We are confident that all these efforts will help us in improving our margins. We have strategized plans for some brands which will be beneficial for the

companygoing forward.The homegrown Indian FMCG company will further strengthen its global operations with the start of our Bangladesh unit by the end of FY13.”

ABOUT JYOTHY LABORATORIES:

Jyothy Laboratories Ltd, a fast moving consumer goods Company was founded in 1983 by Mr. M P Ramachandran. Over the years the company has evolved from a single product proprietary firm into a multi brand company involved in the manufacturing and marketing of products in fabric care, mosquito repellent, surface cleaning, personal care and incense sticks.

The company has 28 manufacturing facilities in 16 locations across India, some of which are tax efficient units. JLL brands like Ujala, Maxo, Exo and Jeeva are well-known and established brands in their respective categories.

The Company has recently forayed into service sector in organized laundry to provide "World class laundry at affordable price at your doorstep" through its subsidiary 'Jyothy Fabricare Services Limited'.
