b) During the F.Y. 2011-12, the Company finalised an agreement with Godrej Buildcon Private Limited, Mumbai (GBPL) for the development of its land situated at Bandra-Kurla Complex, Mumbai taken on long term lease from MMRDA. Consequent to the said agreement, the Company has been reimbursed all cost incurred on the above said land and to the extent such cost were charged to the Statement of Profit and Loss in earlier years the same has been credited to the Statement of Profit and Loss. This credit amounting to ₹ 10,286 lakhs is included in the results for the Quarter and Nine Months ended 31st December, 2011.

The unamortised portion carried forward as on 31st December, 2012 is ₹ 16,669 lakhs (₹ 14,094 lakhs for the year ended 31st March, 2012).

6. The Company had acquired 100% of the shareholding of Sahara Airlines Limited (SAL) (now known as Jet Lite (India) Limited) in April, 2007. As per the Share Purchase Agreement (SPA) as amended by the subsequent Consent Award, the mutually agreed sale consideration was to be paid to the Selling Shareholders (SICCL) in four equal interest free instalments by 30th March, 2011. As a result of certain disputes that arose between the parties, both the parties had filed petitions in the Hon'ble Bombay High Court for breach of SPA as amended by the subsequent Consent Award. The Hon'ble Bombay High Court delivered its Judgment on 4th May, 2011 whereby SICCL's demand for restoration of the original price of ₹ 200,000 lakhs was denied and the Purchase Consideration was sealed at the revised amount of ₹ 145,000 lakhs. However, in its judgment, the Hon'ble Bombay High Court has awarded interest at 9% p.a. on the delayed payments made to SICCL largely on account of ongoing legal dispute. In view of this Order, a sum of ₹ 11,643 lakhs became payable as interest which has been duly discharged by the Company. As a result of this discharge, the undertaking given by the Company in April 2009 for not creating any encumbrance or alienation of its moveable or immoveable assets and properties in any manner other than in the normal course of the business, stands released.

   Though the Company had complied with the order of the Hon'ble Bombay High Court, based on legal advice, it filed an appeal with the Division Bench of the Hon'ble Bombay High Court contesting the levy of interest. SICCL also filed an appeal with the Division Bench of the Hon'ble Bombay High Court for restoration of the purchase consideration to ₹ 200,000 lakhs and for interest to be awarded at 18% p.a. as against the 9% p.a. awarded by the Hon'ble Bombay High Court.

   The Division Bench of the Hon'ble Bombay High Court heard the matter and vide its order dt.17th October, 2011 dismissed both the appeals as being not maintainable in view of jurisdictional issue. The Company has since filed Special Leave Petitions (SLP) before the Hon'ble Supreme Court challenging both the orders of 4th May, 2011 and 17th October, 2011. SICCL had earlier filed a SLP before the Hon'ble Supreme Court for increased compensation and interest.

   Both the SLPs, filed by Jet Airways as well as SICCL, came up for hearing before the Supreme Court. The Supreme Court directed the parties to file the Counter and Rejoinder which has since been filed. The Supreme Court also recorded that the statement made by Jet Airways, as recorded in the order dated 6th May, 2011 passed by the Hon'ble Bombay High Court, would continue till further orders.

   Pending adjudication of the matter by the Hon'ble Supreme Court, the interest payment of ₹ 11,643 lakhs effected by the Company on 5th May, 2011 has not been recognised in the Statement of Profit and Loss.

7. The Company has equity and preference investments aggregating to ₹ 164,500 lakhs in Jet Lite (India) Limited, a wholly owned subsidiary, and has advanced an interest free loan amounting to ₹ 136,296 lakhs as on 31st December, 2012. An external reputed valuer based on business plans as on 31st March, 2012 as approved by the Board of subsidiary company, has valued the equity interest in the subsidiary, which supports the carrying value of such investment. While the Company is committed to support subsidiary's operations and expects it to turn around, the prevailing situation in aviation sector coupled with delays in tying up of financing arrangement have impacted the business plan and the subsidiary has incurred a loss during the nine months ended 31st December, 2012. The assumptions underlying the future cash flow projections will be reviewed by the Board of the subsidiary at the year end and adjustments, if any, will be made based on such reassessment. Accordingly, the subsidiary's unaudited financial statements have been prepared on a "Going Concern" basis and no provision is considered necessary at this stage in respect of the Company's investments and loans outstanding from the said subsidiary.

8. Pursuant to the approval sought at the Annual General Meeting held on 3rd August, 2012, the Company has :

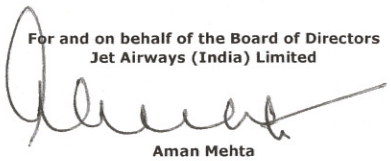

a) acquired 100 % Equity Shares of Jet Privilege Private Limited, a Marketing Services Company on 5th December, 2012 for ₹ 1 lakh.

b) incorporated a new subsidiary Jet Airways Training Academy Private Limited on 14th December, 2012 to carry on the business of both Aviation and Non - Aviation related

9. The Management remains focused on implementing initiatives to improve the operating cash flows through cost control measures, route rationalization, leasing out Aircraft, exploring avenues of enhancing ancillary revenues etc. Additionally, the pricing environment in the market has improved leading to growth in yields and revenues and this is likely to continue. These measures are expected to result in sustainable cash flows and accordingly these statement of unaudited financial results continue to be presented on a going concern basis, which contemplates realization of assets and settlement of liabilities in the normal course of business. Pursuant to the announcement of liberalized FDI policy permitting foreign investment in Indian airline, the Company is in discussion with a reputed airline for a strategic investment in the Company.

10. The figures for the previous corresponding periods have been regrouped / reclassified, wherever necessary, to make them comparable.

To,
The Board of Directors of Jet Airways (India) Limited,

LIMITED REVIEW REPORT ON THE UNAUDITED STANDALONE FINANCIAL RESULTS OF JET AIRWAYS (INDIA) LIMITED FOR THE QUARTER AND NINE MONTHS ENDED 31ST DECEMBER 2012.

We have reviewed the accompanying statement of "Unaudited standalone financial results for the quarter and nine months ended 31st December, 2012 (the statement) of Jet Airways (India) Limited (the Company) except for the disclosures regarding 'Public Shareholding', 'Promoter and Promoter Group Shareholding' and 'Number of Investor Complaints' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management/ Registrars and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.

We conducted our review of the statement in accordance with the Standard on Review Engagements 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatements. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed audit and accordingly we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited standalone financial results prepared in accordance with applicable Accounting Standards referred to in Section 211 (3C) of the Companies Act, 1956 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement with stock exchanges including the manner in which it is to be disclosed, or that it contains any material misstatement.

Attention is invited to notes to the financial results as under:

i) Note no. 6 regarding the continuing litigation with erstwhile shareholders of Jet Lite (India) Limited. During previous year, in terms of the order passed by the Honourable High Court of Bombay disposing off the claim, the Company had discharged Rs. 11,643 lacs as interest @ 9% p.a.. The counterparty's claim contesting this judgment seeking increased compensation and interest was dismissed by the Honourable High Court of Bombay. The Special Leave Petition filed by the parties is pending before the Honourable Supreme Court of India. Based on legal advice and pending final determination, the amount paid to the counter party has not been recognised as interest in the accounts.

ii) Note no. 7 which describes the key source of estimation uncertainty as at 31st December 2012 relating to the assessment of carrying amount of investments in and advances given to its subsidiary (whose net-worth has been eroded) aggregating to Rs. 300,796 Lacs. In view of the situation as detailed in the Note, the estimation as aforesaid is dependent on the achievement of the projections as regards operating performance by the subsidiary; and

iii) Note no. 9 regarding preparation of financial statements of the Company on going concern basis for the reasons stated therein. The appropriateness of assumption of going concern is dependent upon the Company's ability to raise requisite finance/generate cash flows in future to meet its obligations, including financial support to its subsidiary.
