### PRESS RELEASE

#### **JPFL Films Private Limited, material subsidiary, to invest above INR 700 Crore for setting up of New Film lines**

JPFL Films to set up following new film lines:

- New BOPP line to have a capacity of upto 42,000 tonne per annum (Line 10)
- New PET line to have a capacity of upto 55,000 tonne per annum (Line 1)
- New CPP line to have a capacity of upto 18,000 tonne per annum (Line 3)
- Expected to be commissioned in next 2-3 years' time

**New Delhi, 12<sup>th</sup> May, 2025:** JPFL Films Private Limited ('JPFL Films'), a subsidiary of flexible packaging giant Jindal Poly Films Limited, has announced a capacity expansion with new BOPP, PET and CPP lines in Nashik, Maharashtra. The new lines, expected to be commissioned in next 2-3 years' time, will see a capex commitment of above INR 700 Crore.

This Capacity expansion is in addition to its ongoing new BOPP Line (Line 9) which was announced in the month of August, 2024 and is part of the company's strategic play in the flexible packaging segment and in line with the company's aim to increase market share amidst challenging demand-supply imbalances leading to ongoing pricing pressures in the sector. The expansion comes with the YoY growth of around 43% in Net Revenue from Operations in 9 months' period FY 24-25 and to maintain its market leadership despite business headwinds. Flexible packaging, or packaging in general, is regarded as one of the most lucrative industries due to its wide applicability in the food and beverage, personal care, and pharmaceutical industries.

These new lines will be the most advanced in the market, boasting superior width and output capabilities, along with exceptional reliability, equipment quality, and process efficiency.

The commissioning of these new lines will further strengthen Company's growth story. It highlights the JPFL Films' dedication to technological advancement, quality enhancement and customer satisfaction. As the flexible packaging market continues to evolve, the JPFL Films is better equipped than ever to meet the challenges and opportunities that lie ahead, reinforcing its status as an industry pioneer and reliable partner for businesses worldwide.

Sharing his views on the strategic expansion, **Mr. Vinod Kumar Gupta, Chief Executive Officer, JPFL Films** put it in perspective, *"With this expansion, we are enhancing our ability to meet and exceed customer expectations with a diverse range of high-performance films with focus of majority of the products made on the line towards sustainability and creation of a greener*
