Subject: Submission of Press Release – Commissioning of Additional Manufacturing Capacity (Phase 1) at MIDC Mahad, Raigad, pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Dear Sir/Madam,

Pursuant to Regulation 30(4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), read with Para B of Part A of Schedule III thereto, and other applicable provisions, if any, we wish to inform the Exchange that the Company has commissioned Phase 1 of its new manufacturing facility at MIDC Mahad, Raigad, Maharashtra, adding approximately 2,500 MT per annum of manufacturing capacity for blow-moulded and injection-moulded products. The said additional capacity was commissioned on November 19, 2026.

This initiative forms part of the objects of the issue, as disclosed in the Company's Red Herring Prospectus, and has been funded through a combination of the net proceeds of the Company's initial public offering and internal accruals.

A copy of the Press Release being issued by the Company in this regard is enclosed herewith for your record and dissemination. The said Press Release is also being made available on the Company's website at www.jyotiglobalplast.com.

This is for your information and dissemination. You are requested to kindly take the above on record.

Thanking You.

Yours faithfully,
For Jyoti Global Plast Limited

PRESS RELEASE

Navi Mumbai, Maharashtra, November 19, 2026

Jyoti Global Plast Limited Commissions Phase 1 of New Manufacturing Facility at Mahad, Adding ~2,500 MT per Annum Capacity

Expansion strengthens the Company's plastic packaging manufacturing footprint and supports long-term, capital-efficient growth.

Navi Mumbai, Maharashtra, November 19, 2026: Jyoti Global Plast Limited (NSE: JYOTIGLOBL), an ISO 9001:2015 certified manufacturer of plastic and FRP (Fibre-Reinforced Polymer) moulded products for the FMCG, pharmaceutical, automotive, childcare, and defence & aerospace sectors, today announced the commissioning of Phase 1 of its new manufacturing facility at MIDC Mahad, Raigad, Maharashtra. The Phase 1 commissioning adds approximately 2,500 MT per annum of manufacturing capacity for the Company's blow-moulded and injection-moulded products.

The Mahad facility forms part of the Company's broader capacity expansion plan, alongside the commissioning of its captive solar power plant at Akole and the ongoing growth of its defence and aerospace vertical. Listed on the NSE Emerge platform since August 2025, the Company serves a diversified, long-standing customer base across multiple industries. This additional capacity is expected to support the Company's growing order book and strengthen its manufacturing footprint.

Key Highlights

Facility	New manufacturing unit, MIDC Mahad, Raigad, Maharashtra
Additional Capacity	~2,500 MT per annum (Phase 1)
Product Category	Blow-moulded & injection-moulded plastic products
Funding Source	Net proceeds of the Company's IPO (as per objects of the issue) and internal accruals
Commissioning Date	November 19, 2026

The Mahad facility is being developed in phases, with Phase 1 now commissioned. The Company expects the expansion to support higher production volumes, improve capacity utilisation, and enable it to service a larger and more diversified customer base over time.

Commenting on the development, Mr. Deven Bhawanji Shah, Whole-Time Director & Chief Executive Officer of Jyoti Global Plast Limited, said:

"The commissioning of Phase 1 at our Mahad facility is an important milestone in our capacity expansion journey. This additional 2,500 MT per annum of manufacturing capacity strengthens our ability to serve our growing customer base and reflects the disciplined execution of the growth plans we set out at the time of our IPO. We remain committed to scaling our operations in a capital-efficient manner and creating long-term value for all our stakeholders."

This initiative is part of the Company's capital expenditure plan under the objects of its public issue, which included the establishment of the Mahad unit and the commissioning of a captive solar power plant at Akole. With this Phase 1 commissioning, Jyoti Global Plast Limited continues to strengthen its manufacturing scale and operational capabilities.

About Jyoti Global Plast Limited

Jyoti Global Plast Limited is an ISO 9001:2015 certified manufacturer with over four decades of experience in plastic and FRP moulding. The Company operates multiple manufacturing units and offers a diversified portfolio spanning blow-moulded and injection-moulded products, automotive components, toys and precision components for the defence & aerospace sector. The Company's equity shares are listed on the NSE Emerge platform under the symbol JYOTIGLOBL.

Forward-Looking Statements

Certain statements in this press release may be forward-looking statements within the meaning of applicable securities laws and regulations. These statements are based on current expectations, estimates and projections of the Company's management and involve known and unknown risks, uncertainties and other factors that could cause actual results to differ materially from those expressed or implied, including risks relating to project execution, ramp-up of capacity utilisation, and realisation of anticipated benefits from the expansion referred to above. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
