This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

The matters described in paragraph 4 (i) & 4 (ii) above have uncertainties related to the outcome of the legal proceedings.
