Press Release

Jindal Stainless wins 95 Gold and 6 Silver Awards at QCFI Conventions 2026

- *Jindal Stainless' Hisar and Jajpur units were recognised at Chapter Conventions on Quality Concepts (CCQC) 2026 for quality initiatives, employee involvement and continuous improvement*

Jajpur/ Hisar, November 10, 2026: Jindal Stainless, India's leading stainless steel manufacturer, has won **95 Gold** and **6 Silver** Awards across the Quality Circle Forum of India (QCFI) conventions held in Delhi and Bhubaneswar, recognising the quality improvement initiatives and problem-solving efforts of its employees.

The **Jajpur** unit won **71 Gold Awards** at the 8th CCQC Bhubaneswar Chapter Convention 2026, along with earning the **Highest Participation Award** for fielding 71 teams, and receiving the prestigious **Gyanadhara Award**. On the other hand, the **Hisar** unit secured **24 Gold and 6 Silver Awards** at the 41st CCQC Delhi Chapter Convention 2026. The awards recognised the efforts of its teams in identifying opportunities for improvement, addressing operational challenges and strengthening process efficiency.

Congratulating the teams on the achievement, Unit Head – Jajpur, Jindal Stainless, Deepak Agrawal, said, *"I am proud that Jindal Stainless' representation with 71 teams was the first time the event saw such enthusiasm from a single company. The fact that all our teams received Gold Awards reflects the strong culture nurtured by our employees and their collective efforts in applying quality concepts and working towards better processes. I congratulate all the participants for their dedication, teamwork and problem-solving approach."*

Commenting on the agility and participation of the employees, Unit Head – Hisar, Jindal Stainless, Mr Vijay Bindlish, said, *"The impressive performance of our Quality Circle teams reflects the proactive approach of our employees towards identifying opportunities for improvement and making meaningful contributions to the organisation. We have consistently encouraged our people to take ownership of processes, challenge existing practices and bring forward ideas that enhance quality and efficiency. Such platforms provide an excellent opportunity to recognise these efforts and inspire more employees to be part of our continuous improvement journey."*

Participation in these conventions underscores Jindal Stainless' sustained efforts to nurture a culture where employees actively contribute to improving processes, enhancing operational efficiency and driving innovation. The CCQC platform provides employees with an opportunity to showcase their problem solving initiatives, exchange knowledge and best practices with industry peers, and learn from experiences across organisations. It also fosters healthy competition, collaboration and employee-led improvement initiatives.

About Jindal Stainless

India's leading stainless steel manufacturer, Jindal Stainless, had an annual turnover of INR 42,955 crore (USD 4.86 billion) in FY26 and an annual melt capacity of 4.2 million tonnes. It has 16 stainless steel manufacturing and processing facilities in India and abroad, including in Spain and Indonesia, and a worldwide network in 12 countries, as of March 2026. In India, there are ten sales offices and six service centres, as of March 2026. The company's product range includes stainless steel slabs, blooms, coils, plates, sheets, precision strips, wire rods, rebars, blade steel, and coin blanks.

Jindal Stainless relies on its integrated operations to enhance its cost competitiveness and operational efficiency. Founded in 1970, Jindal Stainless continues to be inspired by a vision for innovation and enriching lives and is committed to social responsibility.

Jindal Stainless remains focused on a greener and sustainable future. The company manufactures stainless steel using electric arc furnace, a process that significantly reduces greenhouse gas emissions and allows for recyclability of scrap without compromising on quality.
