2027, the proposed RPTs may exceed the materiality thresholds prescribed under Regulation 23 of the SEBI Listing Regulations. Accordingly, the approval of the shareholders is required. In view of the above, Resolution nos. 6 to 13 are placed for approval by the members of the Company.

Details required to be furnished as per the SEBI Listing Regulations are mentioned below:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENT

• Global Economic Overview

The global economy remained resilient during FY 2025-26 despite an increasingly complex operating environment characterised by geopolitical tensions, trade and policy uncertainties, supply-chain realignments and volatility in commodity and financial markets. Global economic activity remained relatively stable through much of the period; however, the outlook continued to be influenced by changing trade and investment patterns, elevated geopolitical risks, energy-price movements and financial-market volatility.

According to the International Monetary Fund (“IMF”), global economic growth is projected at 3.1% in 2026 and 3.2% in 2027. Growth in advanced economies is expected to remain relatively moderate, while emerging market and developing economies are expected to continue contributing significantly to global economic expansion. The outlook remains uneven across economies, with technology-led investment and continued adoption of Artificial Intelligence (“AI”) providing support to economic activity, while geopolitical conflicts, energy-related disruptions, trade restrictions and financial-market repricing continue to pose risks to the global economic outlook.

Technological transformation continues to reshape the global economic and industrial landscape. The rapid adoption of AI, cloud computing, automation, advanced manufacturing, data technologies and digital platforms is creating opportunities for productivity enhancement, innovation and investment across industries. At the same time, governments and businesses are increasingly focused on strengthening supply-chain resilience, domestic manufacturing capabilities, technological self-reliance and access to strategically important technologies.

The medium-term global environment therefore presents a combination of opportunities and uncertainties. The continuing shift towards resilient, technology-driven and locally integrated supply chains is expected to influence investment, manufacturing and trade patterns across economies, particularly in strategically important and technology-intensive sectors.

• Indian Economy Overview

The Indian economy maintained strong growth momentum during FY 2025-26 and continued to rank among the fastest-growing major economies globally. According to the Provisional Estimates released by the National Statistical Office (“NSO”), India’s real GDP grew by 7.7% during FY 2025-26, compared with 7.1% in FY 2024-25.

The growth momentum was supported by robust domestic demand, continued public capital expenditure, manufacturing and services activity, infrastructure development and improving investment conditions. Real Gross Value Added (“GVA”) grew by approximately 7.9% during FY 2025-26, reflecting broad-based economic activity across key sectors.

India’s medium-and long-term economic fundamentals remain supported by favourable demographics, increasing formalisation of the economy, rapid digitalisation, infrastructure creation and continued policy emphasis on domestic manufacturing. Government initiatives such as Make in India, Atmanirbhar Bharat and Digital India, together with production-linked initiatives and infrastructure investments, continue to strengthen India’s manufacturing and technology ecosystem.

India’s transition towards advanced manufacturing and greater technological self-reliance is creating opportunities across sectors such as defence and aerospace, electronics, additive manufacturing, artificial intelligence, cloud computing, data services and other emerging technologies.

The Defence & Aerospace sector witnessed significant progress during FY 2025-26. India’s defence production reached an all-time high of approximately Rs. 1.78 lakh crore, registering growth of 15.6% over the previous financial year. The private sector’s share increased to approximately 24% of total defence production, reflecting increasing participation of private enterprises in India’s defence manufacturing ecosystem.

Defence exports also reached a record Rs. 38,424 crore during FY 2025-26, representing growth of approximately 62.7% over FY 2024-25. Indian defence products are now exported to more than 80 countries, demonstrating increasing international acceptance of India’s defence manufacturing capabilities.

The technology sector continues to remain an important pillar of India’s economic growth. Increasing adoption of Generative AI, Agentic AI, cloud platforms, data engineering, automation and enterprise digital transformation is reshaping technology spending and service delivery models.

Advanced manufacturing is also gaining strategic importance. Additive Manufacturing, which integrates digital design, simulation and advanced fabrication, is increasingly being adopted for complex and customised applications across aerospace, defence, healthcare, automotive and industrial sectors.

India’s economic prospects remain favourable, supported by domestic consumption, infrastructure investment, manufacturing expansion, technological adoption and policy-led reforms. Nevertheless, geopolitical uncertainties, volatility in commodity and energy prices, global trade disruptions and external financial conditions remain key risks that require continued monitoring.

Against this backdrop, the Company's diversified presence across Defence & Aerospace, Digital Manufacturing & Advanced Systems and Digital Services positions it to participate in India's continuing transition towards indigenous manufacturing, advanced technologies and digital transformation.

- **Organization and Business Overview**

Jaykay Enterprises Limited ("JKE" / "the Company"), a part of the J K Organisation, traces its legacy to the 140-year-old diversified JK conglomerate and the vision and entrepreneurial legacy of Late Lala Juggilal Singhania and his son, Late Lala Kamlapat Singhania, whose pioneering vision and dynamic leadership contributed to the growth and diversification of the Group.

Strategic Repositioning of JKE into Digital & Technology Business

JKE, which earlier operated in the business of Registrar and Share Transfer Agent services, revived its business operations in 2020 with a strategic focus on Digitalisation, Technology and Advanced Engineering. Since then, the Company has progressively diversified and strengthened its business portfolio across three core segments:

- Defence & Aerospace - Engaged in the manufacturing of essential parts and accessories utilized in the defence and aerospace sectors. Furthermore, we are engaged in precision engineering including design and development of these products. Our diverse portfolio encompasses composite applications, underwater mines, and precision machining tailored specifically for the Defence and Aerospace industry.
- Digital Manufacturing & Advanced Systems - Focused on Additive Manufacturing systems, Prototyping, powder metallurgy, Reverse Engineering, and plant modelling, leveraging advanced technologies to drive innovation in manufacturing.
- Digital Services - An important pillar with digital transformation and artificial intelligence (AI) as the main drivers.

Through this strategic repositioning, JKE is steadily transforming into a future-ready Digital & Technology enterprise, with a focus on leveraging its engineering capabilities, technology expertise and sectoral experience to participate in emerging opportunities across Defence & Aerospace, advanced manufacturing and digital services.

Commitment to Quality

Advanced technology and stringent quality standards remain at the core of all business segments at JKE. In the Defence & Aerospace segment, the IDA Bollaram facility of Allen Reinforced Plastics Limited (formerly Allen Reinforced Plastics Private Limited), a step-down subsidiary of the Company, at Hyderabad, has obtained AS9100:D and ISO 9001:2015 certifications and NABL accreditation, reflecting its focus on meeting the quality and performance requirements applicable to the Aerospace and Defence industry.

JK Defence & Aerospace Limited, a wholly owned subsidiary of the Company, is developing a state-of-the-art modern manufacturing complex at Devanahalli, which is expected to further enhance its operational and manufacturing capabilities. In the Medical Implants business, the requisite certifications and quality systems are in place to support the development and manufacture of customised and patient-specific solutions. Across its businesses, JKE remains focused on maintaining appropriate quality standards and strengthening its capabilities to meet evolving customer and industry requirements.

FORWARD-LOOKING BUSINESS OUTLOOK OF KEY BUSINESS SEGMENTS

The Company's diversified business portfolio across Defence & Aerospace, Digital Manufacturing & Advanced Systems and Digital Services provides exposure to sectors undergoing structural transformation driven by defence indigenisation, advanced manufacturing, digitalisation and adoption of emerging technologies. The Company remains focused on strengthening its capabilities, expanding its customer base and leveraging technology-led opportunities across its key business segments.

- **Defence & Aerospace**

The Indian Defence & Aerospace sector continues to offer significant opportunities in the current decade. The sector is projected to reach USD 70 billion by 2030, supported by increasing emphasis on defence indigenisation, higher defence allocations in the Union Budget, modernisation of the armed forces, domestic procurement, private-sector participation and expansion of defence exports. The Government's continued focus on self-reliance under the Atmanirbhar Bharat and Make in India programmes is contributing to the development of a broader domestic defence manufacturing ecosystem.

The Indian Government has progressively enhanced capital outlay for modernisation, increased the scope for private-sector participation, and earmarked a significant share of defence procurement for indigenous manufacturers. The opening of the defence production sector to 100% FDI under the automatic route (74% direct) has attracted global players to partner with Indian firms through joint ventures, technology transfer and other strategic arrangements. Strategic collaborations, coupled with the indigenisation drive and reforms such as corporatisation of Ordnance Factories, are contributing to the development of a stronger ecosystem for both domestic suppliers and exporters. The growing participation of private enterprises in defence production and exports is further strengthening opportunities across the defence manufacturing

value chain. The aerospace sector also presents opportunities arising from increasing demand for aircraft components, precision-engineered parts, maintenance and related engineering capabilities.

India is also emerging as an aerospace manufacturing hub, with international players setting up design, engineering, and maintenance capabilities in the country. This provides substantial opportunities for companies engaged in precision manufacturing, composites, digital integration, and advanced technology solutions tailored for defence and aerospace applications. The growing integration of advanced materials, precision manufacturing and technology-led engineering is expected to support demand for specialised suppliers capable of meeting stringent quality and performance requirements.

JKE, with its proven expertise in precision machining, composite applications, and systems integration, is well-positioned to capitalise on these developments. The Company continues to strengthen its capabilities to serve strategic missile programs, aerospace platforms, and next-generation defence technologies, while aligning its offerings with evolving national security requirements and global quality and performance standards.

Precision and Excellence in CNC Machining

We specialize in delivering high-quality CNC machining services tailored to meet the exact specifications of our clients. Our state-of-the-art equipment and experienced team ensure precision and efficiency in every project.

PRECISION · EFFICIENCY · QUALITY

Composite Manufacturing

We excel in advanced composite manufacturing, providing comprehensive solutions from initial design to final product assembly. With state-of-the-art technology and extensive industry experience, we ensure the highest standards in strength, weight, and durability for a wide range of applications.

STRENGTH · WEIGHT · DURABILITY

Precision Manufacturing for Defence & Aerospace

At JKE, we are experts in high-precision manufacturing, designed to meet the rigorous demands of the aerospace and defence industries. Our advanced facility and strict quality standards ensure superior performance and dependability. JKE has been a key player in the defense sector, providing high-precision components, subsystems, and systems for various defense and aerospace programs. We have significantly contributed to strategic missile programs through the provision of machined components and subassemblies. Our proficiency also includes systems integration for diverse defense programs, backed by our cutting-edge in-house facilities.

- **Digital Manufacturing & Advanced Systems**

Digital manufacturing and Additive Manufacturing are gaining increasing acceptance as industries seek to improve manufacturing efficiency, reduce material wastage, enable complex geometries, accelerate product development and reduce time-to-market. Additive manufacturing enables the production of complex, customised, and lightweight components that are critical in sectors such as aerospace, healthcare, automotive, energy, oil & gas and other industrial applications.

Globally, the additive manufacturing market is shifting from prototyping to large-scale industrial production, driven by falling equipment costs, advanced materials, and software integration. In India, while the sector remains at an evolving stage, it is gaining momentum, supported by increasing adoption across industries and Government initiatives, including the National Strategy for Additive Manufacturing, which aims to promote India as a global hub for Additive Manufacturing and 3D Printing.

3D Printing / Additive Manufacturing

We leverage advanced additive manufacturing technologies to deliver high-precision, high-quality components for various industries.

ADDITIVE · PRECISION · SPEED

Designing and Prototyping

We offer comprehensive designing and prototyping services that utilize the latest in reverse engineering, 3D scanning, and digital modeling technologies. Our commitment to precision and innovation ensures that we can meet the most complex requirements of our clients across various industries.

DESIGN · SCANNING · MODELING

JKE's capabilities in large-scale digital manufacturing, powder metallurgy, and reverse engineering ensure it remains at the forefront of this transformation, catering to diverse industries and unlocking new growth avenues. Building on its capabilities in additive manufacturing, prototyping, reverse engineering and aerospace components, JKE is expanding its market presence into medical technology.

A significant milestone has been the launch of customised medical and patient-specific implants. Leveraging JKE's expertise in additive manufacturing, digital design, and advanced materials, these biocompatible implants, particularly for applications in orthopaedics and dental care, represent a high-growth vertical with strong social impact potential.

Healthcare is emerging as an important application area for digital and additive manufacturing. Advances in digital design, 3D scanning, additive manufacturing and biocompatible materials are enabling the development of customised and patient-specific solutions, including applications in orthopaedics, dental care and surgical planning.

JKE's early investments in this segment enable it to participate in a market that combines social impact with commercial opportunities. By offering customised solutions tailored to individual patient anatomy, JKE is not only supporting better healthcare outcomes but also building a strong foundation for sustainable growth in this high-potential domain.

- Digital Services (Information Technology Sector)**

The rapid adoption of artificial intelligence, cloud computing, data analytics, enterprise applications, and hyper-automation is reshaping industries and driving efficiency across sectors. As enterprises increasingly rely on digital solutions to achieve growth, the Indian IT industry is well positioned to capture these opportunities, ensuring sustained expansion and innovation-led growth in the years ahead.

J K Technosoft Limited (“JKTL”), a material subsidiary of JKE, is a Gen AI-focused data services organization delivering digital transformation solutions through a range of services with a specialized focus on the Insurance & Financial Services and Retail & CPG sectors. At the core of JKTL’s offerings is JIVA, an enterprise-grade Gen AI orchestrator that seamlessly unifies data, AI agents, and industry context to deliver autonomous workflows. Its Agentic AI capabilities transform fragmented enterprise systems into connected, context-aware processes that accelerate decision-making, reduce errors, and scale without additional headcount.

Beyond these flagship platforms, JKTL offers a robust suite of services in data transformation and cloud engineering, helping clients modernize legacy systems, design intelligent pipelines, build scalable architectures, and implement secure governance frameworks. With measurable outcomes such as improved efficiency, revenue protection, faster time-to-market, and enhanced customer experiences, JKTL empowers organizations to drive innovation, boost productivity, and accelerate their digital transformation journey. Its clientele include Unilever, ICON, Mansfields, Varsity, Gategroup, Thermo Fisher, Segdwick, Inveniam, Belden, Allied World, HKB, Alliant International, One Shield, Specsavers, Mark Anthony and Lowell etc.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

Your Company has consolidated its business focus into specific dedicated opportunities. The Company along with its Subsidiaries, Associates and / or Joint venture is primarily engaged in the following business segments:

- (i) **Defence & Aerospace** - Machining and Manufacturing of precision-turned components and all varied types of engineering goods for the Defence and Aerospace sectors, along with trading and dealing in various kinds of products related to Defence, Aerospace and allied industries;
- (ii) **Digital Manufacturing & Advanced Systems** - Additive manufacturing including 3D Printing, providing technical consultancy services, 3D scanning, reverse engineering, plant modelling, design, development, and marketing of 3D printers, advance systems and software products for 3D and allied activities; and
- (iii) **Digital Services** - Information Technology (IT) services (Application Development, Integration & Support, IT Consulting, Mobility, Portal Services, Hyper Automation), Artificial Intelligence/Machine Learning, Data Transformation, Cloud Engineering, Enterprise Solutions (QAD, Microsoft Progress, Education and Training (IT/Non-IT, Industry Induction and Mobile Solutions).

As on date of this Report, your Company has 10 subsidiaries (including 6 step down subsidiaries), 1 associate and 1 joint venture.

The subsidiaries of the Company comprise:

- 2 (two) wholly owned subsidiaries (“WoS”), namely JK Defence & Aerospace Limited (“JK Defence”) and JK Digital & Advance Systems Private Limited (“JK Digital”);
- 2 (two) subsidiaries, namely JK Technosoft Limited and Neumesh Labs Private Limited; and
- 6 (six) step-down subsidiaries, namely Allen Reinforced Plastics Limited (formerly Allen Reinforced Plastics Private Limited), JK Tech US Inc, JK Tech UK Limited, JKT Bangladesh Private Limited, JKT Europe B.V. and JKT Netherlands B.V.

In addition, the Company has:

- 1 (one) associate company, namely Nebula3D Services Private Limited, and
- 1 (one) joint venture in the form of a limited liability partnership, namely JK Phillips LLP.

GROUP STRUCTURE

The in-house Research and Development (“R&D”) department enables the Company to achieve cost efficiencies and maintain technological leadership. The strong and dedicated R&D team continuously upgrades its knowledge and capabilities to keep pace with emerging technologies and adapt to the latest technological advancements.

Key Business Strategies / Significant Events

During the year under review and current year, the Company and its Subsidiaries made strategic investments aimed at strengthening the Company’s position and supporting the Company’s broader growth trajectory. Various other significant events also happened during the year under review and current year as under:

a. Jaykay Enterprises Limited:

- Acquisition of Partly Paid-Up Equity Shares of JKTL:** During the year under review, the Company approved and completed the acquisition of 1,24,07,276 partly paid-up equity shares of face value of Rs. 10/- (Paid up Rs. 2.50/-) each of JKTL, for a total purchase consideration of Rs. 112.43 crore. The acquisition was effected through a share swap, at an acquisition price of Rs. 163/- per share. In consideration of the aforesaid acquisition, the Company allotted 79,17,936 equity shares of face value of Re. 1/- each, at an issue price of Rs. 142/- per share, to the shareholders of JKTL on a preferential basis, for consideration other than cash, towards discharge of the purchase consideration. Pursuant to the aforesaid acquisition, the Company’s shareholding in JKTL increased from 97.48% to 99.07% (assuming full conversion of partly paid-up shares into fully paid-up shares).
- Listing of Equity Shares on the National Stock Exchange of India Limited (“NSE”):** During the year under review, the Company’s Equity Shares were listed and admitted to trading on the Main Board of NSE with effect from the commencement of trading hours on December 03, 2025, under the trading symbol “JAYKAY”, through the Direct Listing route.

The listing of the Company’s equity shares on NSE marks a significant milestone in the Company’s growth journey and is expected to enhance its market visibility, strengthen investor outreach and support long-term value creation.

Listing on the National Stock Exchange of India Limited

- **Acquisition of the Business Undertaking of Patange Industries Private Limited:** During the current year, the Company acquired the Business Undertaking of Patange Industries Private Limited, engaged in the business of Precision Manufacturing, Fabrication and Engineering Design services, by way of a slump sale on a going concern basis. The acquisition of the Business Undertaking is aligned with the Company's strategic objective of expanding its presence in the Defence & Aerospace sector while strengthening its engineering and technological capabilities. It is also expected to enhance the Company's operational capabilities in the design, analysis and manufacturing of complex engineering structures.

b. JK Defence & Aerospace Limited

- **Acquisition of additional Equity Stake in Allen Reinforced Plastics Limited (formerly Allen Reinforced Plastics Private Limited) ("Allen"):** During the year under review, JK Defence completed the payment of call monies in respect of 1,94,03,363 partly paid-up equity shares of Allen, which had been allotted to JK Defence pursuant to a rights issue. Consequent upon payment of the call monies, JK Defence's shareholding in Allen increased from 76.41% to 92.92%, thereby strengthening the Group's controlling stake in Allen.
- **Final Allotment of Industrial Land in Lucknow by Uttar Pradesh Expressways Industrial Development Authority ("UPEIDA"):** During the year under review, JK Defence received the final allotment letter from the UPEIDA, Lucknow, for an industrial land parcel measuring 4.9 hectares (49,000 square meters), for the purpose of establishing Defence Production Industry under Defence Industrial Corridor Project, Lucknow Node.

c. Allen Reinforced Plastics Limited (formerly Allen Reinforced Plastics Private Limited)

- **Receipt of Orders from BrahMos Aerospace Private Limited and Bharat Dynamics Limited:** During the year under review, Allen, a step-down subsidiary of the Company, received the following Orders:
 - BrahMos Aerospace Private Limited - aggregating approximately Rs. 94.45 Crores (inclusive of GST) for the manufacture of Composite Parts; and
 - Bharat Dynamics Limited - aggregating approximately Rs. 15.90 Crores (inclusive of GST) for the manufacture of Launcher Tubes & Packing Boxes.
- **Receipt of ISO Certifications:** During the current year, Allen obtained "AS9100:D and ISO 9001:2015" Certifications from Intertek Testing Services NA, Inc., for its facility at IDA Bollaram, for "Design, Development, Manufacturing, Assembling and Testing of FRP and allied products".

d. JK Digital & Advance Systems Private Limited

- **Execution of MOU with Neuro-Engineering Lab, All India Institute of Medical Sciences, New Delhi ("NEL-AIIMS"):** During the year under review, JK Digital, WoS of the Company, entered into a Memorandum of Understanding, with NEL-AIIMS, to establish a collaborative framework between NEL-AIIMS and JK Digital for the development of neurosurgical instruments through an iterative process of design, prototyping, and validation. Under this collaboration, JK Digital will undertake the manufacturing of neurosurgical instruments through the use of metal 3D printing and high-precision machining as per the designs and technical requirements provided by NEL-AIIMS.
- **Execution of MOU with Council of Scientific & Industrial Research, through its constituent laboratory, Central Scientific Instruments Organisation, Chandigarh ("CSIR-CSIO"):** During the year under review, JK Digital entered into a Memorandum of Understanding, with CSIR-CSIO to collaborate on the research and development of metal implants by using additive manufacturing technology.
- **Execution of Transfer of Technology Agreement with Central Scientific Instruments Organisation, Chandigarh - a CSIR laboratory:** During the year under review, JK Digital executed a Transfer of Technology ("ToT") Agreement, with CSIR-CSIO, for the indigenous manufacturing of advanced 3D-printed lattice orthopedic implants using additive manufacturing technology. This ToT Agreement covers seven state-of-the-art orthopedic implant technologies, primarily for Spinal and Hip surgeries, including TLIF, PLIF, Buttress & Shim Augments, Shell & Wedge Augments, Lattice Cones, Cage Constructs, and Lattice Acetabular Cups. The Agreement grants JK Digital the right to utilize the Know-How for indigenous manufacturing of advanced 3D-printed lattice orthopedic implants using additive manufacturing technology for a period of 7 years.

This Agreement enables domestic production of high-value implants, reducing reliance on imports and supporting the Government of India's 'Make in India' initiative in the healthcare sector and strengthens India's medical device ecosystem with globally benchmarked, advanced technologies. This collaboration has positioned the Company as one of the first Indian players to offer indigenously manufactured 3D-printed lattice medical implants at affordable costs and marks a major milestone for Jaykay Enterprises Limited, reinforcing its long-term strategy of advancing affordable healthcare solutions through indigenous innovation and technology leadership.

- **Receipt of ISO Certifications:** During the current year, JK Digital has been awarded the following Certifications by BSCIC Certifications Private Limited for Manufacture and Sale of Additive Manufactured Sterile Revision Surgery Hip Implants, Augments, Spinal Implants and Patient Specific Implants:
 - ISO 13485:2016 - Medical Device - Quality Management System
 - ISO 9001:2015 - Quality Management System
 - ISO 14001:2015 - Environmental Management System
 - ISO 45001:2018 - Occupational Health & Safety Management System

Together, these internationally recognized certifications establish a strong foundation of Quality, Compliance, Safety, Sustainability, and Continuous Improvement, enabling JK Digital to serve customers across regulated global healthcare markets.

MOU Execution with NEL-AIIMS

ToT Agreement Execution with CSIR-CSIO

e. JK Phillips LLP, a Joint Venture

- **Receipt of Orders / Letter of Acceptance from Ircan International Limited:** During the year under review, J K Phillips LLP, a 50:50 Joint Venture between the Company and Phillips Machine Tools India Private Limited (a subsidiary of Phillips Corporation, USA), received the following Orders / Letter of Acceptance from Ircan International Limited, a Navratna Company and a Govt. of India Undertaking:
 - **GE-Package-1 :** Design, Supply, Installation, Commissioning & Training of various types of CNC Machines for MSME Training Centers located at various locations on turnkey basis, for a contract value of Rs. 162.25 Crores (inclusive of GST).

- **GE-Package-2** : Design, Supply, Installation, Commissioning & Training of various types of plant & machineries for MSME Training Centres located at various locations in India on turnkey basis, for a contract value of Rs. 139.48 Crores (inclusive of GST).

SWOT ANALYSIS

SWOT Analysis is a strategic tool used to evaluate the Company's internal strengths and areas for improvement, while identifying external opportunities and threats that may influence its business environment. The key aspects of the Company's SWOT analysis are set out below:

STRENGTHS	WEAKNESSES
- Trusted and established brand with strong institutional presence backed by the legacy of the JK Group - Cost Effective In-house Research and Development capabilities - Products with high local content, aligned with Government policies promoting "Make in India" - Diversified business portfolio spanning Defence & Aerospace, Digital Manufacturing & Advanced Systems and Digital Services - Integrated high-technology manufacturing ecosystem spanning design, prototyping, composites, 3D printing and precision machining - Presence across high-growth sectors - Experienced management and technical teams	- Limited presence in export markets - Production-related challenges, particularly in the availability and retention of skilled technical workforce. - Capital-intensive nature of certain businesses, requiring higher working capital and funding for growth
OPPORTUNITIES	THREATS
- Favourable Government Policies especially Atmanirbhar Bharat - Strong growth prospects in the Defence Sector, Digital Manufacturing sector such as medical technology, patient-specific solutions and AI - Scope for R&D and high technology adoption	- Dependence on Government and institutional customers and contracts - Geopolitical uncertainties and disruptions in global supply chains - Rapid technological developments requiring continuous investment in technology and skills

RISKS AND CONCERNS

The major risks and concerns for the Company include:

- Intense competition from domestic and international players.
- High dependence on Government/Defence contracts, policies and budgetary allocations, with adverse sectoral developments potentially impacting business sustainability.
- Rapid technological advancements, including Artificial Intelligence.
- Adverse geopolitical, economic and regulatory conditions may impact business and financial performance.

HUMAN RESOURCES

Employees remain a key pillar of Jaykay Enterprises Limited, and the Company continues to focus on building a collaborative, inclusive and growth-oriented work environment. The Company recognises that nurturing talent and strengthening human capital are essential to building a resilient organisation and supporting sustainable business growth. Accordingly, the Company strives to foster a workplace where employees are valued, respected and empowered to contribute effectively towards organisational objectives.

During the year under review, the Human Resources function continued to focus on employee engagement, workplace culture, employee well-being and capability development through various initiatives aimed at fostering a sense of belonging, strengthening collaboration and enhancing employee experience. The Company promotes a transparent and inclusive work culture where employees are encouraged to share their views, raise concerns and contribute actively towards organisational objectives. The Company also remains focused on providing equal opportunities and maintaining a safe, respectful and equitable workplace.

Various employee engagement initiatives and celebrations were organised during the year, including Diwali, Christmas, Women's Day and employee birthdays. These initiatives provided opportunities for employees to interact beyond their regular work responsibilities, fostering team collaboration and engagement while promoting a culture of inclusivity and mutual respect.

As part of its commitment to maintaining a safe, respectful and equitable workplace, the Company conducted Prevention of Sexual Harassment ("POSH") and Anti-Harassment Awareness Training programmes for employees during the year. The programmes focused on workplace ethics, respectful conduct and awareness of the Company's grievance redressal mechanisms, thereby reinforcing a culture of dignity, equality and accountability.

During FY 2025-26, the Company continued to strengthen its talent base by hiring skilled professionals across key functions and undertaking initiatives for capability building through continuous learning and development programmes. Employees participated in training programmes covering technical, leadership and compliance-related areas. The Company also continued to strengthen its employee recognition practices, with emphasis on recognising performance and leadership behaviours, while providing supportive employee policies and health and welfare benefits.

Health and safety continued to be important areas of focus. Regular internal and external audits were undertaken to support compliance with applicable requirements and strengthen workplace safety practices. The Company remains focused on maintaining a safe, inclusive and responsible work environment.

Going forward, the Human Resources function will continue to focus on strengthening leadership capabilities and succession pipelines, enhancing digital HR solutions, developing employee capabilities and driving engagement initiatives aligned with the Company's evolving business requirements. These initiatives are aimed at strengthening organisational capabilities, improving workforce effectiveness and supporting the Company's business transformation and long-term growth objectives.

As at March 31, 2026, the Jaykay Group had a total manpower strength of 721 employees (including 76 on contract basis). Of this, 73 employees (including 31 on contract basis), were part of Jaykay Enterprises Limited. The Company's workforce continues to play an important role in supporting its business operations, growth objectives and long-term sustainability.

INTERNAL FINANCIAL CONTROLS AND THEIR ADEQUACY

The internal control framework forms an integral part of the Company's governance and risk management practices.

Your Company has in place adequate internal financial controls commensurate with the size, scale and nature of its business. These controls are supported by well-defined policies and procedures to ensure the orderly and efficient conduct of its business and operations, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records and timely preparation of reliable financial information.

The internal financial controls are supplemented by an extensive programme of internal audits, periodic management reviews, and documented policies, guidelines and procedures. These controls are designed to ensure the reliability of financial and other records for the preparation of financial information and reports and for maintaining proper accountability of the Company's assets.

The internal financial controls operate effectively and no material weakness exists. The Company has in place a process for continuously monitoring the effectiveness of its internal financial controls and identifying potential gaps, if any, and implementing appropriate new or improved controls, wherever considered necessary.

FINANCIAL PERFORMANCE

During the financial year 2025-26, your Company delivered improved operating and financial performance on both standalone and consolidated basis. The key highlights of the performance are set out below:

On a Standalone Basis:

- Revenue from Operations increased to Rs. 605 lakh as compared to Rs. 591 lakh in the previous financial year.
- Profit before Tax (before Exceptional Items) increased to Rs. 1,928 lakh as compared to Rs. 1,509 lakh in the previous financial year.
- Profit after Tax increased significantly to Rs. 27,837 lakh from Rs. 1,267 lakh in the previous financial year. The increase was primarily driven by the exceptional item recognized during the year, together with the improvement in the Company's underlying operating performance.

On a Consolidated Basis:

- Revenue from Operations increased significantly to Rs. 23,965 lakh from Rs. 8,064 lakh in the previous financial year, primarily driven by the acquisition of J K Technosoft Limited, along with strong growth in the Defence & Digital manufacturing business.
- Profit before Tax (before Exceptional Items) increased to Rs. 4,459 lakh as compared to Rs. 709 lakh in the previous financial year.
- Profit after Tax increased significantly to Rs. 21,565 lakh as compared to Rs. 717 lakh in the previous financial year. The increase was attributable to the improvement in consolidated operating performance, together with the impact of the exceptional item recognized during the year.

FORWARD-LOOKING STATEMENT

Certain statements made in the Annual Report relating to the Company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward looking statements' within the meaning of applicable laws and regulations. We use words such as anticipates, believes, expects, future, intends, and similar expressions to identify forward-looking statements. Forward-looking statements reflect management's current expectations and are inherently uncertain. Actual results may differ from such expectations whether expressed or implied. Several factors could make significant difference to the Company's operations. We report that

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Jaykay Enterprises Limited** (hereinafter called "the Company"). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company. Where ever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the Secretarial Auditing Standards as prescribed by The Institute of Company Secretaries of India (ICSI).

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2026 (hereinafter referred as "period under review") according to the provisions of:

- (i) The Companies Act, 2013 (the 'Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder to the extent of Regulation 76 of Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **Not Applicable**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act');
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 to the extent applicable and Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 to the extent applicable;
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **Not Applicable**
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client to the extent of securities issued;

(g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **Not Applicable**

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **Not Applicable**

(vi) We further report that reliance has been placed on the management representation by company for compliances and systems and mechanisms formed by the Company on compliance with other laws; There is no specific Law applicable to the Company.

We have also examined compliance with the applicable clauses/Regulations of the following, to the extent applicable:

(a) Secretarial Standards issued by The Institute of Company Secretaries of India and notified by Ministry of Corporate Affairs.

(b) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

Note: For clause (vi) above, the adequacy of compliances with other applicable laws including industry/ sector specific, under both Central and State legislations, reliance has been placed on the representation letters/confirmations issued by the Management.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes, if any, in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board & Committee Meetings, agenda and detailed notes on agenda were sent in advance and in case of shorter notice, compliance as required under the Act has been made by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings held during the period under review were carried out with requisite majority or unanimously, as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, following specific events took place having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.:

We report that

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **J K TECHNOSOFT LIMITED** (hereinafter called "the Company"). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the Secretarial Auditing Standards as prescribed by The Institute of Company Secretaries of India (ICSI).

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2026 (hereinafter referred as "**period under review**") according to the provisions of:

CORPORATE GOVERNANCE REPORT

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

At Jaykay Enterprises Limited ("JKE" or "the Company"), our approach to corporate governance is rooted in our core values of Compassion, Excellence and Efficiency and is embedded in our ethos, policies and relationships with our stakeholders. Integrity and transparency are at the heart of our governance practices, enabling us to earn and uphold the unwavering trust of our stakeholders.

The corporate governance philosophy of your Company is founded on the principles of integrity, accountability, transparency, value creation and ethical conduct. These principles guide the Company in overseeing its business strategies, promoting ethical behaviour, ensuring responsible decision-making and fostering fairness and accountability towards all stakeholders, including regulators, employees, customers, vendors, investors and society at large.

We believe that good corporate governance is not an end in itself, but a means to build stakeholder confidence, foster business integrity and create sustainable long-term value. Your Company recognises effective and transparent communication as an integral element of its governance framework and accordingly endeavours to ensure the timely and seamless flow of relevant information to all stakeholders. Timely disclosures, transparent accounting policies and an effective and independent Board are among the key cornerstones of the Company's governance framework.

The Company has adopted a Code of Ethics and Business Conduct for the Board of Directors and members of the Senior Management Team / Key Managerial Personnel, which sets out the principles and standards expected to be followed in conducting the Company's affairs with honesty, integrity and ethical responsibility. The Code is available on the Company's website at www.jaykayenterprises.com.

Our governance framework is anchored in the following core principles:

The Company is in compliance with the conditions of corporate governance as required under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time ("SEBI Listing Regulations"), as applicable.

BOARD OF DIRECTORS

The Board of Directors ("Board") is entrusted with the responsibility of providing strategic direction, supervision and oversight of the management and affairs of the Company in the best interests of the Company and its stakeholders. The Board exercises independent judgment and oversees the Company's operations, performance and governance framework, with a view to ensuring transparency, accountability and adherence to the principles of good corporate governance.

The Company firmly believes that an active, informed and independent Board is essential for maintaining the highest standards of corporate governance and ensuring objectivity, transparency and effective oversight of the Company's affairs.

Composition, Category & Size of Board:

As on March 31, 2026, the Board of your Company comprised 6 (Six) Directors, consisting of 1 (One) Promoter and Executive Director (Chairman & Managing Director), 1 (One) Executive Director (Joint Managing Director), 1 (One) Non-Executive Non-Independent Director and 3 (Three) Non-Executive Independent Directors, including 1 (One) Woman Director.

The composition and size of the Board are in conformity with the applicable requirements of Regulation 17(1) of the SEBI Listing Regulations, enjoining optimum combination of executive and non-executive directors, with not less than 50% of the Board comprising of Non-Executive Directors and at least 50% of the Board comprising of Independent Directors.

The Company has an appropriate blend of Board of Directors, representing a judicious mix of professionalism, knowledge and experience in one or more areas. The Board of Directors possesses expertise and experience across areas including finance, marketing, strategy, operations and risk management, which enables the Board to provide effective strategic guidance and oversight to the Company.

BOARD DIVERSITY AT A GLANCE

Board Functioning & Procedure:
a) Scheduling and selection of agenda items for the Board / Committee Meetings:

The Board has access to all relevant information necessary for effective decision-making and may seek information and clarification from the Management of the Company and its subsidiaries, as considered necessary. The Board is guided by the principles of transparency, accountability and good corporate governance and endeavours to act in the best interests of the Company and its stakeholders.

The Board meets at least once in a quarter, with a maximum time gap of 120 days between any two consecutive meetings, to discuss and review, inter alia, the financial results, performance of the Company and other items on the agenda, including the minimum information required to be placed before the Board, as per Part A of Schedule II of SEBI Listing Regulations. The dates of Board and Committee Meetings are generally decided in advance and communicated to the Directors. The Board also meets and conducts additional meetings as and when required and thought fit by giving appropriate notice to the Directors. The meetings are usually held at the Company's Corporate Office in New Delhi. The Board also approves permitted urgent matters by passing the resolutions through circulation and takes note of the same in its subsequent meeting.

The Chairman & Managing Director, Joint Managing Director, Chief Financial Officer and the Company Secretary & Compliance Officer, discuss the items to be included in the Board / Committee agenda and seek inputs from other Management team members, wherever required. The agenda of the meeting along with relevant supporting documents and explanatory notes is generally circulated in advance (at least one week before the meeting) electronically to all the Directors entitled to receive the same, to facilitate meaningful and in-depth quality discussions during the meeting. Where it is not practicable to circulate any document with the agenda, the same is tabled at the meeting with specific reference to this effect in the agenda. With the permission of Chairman and all other directors present at the meeting, additional or supplementary item(s) in the agenda are taken up for discussion and consideration. Sensitive matters may be discussed at the meeting without written material being circulated in advance for the meeting.

With a view to leverage technology and with the perspective of environmental preservation, agenda papers / presentations are circulated in electronic form. Presentations are made by the management on the financial / operational performance of the Company and other matters on a periodic basis. The decisions are taken after due deliberations and, wherever required, by consensus or majority, in accordance with applicable law.

The Board Agenda encompasses an Action Taken Report detailing the outcome / actions emanating from the Board Meetings and status updates thereof.

Management officials are invited to attend the relevant Board and Committee Meetings, as considered appropriate, to provide additional information and inputs on matters under consideration.

b) Recording minutes of the Proceedings:

The minutes of the proceedings of each Board / Committee / Shareholders' Meetings are recorded. Draft minutes of the Board / Committee meetings are circulated amongst all the members of the Board / Committee within 15 days of the meetings for their comments / inputs. The Directors are requested to share their comments / inputs within 7 days of circulation of draft minutes. Thereafter, the minutes of all the meetings are entered in the respective minutes book within thirty days from the conclusion of the meeting and signed by the Chairman of the next Board / Committee meeting. Further, the signed copy of the minutes of the meeting(s) are circulated to all the Directors within 15 days of signing of the minutes.

c) Post meeting follow-up mechanism:

The Company has an effective post-meeting follow-up, review and reporting mechanism for monitoring the implementation of decisions taken by the Board and its Committees. In adherence to good Corporate Governance, the important and significant decisions taken at the Board / Committee levels are communicated to the concerned functionaries and departments for necessary action. Moreover, the action taken in respect of such decisions is also reported in the form of status report and is placed at the next meeting of the Board / Committee.

d) Statutory Compliance of Laws:

The Board periodically reviews the compliance report of the laws applicable to the Company as well as steps taken by the Company to rectify the instances of non-compliances, if any.

Details of profile of our Directors:

The comprehensive profiles of our Directors are also provided in this annual report and can be accessed on the Company's website at <https://www.jaykayenterprises.com/leadership/>.

Independent Directors:

- **Confirmation regarding independence of Independent Directors:**

Your Company has received annual confirmations from the Independent Directors stating that they meet the criteria of independence as stated in Section 149(6) of the Act and Regulation 16 of the SEBI Listing Regulations and that they are not aware of any circumstances or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties with an objective of independent judgement and without any external influence as per Regulation 25(8) of the SEBI Listing Regulations. The Independent Directors have also confirmed that they are not disqualified under Section 164 of the Act.

On the basis of confirmations / declarations / disclosures received from the Independent Directors and on evaluation of the relationship disclosed, the Board confirms that in its opinion, the Independent Directors of the Company fulfill the conditions as specified in the Act and SEBI Listing Regulations and are independent of the management.

- **Separate meeting of Independent Directors:**

For the Board to exercise free and fair judgment in all matters related to the functioning of the Company as well as the Board, it is important for the Independent Directors to have meetings without the presence of the executive management.

Schedule IV of the Act and Regulation 25(3) of SEBI Listing Regulations mandate that the Independent Directors of the Company shall hold at least one meeting in a financial year, without the attendance of Non-Independent Directors and members of the Management. In accordance with the aforesaid provisions, a separate meeting of the Independent Directors was held on May 29, 2025 without the attendance of Non-Independent Directors and members of the management. All the Independent Directors were present at the said meeting.

The Independent Directors at the meeting, inter-alia, reviewed the performance of Non-Independent Directors, Chairman & Managing Director and the Board of Directors as a whole, taking into account the views of the Executive and Non-Executive Directors. The Independent Directors also evaluated the quality, quantity and timeliness of flow of information between the Company's management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

Based on majority of the feedback, the Directors expressed satisfaction with the overall evaluation process.

- **Registration in Independent Directors' Data Bank:**

The Company has received confirmation from all the Independent Directors that they have registered themselves in the Independent Director's Data Bank of Indian Institute of Corporate Affairs at Manesar in compliance with the provisions of subrule (1) of rule 6 of Companies (Appointment and Qualification of Directors) Rules, 2014.

- **Performance evaluation criteria for Independent Directors:**

In compliance with the applicable provisions of the Act and SEBI Listing Regulations, the Board of Directors in consultation with the Nomination and Remuneration Committee, has formulated a framework containing, inter-alia, the criteria for performance evaluation of the entire Board, its Committees, Chairman and Individual Directors, including Independent Directors, excluding the director being evaluated.

A formal evaluation of performance of the Board, its Committees, the Chairman and individual Directors was carried out during the year under review, details of which are provided in the Board's Report. For the purpose of carrying out performance evaluation, assessment questionnaires were circulated to all Directors and their feedback was obtained and recorded. The Board of Directors has expressed its satisfaction with the evaluation process.

- **Familiarization Programme for Board Members including Independent Directors:**

In accordance with Section 149 read with Schedule IV of the Act and Regulation 25 of the SEBI Listing Regulations, the Company has put in place a system to familiarize the Independent Directors regarding their rights, duties, roles and responsibilities in the Company, nature of the industry in which the Company operates, Company's Strategy, business model and performance updates of the Company, etc. The Board members are provided with necessary documents, reports and internal policies to enable them to familiarize with the Company's procedures and practices.

Periodic presentations are made by the Senior Management, Statutory and Internal Auditors at the Board / Committee meetings on business and performance updates of the Company, business risks and its mitigation strategy, impact of regulatory changes on strategy, market scenario etc. Updates on relevant statutory changes encompassing important

laws are regularly intimated to the Directors.

The Independent Directors are given every opportunity to interact with the Key / Senior Management Personnel and are given all the documents sought by them for enabling a good understanding of the Company, its management, its business model and business risks, nature of industry in which it operates, the regulatory challenges apart from their roles, rights, responsibilities in the Company, etc.

Details of the familiarization programme conducted for Board members may be accessed on the Company's website: <https://www.jaykayenterprises.com/wp-content/uploads/2026/05/Familiarization-Programmes-for-Independent-Directors.pdf>

- **Detailed reasons for the resignation of an Independent Director who resigns from the Board before the expiry of his tenure:**

During the year under review, none of the Independent Directors resigned from the Company before the expiry of his / her tenure.

Those Charged With Governance:

- Share Transfer System:**

Transfer of Securities held in physical mode has been discontinued w.e.f. April 01, 2019. However, SEBI vide its various circulars / notifications granted relaxation for re-lodgement cases till March 31, 2021. In compliance with the Circular, Re-lodgement of transfer requests was carried out till the validity period of Circular.

SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. Further, SEBI vide its Circular dated January 25, 2022 and Master Circular dated May 17, 2023 as amended and consolidated from time to time, including Master Circular dated June 23, 2025, mandated all listed companies to issue securities in dematerialised form only while processing the service request in relation to issue of duplicate securities certificate, claim from Unclaimed Suspense Account, renewal / exchange of securities certificate, endorsement, sub-division / splitting of securities certificate, consolidation of securities certificates / folios, transmission and transposition.

Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the Company's website at <https://www.jaykayenterprises.com/investors/useful-information/> and on the website of the Company's RTA at: <https://www.alankit.com/pdf/ISR-4.pdf>. Shareholders should communicate with the Company's RTA quoting their folio number or Depository Participant Id and Client Id number, for any queries w.r.t their securities.

Further the Company sent communication to the Shareholders, inter-alia, containing procedure for claiming the shares lying as unclaimed in the Unclaimed Shares Suspense Account. As soon as these Shareholders follow the prescribed procedure as communicated to them, the Company immediately initiates the Corporate Action and credits the eligible equity shares from 'Jaykay Enterprises Limited - Unclaimed Shares Suspense Account' to the demat account of the concerned shareholder.

Shareholders are also advised to refer to the latest SEBI guidelines / circulars issued from time to time for all the holders holding securities in listed companies in physical form and keep their KYC details updated at all times, to avoid freezing their folio as prescribed by SEBI.

Further, SEBI has also simplified the process for transmission of shares and issue of duplicate share certificates to make it more efficient and investor friendly.

In case of shares in electronic form, the transfers are processed by NSDL / CDSL through the respective Depository Participants. Shareholders are advised to dematerialize their shares held by them in physical form. Requests for dematerialization of shares are processed and confirmation thereof is given to the respective depositories i.e. NSDL and CDSL within the statutory time limit, from the date of receipt of documents complete in all respects along with the share certificates. The share transfer work is being carried out by the Company's RTA, who are also having connectivity with the depositories, viz., NSDL and CDSL. The power of approving the transfer of shares has been delegated to the RTA so that they can attend to the share transfer formalities on fortnightly basis.

In view of the same and to eliminate all risks associated with physical shares and to avail various benefits of dematerialisation, members are advised to dematerialise the shares held by them in physical form. The necessary forms for the above request are available on the website of the Company i.e. www.jaykayenterprises.com.

The Board of Directors of the Company has constituted a Committee of Directors and, inter-alia, delegated to it the powers relating to transfer, transmission and transposition of shares, request for name deletion, name change and name correction, consolidation, division or sub-division of shares.

OTHER DISCLOSURES:

• **Related Party Transactions:**

In compliance with the provisions of Section 188 of the Act, the rules made thereunder and Regulation 23 of the SEBI Listing Regulations, the Company has a Policy on Related Party Transactions ("RPT Policy"), which provides the framework for determining the materiality of Related Party Transactions and the manner of dealing with such transactions. The RPT Policy is available on the website of the Company at <https://www.jaykayenterprises.com/policies/>.

The details of Related Party Transactions entered into by the Company during the year under review are disclosed in the financial statements of the Company, in accordance with the applicable Accounting Standards.

The Audit Committee / Board review and approve Related Party Transactions in accordance with the provisions of the Act, the SEBI Listing Regulations and the RPT Policy of the Company. The Audit Committee / Board may seek such information and clarifications from the management as they consider necessary for evaluating the proposed Related Party Transactions. Further, Directors who are interested in any Related Party Transaction do not participate in the discussions or voting on such transaction, as applicable under the Act and the SEBI Listing Regulations.

The Audit Committee grants omnibus approval for Related Party Transactions which are repetitive in nature, in accordance with the applicable provisions of the Act, the SEBI Listing Regulations and the RPT Policy. All Related Party Transactions entered into by the Company are placed before the Audit Committee on a quarterly basis for review and noting, as applicable.

The Company submits the required confirmation regarding compliance with the provisions relating to Related Party Transactions to the Stock Exchanges along with the quarterly compliance report on Corporate Governance. Further, in accordance with Regulation 23(9) of the SEBI Listing Regulations, the Company submits disclosures of Related Party Transactions to the Stock Exchanges within the prescribed timelines.

- Investor Grievance Redressal Policy
- Risk Management Policy
- Corporate Social Responsibility Policy

- **Disclosure of commodity price risks or foreign exchange risk and commodity hedging activities:**

The Company does not deal in commodities and hence the disclosure pursuant to SEBI Master Circular dated July 11, 2023 is not required to be given. Further, the Company has no foreign exchange exposure, hence hedging is not required.

- **Details of utilization of funds raised through preferential allotment or qualified institutions placement as specified under Regulation 32(7A) of SEBI Listing Regulations:**

During the financial year 2025-26, the Company allotted 79,17,936 equity shares of face value of Re. 1/- each, at an issue price of Rs. 142/- per Equity Share, for consideration other than cash. The allotment was made towards discharge of the total purchase consideration of Rs. 112,43,46,912/- payable by the Company to the shareholders of JK Technosoft Limited, in respect of acquisition of 1,24,07,276 partly paid-up equity shares of Rs. 10/- each (paid-up Rs. 2.50/-) held by them, through a preferential allotment on a share-swap basis.

Since the aforesaid preferential allotment was made for consideration other than cash, there was no inflow or utilization of funds. Accordingly, the reporting requirement relating to utilization of proceeds is not applicable.

- **Fees paid to the Statutory Auditor:**

The total fees for all services availed by the Company and its subsidiaries, on a consolidated basis, during the year under review from the Statutory Auditor, M/s. P.L. Tandon & Company, Chartered Accountants (Firm Registration No. 000186C), are disclosed in the Notes to the Consolidated Financial Statements of the Company.

- Credit Rating:**

During the year under review, no credit ratings were obtained by the Company or its material subsidiaries.

- Disclosure of Accounting Treatment:**

The financial statements of the Company have been prepared in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("IND AS") prescribed under Section 133 of the Act, read with relevant rules issued thereunder.

- Disclosure under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013:**

The Company is committed to providing and maintaining a safe, secure and inclusive work environment that is free from sexual harassment and discrimination, where every employee is treated with dignity, respect and equality. Further, in accordance with the applicable provisions of the SEBI Listing Regulations, the details in relation to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, for the financial year ended March 31, 2026, are as under:

Particulars	Number
Number of complaints pertaining to sexual harassment filed during the financial year	Nil
Number of complaints pertaining to sexual harassment disposed of during the financial year	Nil
Number of complaints pertaining to sexual harassment pending for more than 90 days	Nil

- Loans and advances in the nature of loans to firms/companies in which Directors are interested:**

Please refer details under disclosure of related party transactions in notes forming part of the financial statements.

- Monitoring of Governance of Subsidiary Companies:**

As on March 31, 2026, the Company has 2 (Two) wholly-owned subsidiaries, 2 (Two) subsidiaries, 6 (Six) step-down subsidiaries, 1 (One) Associate Company and 1 (One) Joint Venture in the form of an LLP. The subsidiaries operate independently under the guidance and supervision of their respective Boards of Directors or equivalent governing bodies, with due regard to the interests of their respective stakeholders.

The Board of Directors of the Company and its duly constituted Committees exercise oversight over the affairs of the subsidiary companies and, inter alia, review / consider the following information in relation to the subsidiaries:

- Noting of Minutes of the meetings of the Board of Directors;
- Review of financial statements;
- Review of material developments, financial and operating performance and business strategies;
- Review of borrowing of the subsidiaries;
- Review of related party transactions;
- Review of utilization of funds and details of investment and advances by the subsidiaries;
- Review of significant transactions or arrangements entered into by the unlisted subsidiaries.

The aforesaid oversight mechanism demonstrates the Company's commitment to transparency, accountability and effective governance of its subsidiary companies.

In accordance with Section 136 of the Act, the audited financial statements of subsidiaries of the Company are available on Company's website at <https://www.jaykayenterprises.com/investors/stock-exchange-compliances/audited-financial-statements-of-subsidiaries/>

In accordance with the SEBI Listing Regulations, the Company has formulated a Policy for determining Material Subsidiaries. The Policy is available on the website of the Company at <https://www.jaykayenterprises.com/policies/>

In terms of Regulation 16(1)(c) of the SEBI Listing Regulations, a Material Subsidiary shall mean a subsidiary, whose turnover or net worth exceeds 10% of the consolidated turnover or net worth, respectively, of the Company and its subsidiaries in the immediately preceding accounting year. Further, in terms of Regulation 24(1) of the SEBI Listing Regulations, at least one independent director on the Board of the Company shall be a Director on the Board of an unlisted material subsidiary, whose turnover or net worth exceeds 20% of the consolidated turnover or net worth respectively, of the Company and its subsidiaries in the immediately preceding accounting year.

Based on the audited financial statements of the Company for FY 2025-26, and in accordance with the applicable thresholds prescribed under the SEBI Listing Regulations, the following subsidiaries have been identified as Material Subsidiaries for FY 2026-27:

JK Defence & Aerospace Limited, Allen Reinforced Plastics Limited (Formerly Allen Reinforced Plastics Private Limited), J K Technosoft Limited, JK Tech US Inc and JK Tech UK Limited.

COMPLIANCE WITH MANDATORY REQUIREMENTS AND ADOPTION OF NON-MANDATORY REQUIREMENTS

I. Mandatory requirements: The Company has complied with the conditions of Corporate Governance as stipulated under Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and Para C, D and E of Schedule V to the SEBI Listing Regulations, during the financial year ended March 31, 2026. A certificate in this connection has been obtained from M/s Varuna Mittal & Associates, Company Secretaries, which has been enclosed as **Annexure - A**.

II. Non-mandatory requirements: The status of compliance with the non-mandatory recommendations / discretionary requirements as specified in Part E of Schedule II to the SEBI Listing Regulations is as under:

a) Shareholders' Rights: The Company ensures that all material information is disseminated to all shareholders on a non-discriminatory basis. The quarterly financial results, as published in the newspapers, along with relevant press releases, are made available on the website of the Company. The Company also publishes the voting results of shareholders' meetings on its website at <https://www.jaykayenterprises.com/investors/stock-exchange-compliances/disclosure-under-regulation-308/> and submits the same to the Stock Exchanges. The quarterly and half-yearly financial results are not separately circulated to the shareholders.

- b) **Reporting of Internal Auditors:** The Internal Auditors of the Company report directly to the Audit Committee and attend the relevant meetings of the Audit Committee on a regular basis.

The role of Internal Audit is to provide an objective and independent assurance on the design and operation of risk management, control and governance processes operated across the Company. The Internal Audit also adds value by providing recommendations to the Management for strengthening and improving such processes, wherever considered necessary.

OTHER INFORMATION

INDEPENDENT AUDITOR'S REPORT

To The Members of JAYKAY ENTERPRISES LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the standalone financial statements of JAYKAY ENTERPRISES LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2026, and the statement of Profit and Loss including Other Comprehensive Income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and the profit, Total Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to note no 45 to the financial statements:

As per the financial statements for the fiscal year ended March 31, 2026, the company's financial assets and the income derived therefrom exceeded 50% of the total assets and gross income, respectively. Consequently, the company meets the financial criteria for a Non-Banking Financial Company (NBFC) under Section 45-IA of the Reserve Bank of India Act, 1934.

However, the company's principal business activities remain in digital manufacturing, software design and development, and the manufacturing of aerospace parts and accessories. The primary financial assets held are strategic investments in wholly owned subsidiaries and group companies. The company does not engage in any other financial operations that typically attract NBFC registration requirements.

Therefore, it is the management's considered view that the company is not required to obtain registration as an NBFC under Section 45-IA of the Reserve Bank of India Act, 1934. Nonetheless, the management has obtained the opinion from external independent consultant who is also of the opinion that mandatory registration for NBFC is not applicable to the company's current operational structure under section 45 - IA of the Reserve Bank of India Act, 1934

Our opinion is not modified in respect of the above matter

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the year ended March 31 2026. These matters were addressed in the context of our audit of the standalone Ind AS financial statements and in forming our opinion thereon, and we do not provide a separate opinion on these matter. We have determined the matters described below to be the key Audit Matter to be communicated in our reports.

Sl.no.	Reporting	How was the Key Audit Matters addressed in the audit
1.	Impairment loss on Investment in Neumesh Labs Private Limited (subsidiary company) Jaykay Enterprises Limited holds total investments of Rs. 1672.98 lakh in its subsidiary, comprising equity shares of Rs. 594.98 lakh and loans of Rs. 1078 lakh, both of which are carried at cost. Management has not conducted mandatory impairment testing for the investments and loans during the financial year.	We have made reliance on the following representation made by the management: The investment in Neumesh Labs Private Limited is of a long-term and strategic nature. The subsidiary operates in the specialized additive manufacturing and technology space. The temporary reduction in the subsidiary's net worth and its operational losses are primarily attributed to the initial stabilization phase of its operations and specific legacy setbacks.

	As of March 31, 2026, the subsidiary company reported substantial losses of Rs 6327 lakh and a reduced net worth in negative of Rs. 4384.61. Under Ind AS 36, an impairment loss is the amount by which the carrying amount of an asset exceeds its recoverable amount. The negative net worth of subsidiary indicates that the carrying value of these assets (Rs. 594.98 lakh for equity and Rs. 1078 lakh for loans) significantly exceeds their recoverable amount. To ensure full compliance with Ind AS 36, the parent company (Jaykay Enterprises Limited) should recognize the corresponding impairment loss for both the investment and loan amounts in its statement of profit and loss.	- While we acknowledge the negative net worth of the subsidiary, management is of the view that the recoverable value of the investment and the outstanding loans (based on its Value-in-Use) exceeds or is equal to its carrying cost. - We believe that no impairment provision is required to be recognized in the Statement of Profit and Loss for the year ended March 31, 2026, as the recoverable amount justifies the carrying amount. Adequate disclosure of the subsidiary's financial health has been made in the notes to the standalone financial statements to ensure true and fair reporting.
--	--	---

Our opinion is not modified in respect of the above matter.

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, Total Comprehensive Income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, statement of changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules 2015 as amended.
- On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements-Refer Note No 35 to the financial statements.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF JAYKAY ENTERPRISES LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of JAYKAY ENTERPRISES LIMITED (“the Company”) as of 31 March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, except internal control on revenue recognition and reconciliation of balances needs to be further strengthen , in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1:- Company information and material accounting policies
Reporting Entity:

Jaykay Enterprises Limited is a company domiciled in India and limited by shares (CIN L55101UP1961PLC001187) which are publicly traded on BSE Limited and NSE Limited. The address of the company's registered office is Kamla Tower, Kanpur-208001. The company has diversified itself into Additive Manufacturing systems, Proto typing, powder metallurgy, large scale Digital manufacturing, Reverse Engineering and Plant modelling. In the area of Defence & Aerospace, we are engaged in engineering products across various industry verticals, software designing and development, manufacturing of parts and accessories used in defence and aerospace sector. Our work includes composite applications. under water mines and machining for aerospace sector.

1.1 Basis of preparation:

The Standalone Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind-ASs) as notified by the Ministry of Corporate Affairs ("MCA") under section 133 of the Companies Act, 2013 ("Act"), read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

The Financial Statements have been prepared as a going concern on accrual basis of accounting.

The Financial Statements are presented in Indian Rupees (INR) which is the company's functional currency, and the values are rounded to the nearest lakh (up to two decimals) except when otherwise indicated.

1.2 Current and non-current Classification:

The Company presents assets and liabilities In the Balance Sheet based on current/ non-current classification. An asset is treated as current when:

- a) it expects to realize the asset, or intends to sell or consume it, in its normal operating cycle;
- b) it holds the asset primarily for the purpose of trading;
- c) it expects to realize the asset within twelve months after the reporting period; or
- d) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

An entity shall classify a liability as current when:

- (a) it expects to settle the liability in its normal operating cycle.
- (b) it holds the liability primarily for the purpose of trading.
- (c) the liability is due to be settled within twelve months after the reporting period; or
- (d) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect Its classification.

All other liabilities are classified as non-current.

1.3 Revenue recognition:
1.3.1 Sale of goods and Services

- (a) Revenue is recognized at the time of the transfer of control of promised goods or services to customers upon the satisfaction of performance obligation under the contract in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Ind AS 115 "Revenue from contracts with customers" provides a control - based revenue recognition model and provides a following five step application approach to be followed for revenue recognition:

- Identify the contract(s) with a customer.
- Identify the performance obligations.
- Determine the transaction price and identify the payment terms for the goods or services to be transferred.
- Allocate the transaction price to the performance obligations.
- Recognise revenue when or as an entity satisfy performance obligation

1.3.2 Interest

Interest income is recognized using the Effective Interest Method.

1.3.3 Dividend

Dividend income from investments is recognized when the rights to receive payment is established.

1.3.4 Other Claims

Claims (including interest on delayed realization from customers) are accounted for, when there is a significant certainty that the claims are realizable.

1.4 Leases:

A finance lease is a lease that transfers substantially all the risks and rewards incidental to ownership of an asset. Title may or may not eventually be transferred.

An operating lease is a lease other than a finance lease.

1.1.1 Company as a lessor

Operating leases: Lease income from operating leases (excluding amounts for services such as insurance and maintenance) is recognized in income on a straight-line basis over the lease term, unless either:

- another systematic basis is more representative of the time pattern in which use benefit derived from the leased asset is diminished, even if the payments to the lessors are not on that basis; or
- the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. If payments to the lessor vary according to factors other than Inflation, then this condition is not met.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized as an expense over the lease term on the same basis as lease income.

Finance leases: Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

1.6 Property, Plant and Equipment (PPE)

Land is carried at historical cost. Historical cost includes expenditure which are directly attributable to the acquisition of the land like, rehabilitation expenses, resettlement cost etc.

After recognition, an item of all other Property, plant and equipment are carried at its cost less any accumulated depreciation and any accumulated impairment losses under Cost Model. The cost of an item of property, plant and equipment comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item depreciated separately. However, significant part(s) of an item of PPE having same useful life and depreciation method are grouped together in determining the depreciation charge.

Costs of the day to-day servicing described as for the 'repairs and maintenance' are recognized in the statement of profit and loss in the period in which the same are incurred.

Subsequent Measurement

Subsequent costs of replacing parts of an item of property, plant and equipment are recognized in the carrying amount of the item, if it is probable that future economic benefits associated with the item will flow to the Company; and the cost of the item can be measured

reliably. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition policy mentioned below.

When major inspection is performed, its cost is recognized in the carrying amount of the item of property, plant and equipment as a replacement if it is probable that future economic benefits associated with the item will flow to the Company; and the cost of the item can be measured reliably. Any remaining carrying amount of the cost of the previous inspection (as distinct from physical parts) is derecognized.

An item of Property, plant or equipment is derecognized upon disposal or when no future economic benefits are expected from the continued use of assets. Any gain or loss arising on such de recognition of an item of property plant and equipment is recognized in profit and Loss.

Depreciation

Property Plant and Equipment (PPE)

Depreciation on PPE is provided in accordance with the manner and useful life as specified in Schedule II of the Companies Act, 2013, on straight line method (SLM) on pro-rata basis (monthly pro-rata for bought out assets).

Impairment of Assets

The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortized cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

With regard to trade receivable, the Company applies the simplified approach as permitted by Ind AS 109, Financial Instruments, which requires expected lifetime losses to be recognized from the initial recognition of the trade receivables.

The Company assesses at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs of disposal, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs.

1.7 Investment Property

Property (land or a building or part of a building or both) held to earn rentals or for capital appreciation or both, rather than for, use in the production or supply of goods or services or for administrative purposes; or sale in the ordinary course of businesses are classified as investment property.

Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs.

Investment properties are depreciated using the straight-line method over their estimated useful lives.

1.8 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. **Financial assets**

1.1.1 Initial recognition and measurement

All financial assets are recognized initially at fair value, in the case of financial assets not recorded at fair value through profit or loss, plus transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

1.1.2 Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories: Debt instruments at amortised cost
Debt instruments at fair value through other comprehensive income (FVTOCI)

Debt instruments, derivatives, and equity instruments at fair value through profit or loss (FVTPL) Equity instruments measured at fair value through other comprehensive income (FVTOCI)

1.1.2.1 Equity investments in associates

In accordance of Ind AS101 (First time adoption of Ind AS), the carrying amount of these investments as per previous GAAP as on the date of transition is considered to be the deemed cost. Subsequently Investment in subsidiaries, associates and joint ventures are measured at cost.

1.1.2.2 Other Equity Investment

All other equity investments in scope of Ind AS 109 are measured at fair value through profit or loss.

For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on Initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

1.1.2.3 Derecognition of Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e., removed from the Company's consolidated balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement;

and either the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the

asset. When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

1.1.2.4 Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and FVTOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. with regard to trade receivable, the Company applies the simplified approach as permitted by Ind AS 109, Financial Instruments, which requires expected lifetime losses to be recognized from the initial recognition of the trade receivables. The Company assesses at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of the asset's or cash-generating unit's value in use and its fair value less costs of disposal, and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case the recoverable amount is determined for the cash-generating unit to which the asset belongs.

1.1.3 Financial liabilities

1.1.3.1 Initial recognition and measurement

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

1.1.3.2 Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

1.8 .3.3 Financial Liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered in to by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

1.1.4 Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the consolidated balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

1.9 Borrowing Costs

Borrowing costs are expensed as incurred except where they are directly attributable to the acquisition, construction or production of qualifying assets i.e. the assets that necessarily takes substantial period of time to get ready for intended use, in which case they are capitalised as part of the cost of those asset up to the date when the qualifying asset is ready for its intended use.

1.10 Taxation

Tax expenses for the period comprises current and deferred tax. Tax is recognized in statement of Profit and Loss, except to the extent that it relates to items recognized in the comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

Current Tax: Current Tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted at the Balance Sheet date.

Deferred Tax: Deferred Tax recognized on temporary difference between the carrying amounts of assets and liabilities

in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

1.11 Employee Benefits

(i) Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(II) Defined contribution plans

Obligations for contributions to defined contribution plans are expensed as the related service is provided. The company has following defined contribution plans:

- a) Provident fund
- b) Superannuation scheme

(iii) Defined benefit plans

The company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Re measurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized immediately in Other Comprehensive Income. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognized in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in profit or loss. The company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

The company has following defined benefit plans:

a) Gratuity

The company provides for its gratuity liability based on actuarial valuation of the gratuity liability as at the Balance Sheet date, based on Projected Unit Credit Method, carried out by an independent actuary and contributes to the gratuity fund. The contributions made are recognized as plan assets. The defined benefit obligation as reduced by fair value of plan assets is recognized in the Balance Sheet. Re-measurements are recognized in the Other Comprehensive Income, net of tax in the year in which they arise.

b) Leave Encashment

Leave encashment is payable to eligible employees at the time of retirement. The liability for leave encashment, which is defined benefit scheme is provided on actuarial valuation as at the Balance Sheet date, based on projected unit credit method, carried out by the independent actuary.

1.12 Foreign Currency Transactions

The company's reported currency and the functional currency for majority of its operations is in Indian Rupees (INR) being the principal currency of the economic environment in which it operates.

Transactions in foreign currencies are converted into the reported currency of the company using the exchange rate prevailing at the transaction date. Monetary assets and liabilities denominated in foreign currencies outstanding at the end of the reporting period are translated at the exchange rates prevailing as at the end of reporting period. Exchange differences arising on the settlement of monetary assets and liabilities or on translating monetary assets and liabilities at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in statement of profit and loss in the period in which they arise.

Non-monetary items denominated in foreign currency are valued at the exchange rates prevailing at the transaction date.

1.13 Inventories

- i) Inventories are valued **“at cost or net realizable value, whichever is lower”** Cost comprises all cost of purchase, cost of conversion and their costs incurred in bringing in inventories to their present location and condition.
- ii) Cost formula used are “First in First out” or “Average Cost” as applicable.

1.14 Cash and cash equivalents

Cash and Cash equivalents in the balance sheet comprise cash at bank and on hand and short-term deposits with and original maturity of three months or less, which are subject to an insignificant risk of changes in value.

1.15 Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of economic benefits **will** be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

All provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future uncertain events not wholly within the control of the company, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

Contingent Assets are not recognized in the financial statements. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset, and its recognition is appropriate.

1.16 Earnings per share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

1.17 Judgements, Estimates and Assumptions

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and the amount of revenue and expenses during the reported period. Application of accounting policies involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimate are recognized in the period in which the estimates are revised and if material, their effects are disclosed in the notes to the financial statements.

1.17.1 Judgements

In the process of applying the Company’s accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the consolidated financial statements:

1.17.1.1 Formulation of Accounting Policies

Accounting policies are formulated in a manner that result in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial.

In the absence of an Ind AS that specifically applies to a transaction, other event or condition, management has used its judgement in developing and applying an accounting policy that results in information that is:

- (a) relevant to the economic decision-making needs of users and reliable in that financial statements:
 - (i) represent faithfully the financial position, financial performance and cash flows of the entity;
 - (ii) reflect the economic substance of transactions, other events and conditions, and not merely the legal form;
 - (iii) are neutral, i.e. free from bias;
 - (iv) are prudent; and
 - (v) are complete in all material respects on a consistent basis.

In making the Judgement management refers to, and considers the applicability of, the following sources in descending order:

- b) the requirements in Ind ASs dealing with similar and related issues; and
- (c) the definitions, recognition criteria and measurement concepts for assets, liabilities, income and expenses in the Framework.

In making the judgement, management considers the most recent pronouncements of International Accounting Standards Board and in absence thereof those of the other standard-setting bodies that use a similar conceptual framework to develop accounting standards, other accounting literature and accepted Industry practices, to the extent that these do not conflict with the sources in above paragraph.

1.17.1.2 Materiality

Ind AS applies to items which are material. Management uses judgment in deciding whether individual items or groups of items are material in the financial statements. Materiality is judged by reference to the size and nature of the item. The deciding factor is whether omission or misstatement could individually or collectively influence the economic decisions that users make on the basis of the financial statements. Management also uses judgement of materiality for determining the compliance requirement of the Ind AS. In particular circumstances either the nature or the amount of an item or aggregate of items could be the determining factor. Further an entity may also be required to present separately immaterial items when required by law.

1.17.1.3 Operating lease

Company has entered into lease agreements. The Company has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a major part of the economic life of the commercial property and the fair value of the asset, that it retains all the significant risks and rewards of ownership of these properties and accounts for the contracts as operating leases.

1.17.2 Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on the parameters available when the Financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

1.17.2.1 Impairment of non-financial assets

There is an indication of impairment if, the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less disposal costs and its value in use. Company considers individual PPE as separate cash generating units for the purpose of test of impairment. The value in use calculation is based on a DCF model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

1.17.2.2 Taxes

Deferred tax assets are recognized for unused tax losses to the extent that It is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

1.17.2.3 Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates.

Due to the complexities Involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

1.17.2.4 Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The Inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

1.18 SEGMENT REPORTING

The Management of the company monitors the operating results of its business Segments for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The Operating segments have been identified on the basis of the nature of products / services.

- a) Segment revenue includes directly identifiable with/ allocable to the segment including inter-segment revenue.
- b) Expenses that are directly identifiable with / allocable to segments are considered for determining the segment result.
- c) Expenses which relate to the Company as a whole and not allocable to segments are included under unallocable expenditure.
- d) Income which relates to the Company as a whole and not allocable to segments is included in unallocable income.
- e) Segment assets including CWIP and liabilities include those directly identifiable with the respective segments.
- f) Unallocable assets and liabilities represent the assets and liabilities that relate to the Company as a whole and not allocable to any segment.

14.2 Rights, Preferences and restrictions attached to Equity Shares:

The Company has single class of equity shares. Accordingly, all equity shares rank equally with regard to dividend and share in the Company's residual assets. The equity shareholders are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share in the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

Notes on terms and conditions of transactions with related parties

1 Sales to Related Parties and concerned balance

Sales to related parties are conducted in the ordinary course of business and on an arm's length basis, reflecting terms equivalent to those applicable to unrelated third parties. Accordingly, Jaykay Enterprises Limited (JKEL) mutually negotiates pricing, discounts, and payment terms with related parties by benchmarking these arrangements against comparable transactions with independent, non-related parties.

2 Purchases of goods from related parties

Purchases from related parties are conducted in the ordinary course of business on normal commercial terms, which are comparable to transactions with unrelated third parties. JKEL mutually determines purchase prices, discounts, and payment terms with related parties by benchmarking these arrangements against similar, verified transactions with non-related parties.

3 Reimbursement of Expenses/paid

43 Exceptional Items
Fair value of Investment in equity shares of JK Urbanscapes Developers Limited

During the current financial year, the company has recognized a fair value gain of Rs. 26,265.71 lakh on its investment in 9,510,360 equity shares of JK Urbanscapes Developers Limited to comply with the provisions of Ind AS 109.

Following the company's first-time adoption of Ind AS in 2016-17, these shares were measured at a deemed cost of Rs. 1 each. These shares were not previously marked to fair value due to the prevailing lack of business visibility and legal complexities surrounding them.

With clarity of business and to ensure the financial statements reflect a true and fair view of the company's financial position as at March 31, 2026, management has opted to measure these shares at fair value. Consequently, the resulting fair value gain of Rs. 26,265.71 lakh has been disclosed as an Exceptional Item in the Statement of Profit and Loss.

It also includes the following items: Sundry Debtors written off of Rs 152.99 lakhs and Loss on disposal of Fixed assets Rs 76.96 lakhs

44 Impairment Assessment of Investments and loans to subsidiary

The company holds investment in equity shares Rs. 594.98 lakh in its subsidiary Neumesh Labs Private Limited, along with outstanding loan of Rs. 1078 lakh. As at 31st March 2026, the subsidiary has accumulated losses resulting in a negative net worth and temporary liquidity shortfall. The management has reviewed an impairment assessment based on future business projections and long-term value creation. Based on this review, the underlying value exceeds the carrying value of investment and loans. Therefore management is of the view that looking to strategic planning of the subsidiary and future business projection, no provision for impairment is considered necessary.

45 As per the financial statements for the fiscal year ended March 31, 2026, the company's financial assets and the income derived therefrom exceeded 50% of the total assets and gross income, respectively. Consequently, the company meets the financial criteria for a Non-Banking Financial Company (NBFC) under Section 45-IA of the Reserve Bank of India Act, 1934. However, the company's principal business activities remain in digital manufacturing, software design and development, and the manufacturing of aerospace parts and accessories. The primary financial assets held are strategic investments in wholly owned subsidiaries and group companies. The company does not engage in any other financial operations that typically attract NBFC registration requirements. Therefore, it is the management's considered view that the company is not required to obtain registration as an NBFC under Section 45-IA of the Reserve Bank of India Act, 1934. Nonetheless, the management has obtained the opinion from external independent consultant who is also of the opinion that mandatory registration for NBFC is not applicable to the company's current operational structure under section 45 - IA of the Reserve Bank of India Act, 1934.

49 FINANCIAL RISK MANAGEMENT

OBJECTIVES:

The company has proper system of risk management policies and procedure and internal financial control aimed at ensuring early identification Evaluation and management of key financial risks (Such as credit risk, liquidity risk and market risk) that may cause as a consequence of business or operation as well as its investing and financial activities. Risk Management policies and systems are reviewed regularly to reflect changes in market condition and the Company's activities.

The company has exposure to the following risks arising from financial instruments:

- Credit Risk
- Liquidity Risk
- Market Risk

Credit Risk:

The risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The company's historical experience of collecting receivables and the level of default indicate the credit risk as low.

The company establish an allowance for impairment that represents its expected credit losses in respect of trade receivable, loans and other receivable. During the year based on specific assessment, the company has not recognised any trade receivable, loans and other receivable as bad debts.

Liquidity Risk :

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

Prudent the company's approach to managing liquidity is to ensure, as far as possible, that the company will have sufficient liquidity to meet its liabilities when they are due under both normal and stressed conditions without incurring unacceptable loss or damage to the company's goodwill/reputation.

The company's current assets aggregate to Rs. 5051.84 lakh, (Rs.12043.86) lakh against an aggregate current liability of Rs. 959.78 Lakh, (Rs. 818.80) lakh.

Non Current Liability of Rs. 453.35 Lakh, (Rs.368.20) Lakh on the reporting date 31-03-2026 and Previous year ended (31.03.2025) respectively. Further, while the company's total equity Rs. 76,370.37 lakh, (Rs. 39,052.17) lakh. It has total borrowings Rs. 65.79 lakh, (Rs. 48.60) lakh.

In above circumstances, liquidity risk or the risk that the company may not be able to settle or meet obligations as they become due does not exist.

Market Risk :

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

The company is not an active investor in equity markets.

FAIR VALUE MEASUREMENT:

Fair value hierarchy:

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels

Level 1:

Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date. A quoted price in an active market provides the most reliable evidence of fair value and shall be used without adjustment to measure fair value.

Level 2:

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3:

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs shall be used to measure fair value to the extent that relevant observable inputs are not available.

The fair value of trade receivable, loan, trade payable and current financial assets and liabilities is considered to be equal to the carrying amounts of these items due their short term nature.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF JAYKAY ENTERPRISES LIMITED

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of JAYKAY ENTERPRISES LIMITED as the holding company and its subsidiaries ("hereinafter referred to as "the Group"), its associates, which comprise the consolidated balance sheet as at 31st March 2026, and the consolidated statement of Profit and Loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies (hereinafter referred to as " the consolidated financial statements ").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described under the heading "**Basis for Qualified Opinion "paragraph below** , including the matters whose effect on the loss for the year and assets/ liabilities as at March 31, 2026 is unascertainable , the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules 2015, as amended ,("Ind AS ") and other accounting principles generally accepted in India, of the consolidated state of affairs of the group as at March 31, 2026, and consolidated profit , consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for qualified Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit for the Audit of the consolidated Financial Statements section of our report. We are independent of the group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

We invite attention to the following:

- (i) *Balances in respect of current liabilities including borrowings, trade payable, other financial liabilities and other current liabilities, current assets including trade receivables, other financial assets and other current assets are under reconciliation. Impact, if any on the assets/ liabilities and or income/ expenditure consequent to such reconciliation is presently not ascertainable in subsidiary Neumesh Labs Private Limited.*
- (ii) *Deferred Tax Assets amounting to Rs.403 lakh has been recognized in non-compliance of Ind AS 12 (Income Tax) without any evidence of availability of future taxable profit in subsidiary Neumesh Labs Private Limited).*
- (iii) *Revenue expenditure amounting to Rs. 48.60 lakh has been capitalized under the head Capital Work in Progress which is non - compliance of Ind AS -16 in Subsidiary - J K Defense and Aerospace Limited.*

Without the recognition of the deferred tax asset and revenue expenses being capitalised, the profit for the year would have decreased by Rs. 451.60 lakh. Concurrently, deferred tax assets would have decreased by the Rs. 403 lakh and Capital Works in Progress decreased by Rs. 48.60 lakh, resulting in a corresponding Decrease of Rs. 451.60 lakh in other equity.

Emphasis of Matter

- (I) We draw attention to note no 45 to the standalone audited financial statements for the year ended on 31st March 2026

As per the financial statements for the fiscal year ended March 31, 2026, the company's financial assets and the income derived therefrom exceeded 50% of the total assets and gross income, respectively. Consequently, the company meets the financial criteria for a Non-Banking Financial Company (NBFC) under Section 45-IA of the Reserve Bank of India Act, 1934. However, the company's principal business activities remain in digital manufacturing, software design and development, and the manufacturing of aerospace parts and accessories. The primary financial assets held are strategic investments in wholly owned subsidiaries and group companies. The company does not engage in any other financial operations that typically attract NBFC registration requirements.

Therefore, it is the management's considered view that the company is not required to obtain registration as an NBFC under Section 45-IA of the Reserve Bank of India Act, 1934. Nonetheless, the management has obtained the opinion from external independent consultant who is also of the opinion that mandatory registration for NBFC is not applicable to the company's current operational structure under section 45 - IA of the Reserve Bank of India Act, 1934.

Our opinion is not modified in respect of the above matter.

(ii) We draw your attention to the following para of auditor's report of subsidiaries and associate

(a) J K Technosoft Limited (subsidiary)

JKT Bangladesh Pvt. Ltd. where management has decided to voluntary winding up of the company in view of the same the accounts of the company are not prepared on Going concern basis and has been prepared on realisable value basis.

Our Opinion is not modified in respect of above matter.

(b) Allen Reinforced Plastics Limited (Subsidiary)

We draw attention to the matter disclosed in **Note 4.12 (D)** of the financial statements. regarding a case filed by the Central Bureau of Investigation (CBI) in the year 2021, wherein the company has been named as a co- accused along with two erstwhile directors and certain serving and retired public servants.

The management is of the view that the matter is not expected to result in any financial impact on the company. Accordingly, no provision or contingent liability has been recognised or disclosed in the financial statements in respect of said matters.

Our Opinion is not modified in this regard.

(c) Nebula 3D Services Private Limited (Associate)

We draw attention to Note 24 (I) of the accompanying the financial statements which indicates that the Company has substantial accumulated losses carried forward from the previous year and has incurred significant losses during the current year and previous financial years resulting in erosion of net worth as at 31 March 2026. However, the financial statements of the Company have been prepared on a going concern basis based on the financial support confirmed by the shareholders and other reasons stated in the said Note.

Our opinion is not modified in respect of this matter.

(d) Neumesh Labs Private Limited

The company has had minimal manufacturing or trading activities during the financial year. All the property, plant and equipment have been disposed of. The company's net worth is fully eroded and reduced to negative, its current liabilities substantially exceeded the current assets. However, the financial statements have been prepared under the going concern assumption considering the strategic position and legal steps taken by the management.

Our opinion is not modified in respect of above matter.

(e) J K Defence & Aerospace Limited

The company has had no manufacturing or trading activities during the financial year. There is no operating income since 2023-24. The company's net worth is fully (excluding equity components of optionally convertible redeemable preference share) eroded and its current liabilities substantially exceeded the current assets. However, the financial statements have been prepared under the going concern assumption.

Our opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2026. These matters were addressed in the context of our audit of the consolidated financial statements and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key Audit Matters to be communicated in our reports.

Sl.no.	Reporting	How was the Key Audit Matters addressed in the audit
1.	Impairment loss of Investment in Neumesh Labs Private Limited (subsidiary) Jaykay Enterprises Limited holds total investments of Rs. 1672.98 lakh in its subsidiary, comprising equity shares of Rs. 594.98 lakh and loans of Rs. 1078 lakh, both of which are carried at cost. Management has not conducted mandatory impairment testing for the investments and loans during the financial year.	We have made reliance on the following representation made by the management: -The investment in Neumesh Labs Private Limited is of a long-term and strategic nature. The subsidiary operates in the specialized additive manufacturing and technology space. The temporary reduction in the subsidiary's net worth and its operational losses are primarily attributed to the initial stabilization phase of its operations and specific legacy setbacks.

	As of March 31, 2026, the subsidiary company reported substantial losses of Rs 6327 lakh and a reduced net worth in negative of Rs. 4384.16 lakh. Under Ind AS 36, an impairment loss is the amount by which the carrying amount of an asset exceeds its recoverable amount. The negative net worth of subsidiary indicates that the carrying value of these assets (Rs. 594.98 lakh for equity and Rs. 1078 lakh for loans) significantly exceeds their recoverable amount. To ensure full compliance with Ind AS 36, the parent company (Jaykay Enterprises Limited) should recognize the corresponding impairment loss for both the investment and loan amounts in its statement of profit and loss.	-While we acknowledge the negative net worth of the subsidiary, management is of the view that the recoverable value of the investment and the outstanding loans (based on its Value-in-Use) exceeds or is equal to its carrying cost. -We believe that no impairment provision is required to be recognized in the Statement of Profit and Loss for the year ended March 31, 2026, as the recoverable amount justifies the carrying amount. Adequate disclosure of the subsidiary's financial health has been made in the notes to the standalone financial statements to ensure true and fair reporting.

Our opinion is not modified in respect of the above matter.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The holding company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act, that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the Group and of its associates are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Group and of its associates are responsible for overseeing the financial reporting process of the Company and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the two subsidiaries and one associate included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervisions and performance of the audits carried out by him. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of two subsidiaries and one associate, whose financial statements reflect total assets of Rs. 42292.03 lakh as at 31st March, 2026, total revenues of Rs. 25103.91 lakh and net cash flows amounting to Rs. 353.17 lakh for the year ended on that date, total net profit after tax Rs. 2707.54 lakh, for the year ended on 31st March, 2026 as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of Rs. 10.40 lakh for the year ended 31st March, 2026, as considered in the consolidated financial statements, in respect of one associate. The financial statements of aforesaid subsidiaries and associate have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associate, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements is not modified in respect of the above matters with respect to our reliance on the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

ANNEXURE “C” TO THE INDEPENDENT AUDITORS REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF JAYKAY ENTERPRISES LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated financial statements of the company as of and for the year ended 31st March 2026, we have audited the internal financial controls over financial reporting of Jaykay Enterprises Limited (“hereinafter referred to as the “Holding Company”) and its Subsidiary (“hereinafter referred to as “the Group”), its associate entity as of that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Group and its associate entity, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group and its associate entity internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group and its associate entity, except internal control on revenue recognition and reconciliation of balances needs to be further strengthen, have in all material respects an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India .

16(i) Rights, Preferences and restrictions attached to Equity Shares:

The Company has single class of equity shares. Accordingly, all equity shares rank equally with regard to dividend and share in the Company's residual assets. The equity shareholders are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share in the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

42 Exceptional Items

A. Fair value of Investment in equity shares of JK Urbanscapes Developers Limited

During the current financial year, the company has recognized a fair value gain of Rs. 26,265.71 lakh on its investment in 9,510,360 equity shares of JK Urbanscapes Developers Limited to comply with the provisions of Ind AS 109.

Following the company's first-time adoption of Ind AS in 2016-17, these shares were measured at a deemed cost of Rs. 1/- . These shares were not previously marked to fair value due to the prevailing lack of business visibility and legal complexities surrounding them. With clarity of business and to ensure the financial statements reflect a true and fair view of the company's financial position as at March 31, 2026, management has opted to measure these shares at fair value. Consequently, the resulting fair value gain of Rs. 26,265.71 lakh has been disclosed as an Exceptional Item in the Statement of Profit and Loss. The said shares were already recognised and disclosed as investments in the Consolidated Financial Statements at a carrying value of Rs. 2,718.97 lakh in earlier periods. so net impact of 23546.74 recognized as exceptional items in Statement of Profit and Loss.

- B. The exceptional items include a provision for expected credit loss of ₹4892.35 lakh recognized against trade receivables of the group.

It also includes the following items: Sundry Debtors written off of Rs 155.41 lakhs and Loss on disposal of Fixed assets Rs 185.50 lakhs, Statutory impact of new labour codes 447.56 lakhs and other balance written off 130.16 lakhs.

43 Disclosure under Section 45-IA of the RBI Act:
