Net Profit	17.02	11.71	45.3%	37.90	23.86	58.8%

Management Commentary

A Company Spokesperson said:

“The company has demonstrated an accelerated pace of growth in Q3 and over the first nine months of FY 2025–26. This performance reflects a stronger order book, improved on-ground execution, and the operationalisation of the second tower manufacturing unit at Nashik. The company continues to see a healthy pipeline with expanding opportunities in the transmission and distribution space.”
