K2 Infragen Ltd. Secures INR 85 Crore Order from Karnataka Power Transmission Corporation Limited

Gurugram, 23rd March, 2026 – K2 Infragen Ltd., an engineering and core infrastructure company has announced grant of INR 85 Crores Project from Karnataka Power Transmission Corporation Limited. The work shall be pertaining to development of multiple 220 KV transmission lines and establishing 2x20 MVA 110/11 KV substations in Karnataka. This Mega order shall help K2 Infragen to establish credential as a long-term bankable player in the power transmission infrastructure domain enabling augmentation of power infrastructure in Belgaum District of Karnataka. The said order has been awarded to M/s K2 Infragen Ltd. in consortium with M/s Om Associates Pvt. Ltd., and will be executing the entire project. This order has been added to existing unexecuted order book of 376 Crore as on Feb'26 making the order book reach Rs 461 Crores.

Commenting on this Development, Mr. Pankaj Sharma – Managing Director, K2 Infragen said – “ *K2 Infragen is on it's way to become the leading player in Power Infrastructure. With the recent railway order of Rs 262 Crore, this order from KPTCL shall strengthen the company's presence in electrification infrastructure domain. It will also lead to company's foothold in South India. We now have a strong revenue and profitable growth visibility for the coming years.* ”

Commenting on this development, Ms. Vikas Lakhanpal – Director, K2 Infragen said – “*We are targeting aggressive but disciplined growth in the coming years. This order from KPTCL that augments our orders in electrification infrastructure domain in both Railways and T&D to almost 87% of total unexecuted order book will add strong synergies to our efforts in building efficiencies in supply chain & operations.* ”

K2 Infragen has been at the forefront of several major infrastructure initiatives in India. Aspiring to be a company participating in multiple domains of infrastructure, the company strives to play a key role in Power Transmission & Railways in the next 2 years. The company is also active on NHAI projects by contributing to critical road development - across the country. In the Past, the company has also been a key player in the in enhancing water supply infrastructure and has improved access to clean drinking water.

About K2 Infragen Limited –

Founded in 2015, K2 Infragen is a key publicly listed player in India's infrastructure space. As an integrated EPC company, it specializes in project engineering, executing, & delivering large-scale projects across India in Roads, Railways, Power Transmission & Distribution, Civil Construction, Water Infrastructure, and Renewable Energy domains, with a focus on quality work and timely completion. The company serves a diverse clientele, including North Western Railways, Karnataka Power Transmission Corporation Limited, NHAI, HSIIDC, Hindustan

Copper Ltd., Vindhya Telelinks Ltd., L&T, TATA, HG Infra, and GR Infra. With operations spanning Uttar Pradesh, Gujarat, Rajasthan, Karnataka, Madhya Pradesh, Odisha, Bihar, Haryana, and Delhi NCR, K2 Infragen continues to demonstrate strong adaptability and execution capabilities. Committed to quality, timely delivery, and exceeding client expectations, the company is well-positioned to make significant contributions to India's infrastructure growth. K2's presence in varied infrastructure domains not only eliminates over exposure to one domain but also lead to consolidation of margins and creating synergy benefits. The company is simultaneously engaged in multiple ongoing projects across its operational verticals, reinforcing its reputation for reliability and delivery excellence.
