Dear Sirs,

Imposition of Anti Dumping Duty by US Department of Commerce on Import of Large Diameter Welded Pipes from India

This is to inform that on August 21, 2018 US Department of Commerce has imposed Anti Dumping Duty on imports of Large Diameter Welded Pipes from Canada, China, Greece, Korea, Turkey and India. The Anti Dumping Duty in respect of import of Large Diameter Welded Pipes from India has been fixed at 50.55%.

Effect of above on our Company

Our Company is not currently exporting Large Diameter Pipes to US and hence the Anti Dumping Duty imposed would not have any direct impact on our business.

This is for information of all concerned.

Thanking you,

Yours faithfully,
