JYOTI CNC AUTOMATION LIMITED

Jyoti CNC Automation expands presence in France with commencement of operations at the Huron facility, doubling overall capacity

Rajkot, Gujarat: 21st November 2025 - Jyoti CNC Automation Ltd., one of India's leading CNC machine manufacturers with a global footprint, announced the commencement of operations at its subsidiary, Huron Graffenstaden SAS, following the completion of the facility's expansion in Strasbourg, France, on 19th November 2025.

As part of this expansion, the company has doubled its capacity and scale-up is aligned with Jyoti CNC's strategic growth plans and strengthens its manufacturing capabilities to meet rising global demand.

The event was graced by the presence of **Mr. Parakramsinh Jadeja**, Chairman & Managing Director, and **Mr. Mark Troia**, CEO of Huron Graffenstaden SAS. It was also attended by esteemed guests including **Mr. Philipps Thibault**, City Mayor of Illkirch Graffenstaden; **Mr. Thierry Bouchad**, Vice President of EVOLIS and Administrator at FIMS; and **Mr. Avinash Rao**, Second Secretary at the Indian Embassy.

Commenting on the expansion, Mr. Parakramsinh Jadeja, Chairman & Managing Director said,

"We are delighted to announce commencement of additional capacity at Huron. Huron has been a hub for the company with technological advantage with high end machines made for global customers. With the doubling of our capacity we are now better equipped to meet the rising demand from aerospace sector and serve global customers.

Huron has played a pivotal role in shaping Jyoti into what it is today, and this expansion marks an important milestone in our growth journey. This enhanced capability not only strengthens our global manufacturing presence but also reinforces our long-term commitment to technological excellence.

We are immensely proud of the dedicated team at Huron & Jyoti, whose relentless efforts have made this achievement possible."
