Dear Sir/Madam,

**Sub: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') – Business Update**

Pursuant to Regulation 30 of the Listing Regulations, we wish to inform that due to the ongoing geopolitical situation in the Middle East, there are supply constraints on the distribution of commercial LPG across the country. Consequently, the supply of LPG cylinders to certain parts of the Company's store network has been constrained. Operational impact at this stage is limited and being actively managed.

The Company is taking several steps to conserve LPG and working overtime to move to alternate energy sources like electricity and piped natural gas (PNG). The Company is in constant engagement with oil marketing companies (OMCs) to remain apprised of the latest developments and plan operational responses accordingly, given the rapidly evolving nature of the situation.

The Company has resilient systems and processes in place to navigate short-term operational challenges and will continue to closely monitor the situation.

The aforesaid intimation is also being disseminated on Company's website at [www.jubilantfoodworks.com](http://www.jubilantfoodworks.com) under [Investor Relations](#) section.

We request you to kindly take the aforesaid information on your record.

Thanking you,  
Yours faithfully,  
For **Jubilant FoodWorks Limited**
