Dear Sirs,

Please refer to your e-mail dated 15th June, 2016 seeking certain clarification with reference to the recent news item published in the 'Times of India' newspaper dated 15th June, 2016 captioned "Jaypee seeks nod to sell toll income to pare debt".

We are separately taking up with the particular newspaper to review reasons to come out with factually incorrect headline of "Jaypee seeks nod to sell toll income to pare debt". This looks to be a figment of imagination on the part of a Reporter.

We wish to submit that fund raising option is a regular exercise in any corporate entity.

JIL in past has been successful in monetizing bulk land sale and to meet the requirements of Company in present economic scenario, will continue to evaluate options in the best interest of its lenders & stakeholders and toll monetization could be one of the option.

It is to respectfully submit that the Company would keep all authorities informed as and when matter need to be reasonably required to be informed as per Listing Regulations.

We hope that this will clarify all your doubts.

Thanking you,

Yours faithfully,
For **JAYPEE INFRATECH LIMITED**
