JTL Industries Limited Awarded Prestigious Three Star Export House Status, Strengthening Its Global Trade Footprint

Chandigarh, 18th September 2025: JTL Industries Limited (“JTL” or “The Company”), is a fast-growing dynamic steel tube manufacturing company which specializes in producing ERW Black Pipes, Pre- Galvanized and Galvanized Steel Pipes, large diameter tubes and pipes, and hollow structure.

The Directorate General of Foreign Trade (“DGFT”), Ministry of Commerce and Industry, Government of India, has accorded “**Three Star Export House**” status to the Company. (IEC: 2295000203, PAN: AAACJ8505G). This recognition is valid for a period of **five years**, effective from **September 4, 2025 to September 4, 2030**.

The Three Star Export House accreditation signifies JTL’s consistent and significant contributions to India’s export performance. It reflects the Company’s strong export capabilities and adherence to stringent quality and compliance standards, enhancing its credibility and competitiveness in the global marketplace.

Being recognized as a “Three Star Export House” entitles JTL to several benefits under the Foreign Trade Policy, including faster customs clearances, access to various export promotion schemes, and easier facilitation for international trade operations. This status is expected to accelerate JTL’s global business expansion, helping the Company better serve its international customers and achieve higher export volumes.

Commenting on the development, the management of JTL Industries stated:

“We are honored to receive the “Three Star Export House” recognition from the Directorate General of Foreign Trade. This milestone reflects our consistent commitment to global standards, quality excellence, and expanding India's footprint in international markets. We believe this status will further strengthen our export capabilities and open new avenues for strategic growth.”
