On the performance *Mr. Nalin J. Gupta, Managing Director commented*, *"We are pleased to report a strong performance for Q2 FY27, reflecting the strength of our business model, execution excellence across projects, and our continued focus on operational efficiency. Revenue from Operations grew by 15% y-o-y to ₹1,539 crores, while PAT registered a robust growth of 25% to ₹113 crores, underscoring the benefits of disciplined project execution, prudent cost management, and a focus on profitable growth.*

Our strong financial performance is complemented by a healthy balance sheet, with the Company maintaining a net cash position of ₹69 crores as on September 30, 2026. This financial strength provides us with the flexibility to pursue growth opportunities while maintaining discipline in capital allocation and working capital management.

The quarter also reinforced the strength of our order pipeline. With significant order inflows already secured and a healthy bid pipeline across our key business verticals, we remain confident of sustaining momentum in order intake. This robust project pipeline provides strong revenue visibility and positions us well to accelerate execution in the coming quarters, supported by our expanding operational capabilities and proven execution track record.

Looking ahead, we remain focused on disciplined execution, agility in navigating evolving market dynamics, and delivering high-quality infrastructure assets that contribute meaningfully to India's growth story. Supported by a strong order book, healthy financial position, and the dedication of our team, we believe FY27 will mark the beginning of an accelerated growth phase for the Company, enabling us to create sustainable long-term value for all our stakeholders."

About J. Kumar Infraprojects Limited

JKIL is among the few EPC players in the country that conforms to global ISO standards – **ISO 9001:2015 (Quality Management Systems)**, **ISO 14001:2015 (Environmental Management Systems)**, and **OHSAS 18001:2007 (Occupational Health & Safety Management Systems)** – reflecting the company's steadfast commitment to quality, safety, and sustainability.

With a proven track record in executing complex and large-scale infrastructure projects, JKIL continues to maintain a strong presence in key segments such as **Metro Rail Systems, Elevated Corridors/Flyovers, Roads & Road Tunnels, Civil Construction, and Water Infrastructure.**
