Brief profile of Shri Mandar Vighnahari Deo

Shri Mandar Vighnahari Deo, aged 50, holds a bachelor's degree in mechanical engineering from Pune University and Master's degree along with a PhD from Pennsylvania State University. He has also completed his MBA from the Kelly School of Business – Indiana University.

His last position was in Exide Energy Solutions Limited, a wholly owned subsidiary of Exide Industries, where he served as the Managing Director and Chief Executive Officer. He played pivotal role in establishing India's first lithium-ion cell manufacturing facility, involving an investment of over Rs. 6,000 crores.

Prior to this, Shri Mandar Deo spent about 20 years with Cummins India and Cummins Inc., where he held multiple leadership roles across business units. He managed P&L responsibilities and led diverse teams across manufacturing plants, technical centers, and sales operations. He also served as a Board Director for Cummins Generator Technologies and held global roles in sales, marketing, and plant operations during his tenure in the United States of America.

Shri Mandar Deo's deep industry knowledge, and people-centric leadership will further strengthen JK Tyre's journey towards profitable growth, thereby helping realise vision of being a Green and Trusted Mobility Partner.
