K2 Infragen Ltd. Secures INR 262 Crore Order from Indian Railways

Gurugram, 1st January, 2026 – K2 Infragen Ltd., an engineering and core infrastructure company has announced receipt of LOA of INR 262 Crores Project from Indian Railways, through its Joint Venture, wherein K2 Infragen is the lead and majority partner. The work shall be pertaining to "Design, Supply, Erection, Testing & Commissioning of 2x25kV AC 220/132/55kV Traction Substation, Sectioning Posts (SPs), Sub-Sectioning Posts (SSPs) and SCADA over LUNI (Incl.) - Bhildi (Excl.) Double Line Section of Jodhpur Division, North Western Railway". This Mega order shall help K2 Infragen to establish credential as a long-term bankable player in the railway infrastructure domain through augmentation of power infrastructure along the Luni-Bhildi section in Jodhpur division of North Western Railway.

Commenting on this Development, Mr. Pankaj Sharma – Managing Director, K2 Infragen said – *“This day will be remembered in the history of K2 Infragen Ltd. as we usher into the New Year, 2026, with this mega procurement in our order book. This premium order from Indian Railways shall take us into the next leap altogether, when it comes to execution of multiple INR 250 Cr+ projects at one go. It will also bolster the confidence of our shareholders who aspire to see K2 in the big league of infrastructure players in India”*

Commenting on this development, Ms. Priyanka Pareek – CFO, K2 Infragen said – *“The journey of significant investments for the upgradation of power infrastructure in Railways & Transmission has been going on in India. This order shall seal K2's place in the category of top ranked professionally managed infrastructure players in the country, delivering growth with efficiency. With augmentation of order book crossing figures of INR 500 Crores and that too in conjunction with revenues and bottom line, I foresee an aggressive path of growth with discipline.”*

K2 Infragen has been at the forefront of several major infrastructure initiatives in India. Aspiring to be a company participating in multiple domains of infrastructure, the company strives to play a key role in Power Transmission & Railways in the next 2 years. The company is also active on NHAI projects by contributing to critical road development - across the country. In the Past, the company has also been a key player in the in enhancing water supply infrastructure and has improved access to clean drinking water.

About K2 Infragen Limited –

Founded in 2015, K2 Infragen is a key publicly listed player in India's infrastructure space. As an integrated EPC company, it specializes in project engineering, executing, & delivering large-scale projects across India in Roads, Railways, Power Transmission & Distribution, Civil

Construction, Water Infrastructure, and Renewable Energy domains, with a focus on quality work and timely completion. The company serves a diverse clientele, including North Western Railways, NHAI, HSIIDC, Hindustan Copper Ltd., Vindhya Telelinks Ltd., L&T, TATA, HG Infra, and GR Infra. With operations spanning Uttar Pradesh, Gujarat, Rajasthan, Karnataka, Madhya Pradesh, Odisha, Bihar, Haryana, and Delhi NCR, K2 Infragen continues to demonstrate strong adaptability and execution capabilities. Committed to quality, timely delivery, and exceeding client expectations, the company is well-positioned to make significant contributions to India's infrastructure growth. K2's presence in varied infrastructure domains not only eliminates over exposure to one domain but also lead to consolidation of margins and creating synergy benefits. The company is simultaneously engaged in multiple ongoing projects across its operational verticals, reinforcing its reputation for reliability and delivery excellence.
