Independent Auditor's Limited Review Report on the Quarterly Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015, as amended

Review Report

To the Board of Directors of Jindal Poly Films Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Jindal Poly Films Limited ("the Company"), for the quarter ended June 30, 2026 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. The statement, which is the responsibility of the Company's management and approved by Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards 34, (IND AS 34) "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 as amended read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial results based on our review.

3. We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the entity", issued by the Institute of Chartered Accountants of India. This standard require that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatements. A review of interim financial information consists of making inquiries primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the standards on auditing and consequently does not enable us to obtain assurance that we would be aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

SINGHI & CO. NOIDA DELHI NCR Chartered Accountants

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results read with notes therein, prepared in accordance with the applicable Indian Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note 4 of the accompanying Statement which describes that the Company has not accounted interest on loans and other receivables amounting to Rs. 6,443.10 lakhs due to uncertainty in realization of such interest on account of massive fire in the subsidiary resulting in disruption of operations and consequent financial stress on the subsidiary. Our conclusion is not modified in respect of this matter.

(a) : During the previous year, some equity shares were bought back by JPF Netherlands Investment B.V. pursuant to a buyback offer. Consequently, the Company had recognized a loss of Rs. 3,929.15 lakhs on the buyback of these shares.

(b) : During the previous year, the Company's investments in its subsidiaries Jindal Speciality Films Limited and Global Nonwoven Limited were fully impaired based on an assessment of the financial position of these entities, including their negative net worth, which indicated that the carrying amount of the investments was no longer recoverable.

(c) : With effect from November 21, 2025, the Government of India has brought the four Labour Codes into force. The Company had evaluated impact of the Labour Codes on its employee benefit obligations, and an additional liability of Rs. 48.48 lakhs , which had accounted for in the previous year ended 31st, March 2026, in line with the principles outlined by the Institute of Chartered Accountants of India.

(d) : During the previous year, the management of the Company had considered that there was significant financial stress experienced by a subsidiary as a consequence of the fire incident, which had adversely affected the operations and financial position of the subsidiary, due to which there exists an uncertainty towards recoverability of the outstanding loan and other receivables due from the subsidiary. Accordingly, after evaluating all relevant facts and circumstances, including the subsidiary's financial condition and the extent of operational disruptions, the Company had recognized an impairment provision for outstanding loan and other receivables amounting to Rs. 142,131.20 lakhs in the financial statements/results of the previous year. Also, considering the circumstances as described above and the financial position of the subsidiary, the management of the Company had taken a view that recovery of interest accrued on loans and on the other recievables was not certain and hence had written off such interest amounting to Rs. 26,696.93 lakhs. Deferred tax on provisions for loans and other receivables was not been recognised due to above stated uncertainity. Further, in line with previous year as stated above, loan amounting to Rs. 22,350 lakhs given in the current quarter have been fully provided for in the books of account.

4 In view of the matter stated in paragraph 3(d) above, in the current quarter the Company has not recognised interest income on loans amounting to Rs. 6443.10 lakhs.

5 The above standalone results were reviewed by the Audit Committee and taken on record at the meeting of the Board of Directors at their respective meetings held on August 14. 2026 and the Statutory Auditor of the Company has carried out the limited review of the same.

6 The above results of the Company are available for investors at www.jindalpoly.com, www.nseindia.com and www.bseindia.com.

Independent Auditor's Limited Review Report on Unaudited Consolidated Financial Results for the quarter ended June 30, 2026 Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015, as amended

Review Report

To Board of Directors of Jindal Poly Films Limited

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Jindal Poly Films Limited ('the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net loss after tax and total comprehensive income of its an associate for the quarter ended June 30, 2026, ("the Statement") being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2. This Statement, which is the responsibility of the Parent company's management and approved by the Parent company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity," specified under section 143 (10) of the companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

SINGHI & CO. NOIDA DELHI NCR Chartered Accountants

4. The Statement includes the results of the subsidiaries and associates as mentioned in Annexure A.

5. We draw attention to Note no. 4 to the accompanying financial results, which describes that consequent to the fire at the factory premises of a subsidiary at Nashik, Maharashtra on May 21, 2025, in the previous year the management of the subsidiary company along with surveyor has done physical verification of inventory and consequently the subsidiary management has determined inventory damaged due to fire and accordingly have written off such inventory in the books of accounts of subsidiary company in the previous year. However, due to the fire some areas of the factory premises were affected and rebuilding work was in progress leading to storage space constraint and hence some of the inventories of usable waste which was not affected by fire was stored in a mixed condition. Owing to the above circumstances, at the year-end we could not perform and observe physical verification of the inventories. Subsequent to year end, a third party engaged by the management of the subsidiary company has performed physical verification of inventory but not for all items and in some cases quantities were arrived through a method of estimation. We are also the auditors of the subsidiary company and have performed alternative procedures, including verification of the subsequent movement of inventories, examination of quantitative records and other related documentation, which provided us with evidence in respect of the existence of such inventories. However, since we were not able to perform physical verification at year end March 31, 2026 and to date hence there could be excesses or shortages, if any, in the quantities which can only be determined when physical verification is performed and observed by us in the future periods. We were therefore unable to determine whether any adjustments were necessary to the carrying value of inventories amounting Rs. 27,135.62 Lakhs of the subsidiary as at June 30, 2026, and the consequential impact, if any, on the profit for the period, other equity and the related disclosures in the financial results of the Group.

6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of management certified results as referred in paragraph 7 below and except for the effects of the matter described in para 5 above of our report, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results read with notes therein, prepared in all material respects in accordance with the applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

SINGHI & CO. NOIDA DELHI NCR Chartered Accountants

Nil for the quarter ended June 30, 2026, in respect of one associate, based on its interim financial results/information, which has not been reviewed by its auditors and has furnished to us by the Holding Company's management. Our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associate, are based solely on such management certified interim financial results/information. According to the information and explanations given to us by the Management, these interim financial results/ information are not material to the Group.
