Dear Sir(s),

Sub: Intimation about Launch of LC-3 Cement (Portland Calcined Clay Limestone Cement)  
by the Company

We are pleased to inform you that JK Cement Ltd. has achieved the milestone and became the *first company in India and the entire Indian subcontinent* to commence commercial production and dispatch of Portland Calcined Clay Limestone Cement (LC-3) at JK Cement Works, Mangrol, Dist: Chittorgarh, Rajasthan State (a Unit of JK Cement Ltd.)

LC-3, produced under *IS 18189:2023* and certified by *BIS*, *reduces CO<sub>2</sub> emissions by up to 40%* versus Ordinary Portland Cement, reinforcing the Company's commitment to sustainability and climate-conscious construction practices. The LC-3 is targeted to serve marquee infrastructure projects in Maharashtra, Gujarat, Madhya Pradesh and other parts of India. This launch represents a significant step towards achieving the Company's sustainability strategy built on four pillars: Decarbonization, Circular Economy, Resource Efficiency, and Sustainable Innovation. Its material composition makes it unique from other existing cement, which having Clinker-50%, Calcined-30% and Limestone-15%. This launch is expected to benefit the Company financially in the long run.

The above information is also being uploaded on the Company's website at [www.jkcement.com](http://www.jkcement.com)

This is for your information and record.

Sincerely,

  
**(SHAMBHU SINGH)**  
**Company Secretary**  
**FCS 5836**
