Company Announcement

Jubilant Organosys **is now Jubilant Life Sciences**

Noida, (UP) India, Oct 1, 2010

Jubilant Organosys Limited, headquartered in India, announced today that the company name has been changed to **Jubilant Life Sciences Limited** with immediate effect.

Jubilant Life Sciences is an integrated pharma and life sciences company offering Life Sciences products and services to the global life sciences industry. It is the largest Custom Research and Manufacturing Services Company and a leading integrated drug discovery and development solutions Company out of India.

Commenting on the development, Shyam S Bhartia, Chairman & Managing Director and Hari S Bhartia, Co-Chairman & Managing Director of Jubilant Organosys said:

"In order to create a focused Life Sciences Entity, the Company's name is being changed to **Jubilant Life Sciences Ltd.** It is a moment of great pride as we cross another milestone on the path of our evolution into an **integrated pharma and life sciences company**. Almost a decade ago we had stepped onto this path of transformation and today we have successfully positioned ourselves **as a life sciences company with a presence across the value chain**."

The Company's success so far is an outcome of its strategic focus on the pharma and life sciences industry, moving up the value chain for products and services across geographies, constantly investing in various growth platforms and promoting a culture of innovation. With 11 world-class manufacturing facilities and a team of ~ 6000 multicultural people across the globe, the Company is committed to deliver value for its customers spread across 65 countries.

With this change **Jubilant Life Sciences** becomes the flagship Company of pharma and life sciences business of the **Jubilant Bhartia Group** which also has interests in Food and Retail, Oil and Gas and Aerospace.
