Jindal Power Ltd. (JPL) wins Dun & Bradstreet - Infra Award 2014

New Delhi 31stOctober 2014:Jindal Power Limited (JPL), a subsidiary of Jindal Steel & Power Limited (JSPL) has won the coveted Dun & Bradstreet's Infra Award 2014 for exemplary performance in project execution of 4x600 MW Thermal Power Project in Tamnar in the state of Chhattisgarh.

Dun & Bradstreet (D&B), one of the world's leading provider of business information, knowledge and insight, hosted the fourth edition of 'Dun & Bradstreet Infra Awards' at a glittering ceremony held at the ITC Grand Central in Mumbai yesterday. The awards felicitated leading infrastructure companies in India across various sectors like construction, power, oil & gas, ports and telecom.

Jindal Power Limited, won the award, under the category of India's leading Infrastructure Company in the Power sector at a dazzling award ceremony held at the ITC Maratha in Mumbai. Mr. TK Prasad, Executive Director, Engineering, JPL and Mr. Ajay Kumar Agarwal General Manager, JPL received the award on behalf of the company from Shri. Shankar Aggarwal, IAS, Secretary, Ministry of Urban Development, Government of India.

On intimation of the award –**Mr Ravi Uppal, MD & Group CEO, JSPL said** – “The award is indeed a recognition of the hard-work put in by the JPL team in Tamnar and this award is dedicated to the entire JPL team. We are enthused, that our effort of setting new benchmarks in the power sector has been acknowledged by the industry.”

About Jindal Power Limited

Established in the year 2002, Jindal Power Limited (JPL), a subsidiary of Jindal Steel & Power Limited, is one of India's leading power generation company with a total capacity of more than 10000 MW in various stages of operation, implementation, development and planning in thermal, hydro, renewable energy sector.

Jindal Power Ltd. has set up India's first Independent Power Plant (IPP) in the private sector- 1,000 MW Thermal Power Plant at Tamnar in Raigarh District of Chhattisgarh. All four units of the IPP (250 MW each) was commissioned within a span of nine months.

The company is expanding its capacity at Tamnar by setting up a 2400 MW (4 X 600 MW) thermal power plant, which is under implementation; 3 units of 600 MW have already been commissioned and fourth unit is scheduled for synchronization by end of this Fiscal Year.

JPL has signed agreements for development of three hydroelectric projects with combined capacity of 5600 MW in Arunachal Pradesh in joint venture with Hydro Power Development Corporation of Arunachal Pradesh Limited (HPDCAPL).

PRESS RELEASE

Jindal Power wins CII - National Award for Excellence in Energy Management 2014

New Delhi: 3rd November, 2014: In recognition of its commitment towards energy conservation and efficiency, Jindal Power Limited (JPL) – Chhattisgarh has received the **CII - National Award for Excellence in Energy Management, 2014**. JPL won the award for -'Excellent Energy Efficient Unit' at the CII Convention, held at the International Convention Centre, Hyderabad.

On intimation of the award –**Mr Ravi Uppal, MD & Group CEO, JSPL said** – “We are delighted to receive this prestigious CII Award. At JPL, we have created new benchmarks in the power sector, and this award is a testament of our unrelenting quest for innovation and operational excellence.”

The evaluation criterion of the award included a critical assessment of - trends of reduction in energy consumption, adoption of innovative energy saving initiatives, quantification of energy savings, specific methodologies adopted and proven efforts in harnessing renewable energy and waste materials.

About Jindal Power Limited

Established in the year 2002, Jindal Power Limited (JPL), a subsidiary of Jindal Steel & Power Limited, is one of India's leading power generation companies with a capacity in excess of 10,000 MW in various stages of operation, implementation and development across the thermal, hydro, wind and renewable energy sector.

Jindal Power Ltd. has the unique distinction of setting up India's first Independent Power Plant (IPP) in the private sector- 1,000 MW Thermal Power Plant at Tamnar, in Raigarh district of Chhattisgarh. All the four units of this unit were commissioned within a span of nine months.

The company is expanding its capacity at Tamnar, (Phase 2) by setting up a 2400 MW (4 X 600 MW) thermal power plant, 3 units of 600 MW have already been commissioned and fourth unit is scheduled for synchronization by the end of this fiscal.

Additionally, JPL has signed agreements for development of three hydroelectric projects with combined capacity of 5600 MW, in a joint venture with HPDCAPL (Hydro Power Development Corporation of Arunachal Pradesh Limited).
