Subject: Submission of Press Release – Commissioning of Captive Solar Power Plant pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir/Madam,

Pursuant to Regulation 30(4) read with Para B of Part A of Schedule III, and Regulation 30(6), of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and other applicable provisions, if any, having assessed the event as material in terms of the Company's Materiality Policy, we wish to inform the Exchange that the Company has commissioned a captive Solar Power Plant of 1.9 MW AC / 2.7 MW DC (Ground-mounted) at Gut No. 315, Kombhalne, Akola Road, Akole, Ahilyanagar, Maharashtra – 422601, for captive consumption at the Company's manufacturing facility. The plant was commissioned on September 2, 2026.

The above initiative is part of the Company's stated objects of the issue, as disclosed in its Red Herring Prospectus, and has been funded out of the proceeds of the Company's initial public offering.

A copy of the Press Release being issued by the Company in this regard is enclosed herewith for your record and dissemination. The said Press Release is also being made available on the Company's website at www.jyotiglobalplast.com.

This is for your information and dissemination. You are requested to kindly take the above on record.

Thanking You.

Yours faithfully,
For Jyoti Global Plast Limited

PRESS RELEASE

Akole, Maharashtra, September 2, 2026

Jyoti Global Plast Limited commissions 1.9 MW AC / 2.7 MW DC Captive Solar Power Plant, advancing its transition towards Sustainable and Cost-Efficient Manufacturing

Initiative funded through IPO proceeds strengthens energy security, supports operating efficiency.

Akole, Maharashtra, September 2, 2026: Jyoti Global Plast Limited (NSE: JYOTIGLOBL), an ISO 9001:2015 certified manufacturer of plastic and FRP (Fibre-Reinforced Polymer) moulded products for the FMCG, pharmaceutical, automotive, childcare, and defence & aerospace sectors, today announced the commissioning of a 1.9 MW AC / 2.7 MW DC ground-mounted captive solar power plant at Akole, Ahilyanagar, Maharashtra. The commissioning forms part of the Company's broader capacity expansion during FY 2025-26, alongside the ongoing development of its Mahad facility and the growth of its defence and aerospace vertical. Listed on the NSE Emerge platform since August 2025, the Company serves a diversified, long-standing customer base across multiple industries. The captive solar plant is expected to strengthen the Company's energy security and reduce its dependence on grid power. This commissioning marks a significant milestone in Jyoti Global Plast's continuing transition towards sustainable and self-reliant manufacturing.

Key Highlights

Plant Capacity	1.9 MW AC / 2.7 MW DC
Plant Type	Ground-mounted, captive
Location	Gut No. 315, Kombhalne, Akola Road, Akole, Ahilyanagar, Maharashtra – 422601
Commissioning Date	September 2, 2026

The solar power plant will reduce the Company's dependence on grid and conventional power sources at its Akole facility, supporting greater energy security and a lower carbon footprint. The initiative has been funded out of the net proceeds of the Company's initial public offering, in line with the objects of the issue as disclosed in its Red Herring Prospectus, and is expected to support an improvement in the Company's operating efficiency and margins over time.

Commenting on the development, Mr. Deven Bhawanji Shah, Whole-Time Director & Chief Executive Officer of Jyoti Global Plast Limited, said:

“The commissioning of our captive solar power plant at Akole is an important step in our journey towards sustainable and responsible manufacturing. This initiative strengthens our energy security, supports our operating efficiency, and reflects our continued commitment to environmentally conscious growth as we scale our operations and create long-term value for all our stakeholders.”

This initiative is part of the Company's broader capital expenditure plan under the objects of its public issue, which also includes the establishment of a new manufacturing unit at Mahad, Raigad, and general corporate purposes. With this commissioning, Jyoti Global Plast Limited continues to strengthen its focus on operational efficiency and environmentally responsible growth.

About Jyoti Global Plast Limited

Jyoti Global Plast Limited is an ISO 9001:2015 certified manufacturer with over four decades of experience in plastic and FRP moulding. The Company operates multiple manufacturing units and offers a diversified portfolio spanning blow-moulded and injection-moulded plastic packaging (jerry cans, industrial pails and containers), automotive components, toys & children's furniture, and precision components for the defence & aerospace sector, including drone parts and connectors. The Company's equity shares are listed on the NSE Emerge platform under the symbol JYOTIGLOBL.
