2. NECESSITY FOR THE BUYBACK AND DETAILS THEREOF

- The Company has been generating reasonable amounts of cash on an ongoing basis. The Buyback is being undertaken by the Company after taking into account the strategic and operational cash requirements of the Company in the medium term and to meet the expectation for returning surplus funds to the shareholders in an effective and efficient manner.
- The financial parameters / internal factors considered includes and is not limited to expected cash requirements of the Company towards working capital, and capital expenditure; funds required for any acquisitions that the Board may approve; minimum cash required for contingencies or unforeseen events; and any other significant developments that require cash investments. The expected cash generation and robust balance sheet position allows the Company to reward its members while retaining sufficient capital for business requirements. As of March 31, 2026, the Company had consolidated cash and investments (comprising of cash and cash equivalents, current and non-current investments) of ₹996.56 Crore (Indian Rupees Nine Hundred Ninety-Six Crore & Fifty-Six Lakhs only).
- The Buyback is being proposed by the Company to return surplus funds to the shareholders holding Equity Shares of the Company who will be eligible to participate in the Buyback as on the Record Date i.e. November 11, 2026, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, effective and cost-efficient manner. The Buyback is being undertaken, inter alia, for the following reasons:
- (i) the Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares thereby enhancing the overall return for them; (ii) the Buyback is expected to improve return on equity through distribution of cash and improve earnings per share by reduction in the equity base of the Company in the long term, thereby leading to long term increase in shareholders' value; (iii) The Buyback gives an option to all the Eligible Shareholders of the Company as on the Record Date, either to sell their Equity Shares and receive cash or not to sell their Equity Shares and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment; and (iv) the Buyback, which is being implemented through the Tender Offer route would involve allocating to the Small Shareholders the higher of: (a) the number of shares entitled as per their shareholding; or (b) 15% (fifteen percent) of the number of shares to be bought back, as per Regulation 6 of the Buyback Regulations. The Company believes that this reservation for Small Shareholders would benefit a large number of the Company's public shareholders, who would get classified as "Small Shareholders" as per Regulation 2(i)(n) of the Buyback Regulations.

3. MAXIMUM NUMBER OF EQUITY SHARES THAT THE COMPANY PROPOSES TO BUYBACK

The indicative number of Equity Shares at the Buyback Offer Price and the Buyback Offer Size to be bought back would be 68,37,210 (Sixty-Eight Lakhs Thirty- Seven Thousand Two Hundred and Ten) Equity Shares, comprising approximately 1.86% (one decimal eight six percent) of the total paid-up equity share capital of the Company as of March 31, 2026.

4. MAXIMUM AMOUNT OF FUNDS REQUIRED FOR BUYBACK AND ITS PERCENTAGE OF THE TOTAL PAID UP EQUITY SHARE CAPITAL AND FREE RESERVES AND SOURCES OF FUNDS

4.1. The maximum amount required under the Buyback will not exceed ₹147,00,00,150 (Indian Rupees One Hundred Forty-Seven Crore and One Hundred Fifty only) excluding the Transaction Costs.

In accordance with the provisions of the Companies Act and the SEBI Buyback Regulations, the Buyback Offer Size of ₹147,00,00,150 (Indian Rupees One Hundred Forty-Seven Crore and One Hundred Fifty only) excluding Transaction Costs, represents 9.70% of the aggregate of the Company's paid-up equity share capital and free reserves as per the audited standalone financial statements as on March 31, 2026 and it does not exceed 10% of the aggregate of the fully paid up equity share capital and free reserves of the Company as per the audited standalone Financial Statements as on March 31, 2026.

4.3. The funds for the implementation of the proposed Buyback (including the Transaction Costs) will be sourced out of the free reserves and/ or securities premium account of the Company and/or such other sources as may be permitted by law, in accordance with Section 68(1) of the Companies Act. The funds borrowed from banks and financial institutions, if any, will not be used for the Buyback.

4.4. The Company shall transfer from its free reserves and/or such other sources as may be permitted by law, a sum equal to the nominal value of the Equity Shares bought back through the Buyback to the capital redemption reserve account and the details of such transfer shall be disclosed in its subsequent audited financial statements.

The Company shall intimate its lenders of the Buyback, as may be required under the terms of such facilities, subsequent to the approval of the Buyback by the Board of Directors

13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

13.1 As required under the SEBI Buyback Regulations, the Company has fixed November 11, 2026, as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders who will be eligible to participate in the Buyback. The tendering period for the Buyback will commence from November 17, 2026, i.e., not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (Five) working days, i.e., until November 23, 2026 (the **"Tendering Period"**).

13.2 Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs (**"Buyback Entitlement"**). The final number of Equity Shares that the Company shall purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.

13.3 As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, each Eligible Shareholder as on the Record Date will receive a Letter of Offer along with a Tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback ("Letter of Offer"). Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback. As required under the SEBI Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode to those shareholders whose email id is available with the Depository as on the Record Date and for shareholders whose email id's are not available, the Letter of Offer shall be dispatched through speed post, in accordance with the provisions of the Act and the Buyback Regulations, within 2 (two) working days from the Record Date or in the case of receipt of a request from any Eligible Shareholder to receive a copy of the Letter of Offer in physical form, a physical form shall be sent by speed post to such shareholder's registered postal address as available with the Company.

13.4 The Equity Shares proposed to be bought back, as part of the Buyback is divided into two categories:

a. Reserved category for Small Shareholders (**"Reserved Category"**); and

b. General category for other Eligible Shareholders (**"General Category"**).

As defined under Regulation 2(i)(n) of the SEBI Buyback Regulations, a "Small Shareholder" is a shareholder, who holds shares or other specified securities whose market value, on the basis of closing price on the recognized stock exchange in which the highest trading volume, as on record date, is not more than ₹ 2,00,000 (Indian Rupees Two Lakhs only); For the purpose of classification of a shareholder, as a "Small Shareholder", multiple demat accounts having the same permanent account number (**"PAN"**), in case of securities held in the demat form are to be clubbed together.

13.5 In accordance with the Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation for Small Shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder".

13.6 Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of equity shares that the Company will purchase from each Eligible Shareholder will be based on the total number of shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the shares tendered by an Eligible Shareholder in the Buyback.

13.7 In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Reserved Category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number (**"PAN"**) shall be clubbed together for determining the category (Reserved or General Category) and the Buyback Entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

13.8 In the event that the Buyback Offer Size is not fully subscribed, the unsubscribed portion in the Small Shareholder reservation category and the general category, as the case may be, shall be available for subscription in the other category.

13.9 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.

13.10 The Eligible Shareholders participation in the Buyback is voluntary. The Eligible Shareholders can choose to participate, in full or in part, and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Eligible Shareholders may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

13.11 If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback.

13.12 In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.

13.13 The maximum tender under the Buyback by any shareholder cannot exceed the number of Equity Shares held by the shareholders as on the Record Date. In case the Eligible Shareholders hold Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.

13.14 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations. The settlement of tenders under the Buyback will be done using the ***"Mechanisms for acquisition of shares through Stock Exchange"*** notified by SEBI Circulars.

13.15 Participation in the Buyback by Eligible Shareholders will give rise to tax on the gains arising from the Buyback in their hands. Pursuant to the amendments made by the Finance Act, 2026 to the ITA, applicable to buybacks undertaken on or after April 1, 2026, the consideration received by a shareholder (whether resident or non-resident) on buyback of shares shall be treated as the full value of consideration under section 69 of the ITA. The cost of acquisition of the shares bought back shall be deductible, and the resulting gain shall be chargeable to tax as short-term or long-term capital gains, depending on the period of holding. The Company is not required to pay any tax on the amount distributed on the Buyback. In due course, the Eligible Shareholders will receive Letter of Offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.

13.16 Detailed instructions for participation in the Buyback (tendering of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer which will be sent in due course to the Eligible shareholders as on the Record Date If Eligible Shareholders wish to obtain a physical copy of the Letter of Offer, they may send a request to the Company or MUFG Intime India Private Limited at the address mentioned as Paragraph 17.

The Buyback is being undertaken by the Company after taking into account the strategic and operational cash requirements of the Company in the medium term and to meet the expectation for returning surplus funds to the shareholders in an effective and efficient manner.
- The financial parameters / internal factors considered includes and is not limited to expected cash requirements of the Company towards working capital, and capital expenditure; funds required for any acquisitions that the Board may approve; minimum cash required for contingencies or unforeseen events; and any other significant developments that require cash investments. The expected cash generation and robust balance sheet position allows the Company to reward its members while retaining sufficient capital for business requirements. As of March 31, 2026, the Company had consolidated cash and investments (comprising of cash and cash equivalents, current and non-current investments) of ₹996.56 Crore (Indian Rupees Nine Hundred Ninety-Six Crore & Fifty-Six Lakhs only).
- The Buyback is being proposed by the Company to return surplus funds to the shareholders holding Equity Shares of the Company who will be eligible to participate in the Buyback as on the Record Date i.e. November 11, 2026, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, effective and cost-efficient manner. The Buyback is being undertaken, inter alia, for the following reasons:
- (i) the Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares thereby enhancing the overall return for them; (ii) the Buyback is expected to improve return on equity through distribution of cash and improve earnings per share by reduction in the equity base of the Company in the long term, thereby leading to long term increase in shareholders' value; (iii) The Buyback gives an option to all the Eligible Shareholders of the Company as on the Record Date, either to sell their Equity Shares and receive cash or not to sell their Equity Shares and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment; and (iv) the Buyback, which is being implemented through the Tender Offer route would involve allocating to the Small Shareholders the higher of: (a) the number of shares entitled as per their shareholding; or (b) 15% (fifteen percent) of the number of shares to be bought back, as per Regulation 6 of the Buyback Regulations. The Company believes that this reservation for Small Shareholders would benefit a large number of the Company's public shareholders, who would get classified as "Small Shareholders" as per Regulation 2(i)(n) of the Buyback Regulations.

3. MAXIMUM NUMBER OF EQUITY SHARES THAT THE COMPANY PROPOSES TO BUYBACK

The Company shall intimate its lenders of the Buyback, as may be required under the terms of such facilities, subsequent to the approval of the Buyback by the Board of Directors

13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

13.1 As required under the SEBI Buyback Regulations, the Company has fixed November 11, 2026, as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders who will be eligible to participate in the Buyback. The tendering period for the Buyback will commence from November 17, 2026, i.e., not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (Five) working days, i.e., until November 23, 2026 (the **"Tendering Period"**).

13.2 Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs (**"Buyback Entitlement"**). The final number of Equity Shares that the Company shall purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.

13.3 As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, each Eligible Shareholder as on the Record Date will receive a Letter of Offer along with a Tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback ("Letter of Offer"). Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback. As required under the SEBI Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode to those shareholders whose email id is available with the Depository as on the Record Date and for shareholders whose email id's are not available, the Letter of Offer shall be dispatched through speed post, in accordance with the provisions of the Act and the Buyback Regulations, within 2 (two) working days from the Record Date or in the case of receipt of a request from any Eligible Shareholder to receive a copy of the Letter of Offer in physical form, a physical form shall be sent by speed post to such shareholder's registered postal address as available with the Company.

13.4 The Equity Shares proposed to be bought back, as part of the Buyback is divided into two categories:

a. Reserved category for Small Shareholders (**"Reserved Category"**); and

b. General category for other Eligible Shareholders (**"General Category"**).

As defined under Regulation 2(i)(n) of the SEBI Buyback Regulations, a "Small Shareholder" is a shareholder, who holds shares or other specified securities whose market value, on the basis of closing price on the recognized stock exchange in which the highest trading volume, as on record date, is not more than ₹ 2,00,000 (Indian Rupees Two Lakhs only); For the purpose of classification of a shareholder, as a "Small Shareholder", multiple demat accounts having the same permanent account number (**"PAN"**), in case of securities held in the demat form are to be clubbed together.

13.5 In accordance with the Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation for Small Shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder".

13.6 Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of equity shares that the Company will purchase from each Eligible Shareholder will be based on the total number of shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the shares tendered by an Eligible Shareholder in the Buyback.

13.7 In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Reserved Category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number (**"PAN"**) shall be clubbed together for determining the category (Reserved or General Category) and the Buyback Entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

13.8 In the event that the Buyback Offer Size is not fully subscribed, the unsubscribed portion in the Small Shareholder reservation category and the general category, as the case may be, shall be available for subscription in the other category.

13.9 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.

13.10 The Eligible Shareholders participation in the Buyback is voluntary. The Eligible Shareholders can choose to participate, in full or in part, and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Eligible Shareholders may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

13.11 If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback.

13.12 In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.

13.13 The maximum tender under the Buyback by any shareholder cannot exceed the number of Equity Shares held by the shareholders as on the Record Date. In case the Eligible Shareholders hold Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.

13.14 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations. The settlement of tenders under the Buyback will be done using the ***"Mechanisms for acquisition of shares through Stock Exchange"*** notified by SEBI Circulars.

13.15 Participation in the Buyback by Eligible Shareholders will give rise to tax on the gains arising from the Buyback in their hands. Pursuant to the amendments made by the Finance Act, 2026 to the ITA, applicable to buybacks undertaken on or after April 1, 2026, the consideration received by a shareholder (whether resident or non-resident) on buyback of shares shall be treated as the full value of consideration under section 69 of the ITA. The cost of acquisition of the shares bought back shall be deductible, and the resulting gain shall be chargeable to tax as short-term or long-term capital gains, depending on the period of holding. The Company is not required to pay any tax on the amount distributed on the Buyback. In due course, the Eligible Shareholders will receive Letter of Offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.

13.16 Detailed instructions for participation in the Buyback (tendering of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer which will be sent in due course to the Eligible shareholders as on the Record Date If Eligible Shareholders wish to obtain a physical copy of the Letter of Offer, they may send a request to the Company or MUFG Intime India Private Limited at the address mentioned as Paragraph 17.

2. NECESSITY FOR THE BUYBACK AND DETAILS THEREOF

- The Company has been generating reasonable amounts of cash on an ongoing basis. The Buyback is being undertaken by the Company after taking into account the strategic and operational cash requirements of the Company in the medium term and to meet the expectation for returning surplus funds to the shareholders in an effective and efficient manner.
- The financial parameters / internal factors considered includes and is not limited to expected cash requirements of the Company towards working capital, and capital expenditure; funds required for any acquisitions that the Board may approve; minimum cash required for contingencies or unforeseen events; and any other significant developments that require cash investments. The expected cash generation and robust balance sheet position allows the Company to reward its members while retaining sufficient capital for business requirements. As of March 31, 2026, the Company had consolidated cash and investments (comprising of cash and cash equivalents, current and non-current investments) of ₹996.56 Crore (Indian Rupees Nine Hundred Ninety-Six Crore & Fifty-Six Lakhs only).
- The Buyback is being proposed by the Company to return surplus funds to the shareholders holding Equity Shares of the Company who will be eligible to participate in the Buyback as on the Record Date i.e. November 11, 2026, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, effective and cost-efficient manner. The Buyback is being undertaken, inter alia, for the following reasons:
- (i) the Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares thereby enhancing the overall return for them; (ii) the Buyback is expected to improve return on equity through distribution of cash and improve earnings per share by reduction in the equity base of the Company in the long term, thereby leading to long term increase in shareholders' value; (iii) The Buyback gives an option to all the Eligible Shareholders of the Company as on the Record Date, either to sell their Equity Shares and receive cash or not to sell their Equity Shares and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment; and (iv) the Buyback, which is being implemented through the Tender Offer route would involve allocating to the Small Shareholders the higher of: (a) the number of shares entitled as per their shareholding; or (b) 15% (fifteen percent) of the number of shares to be bought back, as per Regulation 6 of the Buyback Regulations. The Company believes that this reservation for Small Shareholders would benefit a large number of the Company's public shareholders, who would get classified as "Small Shareholders" as per Regulation 2(i)(n) of the Buyback Regulations.

The terms of such facilities do not require the Company to obtain the prior consent of the lenders for undertaking the Buyback, In accordance with Regulation 5(i)(c) and Schedule I clause (xii) of the SEBI Buy Back Regulations, it is confirmed that there is no breach of any covenants of loans taken from all the lenders including the consortium of lenders. The Company shall intimate its lenders of the Buyback, as may be required under the terms of such facilities, subsequent to the approval of the Buyback by the Board of Directors

13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

13.1 As required under the SEBI Buyback Regulations, the Company has fixed November 11, 2026, as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders who will be eligible to participate in the Buyback. The tendering period for the Buyback will commence from November 17, 2026, i.e., not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (Five) working days, i.e., until November 23, 2026 (the **"Tendering Period"**).

13.2 Based on the holding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs (**"Buyback Entitlement"**). The final number of Equity Shares that the Company shall purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.

13.3 As per the SEBI Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, each Eligible Shareholder as on the Record Date will receive a Letter of Offer along with a Tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback ("Letter of Offer"). Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback. As required under the SEBI Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode to those shareholders whose email id is available with the Depository as on the Record Date and for shareholders whose email id's are not available, the Letter of Offer shall be dispatched through speed post, in accordance with the provisions of the Act and the Buyback Regulations, within 2 (two) working days from the Record Date or in the case of receipt of a request from any Eligible Shareholder to receive a copy of the Letter of Offer in physical form, a physical form shall be sent by speed post to such shareholder's registered postal address as available with the Company.

13.4 The Equity Shares proposed to be bought back, as part of the Buyback is divided into two categories:

a. Reserved category for Small Shareholders (**"Reserved Category"**); and

b. General category for other Eligible Shareholders (**"General Category"**).

As defined under Regulation 2(i)(n) of the SEBI Buyback Regulations, a "Small Shareholder" is a shareholder, who holds shares or other specified securities whose market value, on the basis of closing price on the recognized stock exchange in which the highest trading volume, as on record date, is not more than ₹ 2,00,000 (Indian Rupees Two Lakhs only); For the purpose of classification of a shareholder, as a "Small Shareholder", multiple demat accounts having the same permanent account number (**"PAN"**), in case of securities held in the demat form are to be clubbed together.

13.5 In accordance with the Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation for Small Shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder".

13.6 Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs. The final number of equity shares that the Company will purchase from each Eligible Shareholder will be based on the total number of shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the shares tendered by an Eligible Shareholder in the Buyback.

13.7 In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Reserved Category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number (**"PAN"**) shall be clubbed together for determining the category (Reserved or General Category) and the Buyback Entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

13.8 In the event that the Buyback Offer Size is not fully subscribed, the unsubscribed portion in the Small Shareholder reservation category and the general category, as the case may be, shall be available for subscription in the other category.

13.9 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.

13.10 The Eligible Shareholders participation in the Buyback is voluntary. The Eligible Shareholders can choose to participate, in full or in part, and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Eligible Shareholders may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

13.11 If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback.

13.12 In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.

13.13 The maximum tender under the Buyback by any shareholder cannot exceed the number of Equity Shares held by the shareholders as on the Record Date. In case the Eligible Shareholders hold Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.

13.14 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations. The settlement of tenders under the Buyback will be done using the ***"Mechanisms for acquisition of shares through Stock Exchange"*** notified by SEBI Circulars.

13.15 Participation in the Buyback by Eligible Shareholders will give rise to tax on the gains arising from the Buyback in their hands. Pursuant to the amendments made by the Finance Act, 2026 to the ITA, applicable to buybacks undertaken on or after April 1, 2026, the consideration received by a shareholder (whether resident or non-resident) on buyback of shares shall be treated as the full value of consideration under section 69 of the ITA. The cost of acquisition of the shares bought back shall be deductible, and the resulting gain shall be chargeable to tax as short-term or long-term capital gains, depending on the period of holding. The Company is not required to pay any tax on the amount distributed on the Buyback. In due course, the Eligible Shareholders will receive Letter of Offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.

13.16 Detailed instructions for participation in the Buyback (tendering of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer which will be sent in due course to the Eligible shareholders as on the Record Date If Eligible Shareholders wish to obtain a physical copy of the Letter of Offer, they may send a request to the Company or MUFG Intime India Private Limited at the address mentioned as Paragraph 17.
