Sub:- Request to issue share Cert. of J.K. Cement Ltd.

Dear sir,

I like to draw your attention that I had 50 Nos. of share of J.K.Synthetics Ltd. In physical form (picture attached). Subsequently this 50 shares converted into 10 share of J.K.Cement Ltd. (Folio No.4622788) but I did not received share certificate of J.K.Cement. Only I had received a letter from J.K.Enterprise Ltd. Dt.17.09,2018 (copy attached) requesting me to submit KYC and I had sent the same to J.K.Enreprise Ltd. On 22.12,2018 by post. Based on that I received dividend in the month of July 2022. Now I have a demat A/C in HDFC Securities Ltd. I want to transfer 10 share of J.K.Cement to my demat a/c.

So, I request you to send 10 share of J.K.Cement in physical form so that I can transfer the share to my demat a/c, or kindly advice me how the share could be transferred to my demat a/c of HDFC securities.

Thanking you.

Yours faithfully

Dear Sir,

Sub : - ^{Procedure} Proceed for issue of duplicate share certificate.
Folio No. : - 990091

Please refer to your letter dated 03/09/2006 wherein you had mentioned that share certificate no.76661 for 09 shares pertaining to folio No. 990091 was forwarded to me at my Mumbai address. I was not able to confirm whether the share certificate had been received at my Mumbai address as I had already departed for Canada and then posted to the USA for several years.

I now want to dematerialize all my shares in various companies I found only this letter and there was no share certificate bearing share certificate no.76661 for 09 shares. I have, however received the share certificate bearing No.76660 for 13 equity shares in Canada.

Please check at your end whether you are holding this share certificate NO. 76661 for 09 shares and if not please let me know the procedure for issue of duplicate share certificate to enable me to dematerialize the same at the earliest.

Thanking you,

Yours Sincerely,

(Allwyn B. Fernandes)
